CLOAK AND DAGGER DEPT.: *And now, chapter six in the fantastic adventures of SECRET UNDER-MANHOLE-COVER AGENT FIVE FINGERS JONES!*

As you remember, in our last chapter, our hero, SECRET UNDER-MANHOLE-COVER AGENT FIVE FINGERS JONES under the alias of Tschesklavitchlabiscabonchomislavarichicaboosko was spying in Moscow's Gremlin when he was picked up by the B.V.D.'s (initials for Secret Police) and brought before the Secret Police chief, Buried, who, with spy queen, Floppova Movova, tries to torture information out of Jones with a 'brain-wash'. After wearing out three washing machines, Buried, in a fit of rage, pressed a pistol to Jones' eye-ball and threatened to shoot... and that's the story up to date. However, you know as well as I, dear reader, that Jones will get out of this pickle, for heroes always get out of pickles in chapters, because if they didn't, radio programs wouldn't be able to go on again... you wouldn't buy magazines for the next installment... everything would be all farshimmelt!... And so, on to the next installment of...

"What was your mission?" screams Buried, placing his pistol against Jones' eye-ball.

Suddenly there is a loud BANG!

When the smoke clears, Jones is seen, lying on the floor with a hole as big as a base-ball in the middle of his head.

"What have you done?" screams Floppova,

"You have killed the hero of the story! How shall we continue the story? Everything is now all farshimmelt!"

And everything most certainly is.

DO YOU HEAR PEOPLE FAINTLY SNICKERING BEHIND YOUR BACK AS YOU RIDE THE TRAIN TO SCHOOL OR WORK? EXAMINE THE SITUATION! HAVE YOU FORGOTTEN YOUR PANTS? IS THE COMIC BOOK YOU ARE READING ONE OF THE KIND WITH THE LOUD, GARISH COVERS? NO WONDER PEOPLE LAUGH! DO YOU WANT TO LOOK LIKE AN IDIOT READING COMIC BOOKS ALL YOUR LIFE?... IF YOU DON'T, THEN LISTEN TO THIS! **MAD** COMIC BOOK HAS A NEW COVER DESIGN THAT MAKES IT LOOK LIKE HIGH-CLASS LITERATURE! MAD MUMBLINGS

Dear Editors,

I dug the story, "Bop Jokes," in MAD comics #9 and I thought I'd flip. Man! It was the most; real nervous, real frantic, real crazy, real cool, exotically edgy. I got a MAD kick out of it, man, a large charge. Man! ... I was really stoned!

In other words, I think the magazine was very nice.
—Sandy Milne—National City, California

... I dug the bop thing where two kats were digging the Charlie Parker record. That really flipped me because I dug him the most. I didn't know you guys were hep on the jazz scene, because it's guys like "Bird" and Stan Getz, and Lionel Hampton that really keep the wheels going. So this thing goes to prove that Severin, who drew up that part, is a mellow fellow.—John Savocka—Clifton, New Jersey

... I sent my bread in a long time ago and I finally got my first issue of MAD. Ace ... your Bop Jokes are the most. Even my old Granny flipped. My brother plays with Charlie Parker, and when I showed him your Bop Jokes about the Kats digging the Charlie Parker record, he almost split. He digs your book too, especially when he's 'tore up' (stoned). I am an artist and some day I'm going to come to New York and apply for a job at your quaint little establishment. Until then, ace, sit on ice (keep cool).—Colleen Irwin—Azusa, California

... I was casing the mags at a drugstore when I happened to pin this crazy-looking comic book. Well, man, I nearly flipped. I was casing the way you had the Kats dressed. Man, if you dressed that way where I go to school, they would think you were just a young Kat getting hep to the new style. Man, I mean we wear drapes and suedes and we dig bop talk, but a lot of Kats are going conservative. Now to me, if a Kat's gonna go conservative, he might as well go square. But on the other hand, I don't know where you got your ideas of how a Kat dresses. Man, it's O.K. to be cool but a Kat would only dress like that if he was out for kicks.—A Kat from Lackawana

... Below, find my Hepster's Dictionary, up to date and cool.

CRIB — house
WHEELS — car
RANK — stupid
STRUGGLE — dance
CUTOUT — leave
LAY DEAD — wait
SCARF — eat

CUT — make fun of
LATER — so long
BREAD — money
NOD — sleep
THE SPLASH — rain
BRIGHT — day
BLOOD — wine

—Jack the Maniac—Redwood City, California

... I have a bop joke ... two Kats in a room three stories up ... one Kat says, "Man, raise that crazy window" ... second Kat does so just as a hurricane hits the building ... After it passes, only thing left in the room is the window, floor and chair first Kat is sitting in ... first Kat says, "Higher, man, higher!"—James E. Ellis—Knoxville, Tennessee

... Bop Joke ... Two Kats on top of the Empire State Building realize they have an appointment elsewhere ... go to elevator ... swing open elevator doors and step in ... Unfortunately, elevator is not there ... As they whistle down the shaft, first Kat turns to second ... says, "Man, if we'd taken the local, we'd have been late!"—John Lanctot—Burlington, Vermont

... A l'attention de Dick Clarkson, c/o Mad Mumblings ... La prochaine fois que tu trouve des fautes en français dans un canard, te faut pas écrire à l'éditeur. Vaut mieux te planquer dans un dictionnaire français. Tu as du culot de corriger David Platt, un gars qui est encore au lycée parce que tu es un peu ganflé. Mon vieux, tu n'es pas à la page. Selon le dictionnaire Larousse et selon beaucoup de français, le verbe corriger n'existe pas. Faut dire corriger.—Jean LeMorpion, Exchange Student N. Y. U.—New York City

Creuse ce Français fou!—ed.

... Please tell me! You've got to tell me before I go MAD! What does BWAH mean?—Hugh Redmon—Oklahoma City, Oklahoma

"Bwah," is how you might pronounce the idiom, "Boy!" when speaking with intense enthusiasm.—ed.

... I think I can say, without fear of contradiction, that MAD is one of the most popular comics on the stands today. Everyone in my school likes it.—Eddie Schnieder—Miami Beach, Florida

... When MAD comics first came out, I thought it was the greatest book ever. But slowly and surely, it's turning into the same corny junk as the rest.—George Vampire—New York City

A subscription to this corny junk will cost you one buck (\$1.00) for eight issues ... manila envelopes! Address for sub orders, gripes, or enthusiastic fan-mail is:
