MOVING PICTURES?

Nope, it doesn't look like these ads offering our full-color portraits of Alfred E. Neuman, MAD's "What-Me-Worry?" kid... suitable for framing or training puppies... are moving any pictures! On the contrary, they're our "still" pictures! Mainly, they're "still" cluttering our stockroom! But they "still" can be yours—merely by sending 25c for 1, 50c for 3, \$1.00 for 9, \$2.00 for 27 and \$4.00 for 81 to: MAD, 485 MADison Avenue, New York, New York 10022

NEW PRICE "SLASHING"

With inflation what it is today, the one thing we don't need is to pay more money for trash. *Forty cents...*! Have you people gone completely MAD?

Graham Holloway
Danville, Va.

"Ouch!" That's what I said when I paid for #143. But, when I thought of a few things, I became calm. After all, *other* magazines obtain much or most of their revenue from advertising. I once counted only the full-page ads in LIFE, and the total was more than *half* of the entire number of pages. You are not getting money from *that* end. Add, then, the fact that nearly *all* magazines today cost sixty to seventy cents... *with* advertising. Anyone making cracks about "the outrageous price" of MAD will have to deal with me!

Gary Insley
Springfield, Ohio

VISITING EDITOR

Thanks for the chance to interview Editor Feldstein and to photograph your MADly delightful staff at work. Now I know why you're on target so much of the time. You aren't afraid to be honest and you make it fun for all of us. I hope our story on MAD, in the June issue of YOUTH magazine, can do justice to the MAD genius.

ABC'S CAMPUS RIOT OF THE WEEK

Many thanks to Jack Davis and Tom Koch. Tom caught Chris Schenkel's and Bud Wilkinson's styles of reporting and gave me some of the best laughs I've had in a long time. The world needs more satire such as that displayed in MAD. Perhaps if a more realistic view could be seen by two such opposing forces as those depicted in "Campus Riot", maybe hate would dissolve and then there'd truly be...PEACE!

Larry Peters
Chicago, Ill.

Not only was it funny, it also showed how pathetically ridiculous campus rioting has gotten...

ORDURE OF THE DAY

Congrats to Ronnie Nathan and Paul Coker, Jr. on their powerful plea to prevent persistently pestiferous and pungent Pavement Pollution!

Sandra Cardone
S. Hadley, Mass.

NIXON AND AGNEW AS SEEN BY...

When a young liberal (yours truly) tries to read "Nixon & Agnew (As Seen By...)" over her conservative, middle-America parents' shoulders, it's hard to muffle hysteria. I couldn't say it then, but I can say it now... BEAUTIFUL! And, so true!!

Carolyn Wood Simons

ON A CLEAR DAY, ETC.

My compliments to Frank Jacobs and Mort Drucker on their marvelous "On A Clear Day You Can See A Funny Girl Singing 'Hello Dolly' Forever." They gave Barbra Streisand some real digs but I suspect they dig her as much as the rest of us.

Tim McNicol
Redding, Calif.

As one of Streisand's biggest fans, I was delighted with your hilarious satire. It was a brilliant piece of writing, but what really got me was the artwork. Whether Frank Jacobs is aware of it or not, this Hollywood phenomenon is a girl of many sides, and Mort Drucker did a brilliant job of capturing them all with unbelievable perception. Even her mannerisms and facial expressions! How about an encore on her latest, "The Owl And The Pussycat"?

Jim Todd
Davidson, N.C.

I think it's outrageous that you should condemn a person just because she's extremely talented. What would *you* people know about talent, writing for that crummy magazine!

Cindy Guttman
Yonkers, N.Y.

I happen to have seen all of Barbra Streisand's movies and find them to be exceptional. She's one of the finest singers and actresses since Judy Garland first came along; yet so unlike *any* great predecessor. Your satire disturbed me very much...

Scott Horowitz
E. Brunswick, N.J.

Even on a cloudy day, it's clear to see your satire on Barbra Streisand is the best you've ever done. Even my parents enjoyed it!

Lukie Costin
Reisterstown, Md.

This country needs more Barbra Streisand pictures! They're our only refuge from the torrent of Elliott Gould pot-boilers.

Joan McCabe
New York, N.Y.

Hollywood has been quick to cash in on the current trend among young people to drop out of our Establishment-oriented society by turning out a series of "Anti-Success" or "Drop-Out" movies. These films have dropped the "hero", the "plot" and the "dialogue"! In fact, the only thing they haven't dropped is the admission price! Here, then, is our version of film-land's latest salute to the cop-out . . . all wrapped up in—

SY PAGES!

AND TWO HARD ONES!

WRITER: LOU SILVERSTONE

Wal, Ah thank you ought t' get yo'self married, settle down, an' raise a family! There's nuthin' like it, le'me tell yuh!

Oh, yeah?! Then what are you doin' **HERE** with me?

Uh . . . Jus' seein' how the other half lives!

I don't blame you for not wanting to get married! I was married once . . . but my husband didn't understand me!

I was married—and MY husband didn't understand ME, either! And when I was a kid, my MOTHER didn't understand me!

See why I'm stayin' single, Elkhorn?! If I was to get married and settle down, Ah would miss meetin' so many beautiful, fascinatin' people an' havin' these stimulin' intellectual conversations!

C'mon, Boob! Let's go! Layette's still waitin' in the car!

What's the big rush? It's only been two days!

Hey, Booby! Stop playin' that piano and get down from there!

Why? Does my piano playin' embarrass you, Elkhorn?

No . . . your piano playin' drowns out the Hillbilly Music on my car radio!

Millions of cars on the road and I have to get stuck behind a pianist that plays like an oil rigger!

What a shocking and ridiculous way to play the piano! There's no candelabra!!

CHOPIN?!? Good grief! Doesn't he know any Beethoven?!

It's times like these that I feel like dropping out of music and getting a nice quiet job in the oil fields!

Ah wants my kid t' finish school so's he don't end up workin'—like me!

Elkhorn, you're stupid! You got it made! Why do you think I dropped out?! Look . . . the best part of school is Summer Vacation, right? An' durin' vacation, most kids get the selves jobs doin' manual labor, right? So being a laborer—your whole life is like a Summer Vacation!

Hey! What's goin on?! Why are you guys beatin' up on my friend here?

We're takin' him to jail!

JAIL?! Elkhorn—you?!

What makes yuh think **INTELLECTUALS** are the only ones who're dissatisfied, Booby?

I used t' be a **HOLDUP MAN!** I dropped out t' find more meaningful employment!

Miss Dopier—your brother Booby is here! Take ten ...

Hi, Sis! I see you're still the same sweet loveable neurotic!

I'm glad you came, Booby! I'm afraid I have some bad news!

You mean I might have to listen to you play the piano!?

Boy, do I have an Excedrin headache!

No ... nothing as bad as that! It's about Father! He's had two strokes!

Gee ... that IS bad news! Because **THREE** strokes and you're **OUT!** Har-de-har-har!

Oh, Booby! I really miss your warm, gay humor!

I gotta go back home, Layette! My Father's had two strokes an' he's very sick!

Take me with you!

Nothin' doin'! One look at you an' he'll have **ANOTHER** one! That'd kill him!

Is he havin' a temper tantrum because Layette is pregnant an' he can't bring himself to leave her?

&¢%\$## @! &¢%\$## @!

No, he's havin' a temper tantrum because the car dropped out—an' he can't start it!

Okay! You can come if you want to!

I sure am glad you changed your mind! I guess, down deep, you realized you really love me!

No, I realized it'll be a long trip and I'll need somebody to scream at, and abuse!

Hey, what's happening? Where are all you guys goin'? To work ... ??

Man, like we don't work! We've all dropped out!

Yeah! Like we're all looking for something! I'm looking for America!

And I'm looking for truth!

And I'm looking for significance!

I'm looking for an honest man!

I'm looking for the Holy Grail!

I'm looking for broads!

Hey, Man! What are you two guys doin' on the road? You're over 30!

Listen, kid! Who do you think started these "Drop-Out-And-Hit-The-Road" pictures?!

ROAD TO MORROCCO
ROAD TO RIO
ROAD TO UTOPIA

Hi! Are you two looking for truth, significance, and America, too...?

No, Mac! We're looking for a ride!

Where you headed?

We're going to Alaska!

It's the last place on Earth that Man hasn't contaminated with his stinkin' crappy garbage! I saw a picture of it once, and it's clean and white and not polluted with Man-made junk and Man-made filth and Man-made crap!

Yeah, but that was before the "Big Bake"—when the sun came out and turned Alaska into a pile of mud!

I don't believe it!

Didn't you ever hear of BAKED ALASKA?!!

And it also ain't polluted with Man-made crappy jokes!!

I'll have a bowl of soup and a French roll!

You get two slices of white bread with a bowl of soup! No substitutions!

I see you serve Hero Sandwiches on French rolls!

That's right!

Okay! I'll have a Hero Sandwich with hard salami, soft salami, sausages, meat balls, provolone cheese, mustard, pickles and Kraft miniature marshmallows! Got that?

Yes, sir—gaakk! I've got it!

Okay... now HOLD the hard salami, the soft salami, the sausages, the meat balls, the provolone cheese, the mustard, the pickles and the Kraft miniature marshmallows... and just bring me the French roll!

Take it easy, will you, fella! This is my first day on the job! I used to be a Nuclear Physicist but I dropped out to find more meaningful employment!

Crap! That's all Man is involved in! Crap! Filth! Pollution! It stinks!

Okay! Out of the car! NOW!

Ah sure am glad you're getting rid of them, Booby! Is she making YOU sick, too?

I'll say! She's trying to do what I did in "Easy Rider"! She's doing a ten minute cameo bit, and she's stealing the picture!

You stay here at this motel! I'll go over to my father's house...

Le'me come with you?! Maybe I can be helpful!

I don't need your help! There'll be plenty of people there I can scream at, and abuse!

Welcome home, Booby...

Hi, Tedia! Gee, I hardly recognize Dad!

You mean because of the wheel-chair?!

No... because it's the first time I've seen him without his whip!

And brother Curl... Man, you sure look ridiculous in that neck brace! I'll bet you're a scream on the concert stage... trying to tuck your violin under your chin!

Ooooh, Booby! You're so mean to Curl!

I'm not bein' mean! I'm jus' tellin' it like it is! Hey... look at me! I got a broken neck! Don't I walk funny?!!

Giggle! I'm glad you came home, Booby! We don't get many laughs when you're not around!

It's a shame that a man of your obvious **SENSITIVE** nature gave up a career in music!

I'm Cathruin, your brother's fiancée and pupil!

What's he teachin' you...? How to be miserable?!

Booby, please play the piano for me!

That was just beautiful! Such warmth and inner feeling! Now you can make love to me!

Gee, this is the first time I ever scored with "Chopsticks"! Usually, I have to play sexy numbers like "When The Red-Red-Robin Comes Bob-Bob-Bobbin' Along!"

I—I still can't get over your fantastic performance, Booby!

I'm not talking about the piano!

Heck, I did it better when I was 8-years-old!

Neither am I!

I got lonesome at the motel, Booby—that's why I came! I mean, I been at lots of motels... but never **ALONE**!

You're welcome to stay here!

Please pass the coffee!

Would you like it with cream?

No, I like it black!

Draw one—Hold the cow!!

What a colorful choice of words! Let me point out...

Don't you know it's rude to point, you ol' bag?! You're full of &¢%\$! You're **ALL** full of &¢%\$!!

I see Booby still has his temper tantrums!

This one's nuthin'! Sometimes he holds his breath till he turns blue!

What in heck is goin' ON here?!

What's it look like?! I never thought YOU'D object! Isn't scoring every chance you get part of your philosophy?!

Yeah, but this is DIFFERENT! She's my Sister!!

How come you're clobbering me when you're only a Male Nurse... and I'm a rugged oil field rigger?!

I wasn't always a Male Nurse! I used to be in the music field, but I dropped out to find a more rewarding profession!

You were a musician?!

No, I was a piano mover!!

I'm sorry, Booby! I can't go away with you!

Why not? What can my brother offer you? Money? Security? Is that all you want out of life? Did you ever drink beer right out of the can? Or send out for pizza? Or bowl a strike? Were you ever pregnant... and abandoned at a gas station? I can give you all of that!

There's something much more important, Booby! Something you just CAN'T give me!

What's that, Cathruin? Violin Lessons!!

Dad, I know you think I let you down! And maybe, by your old-fashioned, outmoded standards of success, I AM a failure! But, things have changed! Today, running away from responsibility and DROPPING OUT is what's REALLY IMPORTANT! So, in my own way, I've MADE IT!! I'm a SUCCESS at being UNSUCCESSFUL! So long... sniff-sniff!

Why, Booby, you're cryin'! That's so touchin'! I haven't seen you cry since you lost a Monopoly Game! You must really love your ol' Daddy!

It's not that! He just sat there like a vegetable! He reminded me of an onion... and I ALWAYS cry when I'm around onions!

I sure am glad we're leavin' this place!

Why? Did you find the people pompous, stuffy, boring and overbearing... and the atmosphere deadly and oppressive?

Worse than that! I helped set the table and clear away the dishes, and nobody ever left me a TIP!!

EDITOR'S NOTE!

We apologize for not being able to show you our version of the exciting climax of this film... but unfortunately, the writer and artist decided to drop out... and were last seen hitching a ride on a truck headed north into Canada.

Do you realize that there are five oceans—covering 7/10ths of the Earth's surface! The Atlantic Ocean alone covers 31,530,000 square miles! And the Pacific covers 63,800,000 square miles!

Add to that all of the lakes, rivers and bays ... and it means that ¾ of the entire world is covered with water!

But just try to find a place to moor your boat!!

Now that we've got a new boat, we need a name for it! How about "The Wayfarer"?

Only a miserable little dumb runt like my husband could come up with such a name!

Well, then how about "The Wanderer"!

What did you do ... take a course in "Stupidity" and get all "A's"!?!

Listen, idiot! Remember me?! Lillian?! Your wife—who puts up with all your incompetence and bungling!? You **COULD** name the boat after ME!!

SA-A-Y! That's an idea!!

Every Spring, you spend weeks getting your boat ready for the Summer! You work on it like you were a common manual laborer!

That's true! But you must remember that my job is very taxing! I come home every night totally exhausted! **THAT's** why I have a boat ...!

It's my only relaxation!!

ATTING

ARTIST & WRITER: DAVE BERG

Well! Fancy drifting into **YOU** out here in the middle of nowhere! I see you're still driving that old **Stink Pot!!**

Don't knock it! I see you're nicely **BECALMED** in the middle of this nowhere!

Hah! And you dare to call my power boat a "Stink Pot"! Well, I don't have to rely on the fickle whims of the wind whether I go or not!

Okay! Okay! Don't rub it in! I admit defeat! Would you tow me in?

I'd love to...

But I'm out of gas!

How you doin'?

WILL YOU SHUT THE HECK UP!? YOU'RE SCARIN' ALL THE FISH AWAY!

I've been trying to attract Jeff Miller's attention for months... and I finally completed **Step 1!** I managed to wangle an invitation to a party aboard his yacht! Now comes **Step 2**—this Bikini I bought especially for the occasion! If this doesn't do it, nothing will!

Thanks for inviting me, Mr. Miller!

My pleasure, Miss Fleegle! Welcome aboard!

It's going to be rough today! Can you swim?

No, I can't!

Then you'd better wear this!

So long... and thank you! We had a great time!

It was our pleasure!

Did you **HAVE** to admire their yacht?! And when they said, "Would you like to come aboard?"—did you **HAVE** to accept?!

I was just being friendly! What's wrong with that?

I'll **TELL** you what's wrong! Now we owe them a visit on this ridiculous boat of **OURS**!!

So long, Mom! I'm leaving now to spend the day on Norman's boat!

Hey, did you take your pill?

PILL?!?
Oh, my God!!

What kind of wild orgies do you have on that boat of yours?!

Oh, Mother! Not that kind of pill! You've got a **dirty mind**! Norman is talking about an **anti-sea-sickness pill**!

But thanks for reminding me!!

Well, that's a relief!!

Boy, look at the McGillas down there! They bought a boat, but they **never** take it out! They just lie around on the deck and sun themselves! And do you know how much that boat costs? **Twenty-five thousand dollars!!**

Really?! Twenty-five thousand dollars?!

That's a pretty expensive **BEACH CHAIR**!!

Let's face it! One of the reasons we buy bigger and bigger boats is to impress our boating friends!

C'mon, Honey! Get up here on the side and help me trim the boat!

Hey! I'm getting wet from the spray! I'm getting down!

You better stay here or we'll capsize!

Capsize, shmapi-size! It's better than getting wet!

Here we go again!

Bail, bail, bail! That's all I ever do on this boat!

Where in heck does all the water COME from?!

Just a minute while I shoot the sun with my sextant...

Okay! Got it!

Now let me check the charts! Hmmm! Ah—there it is!!

I've got it!

You've got what?

I've charted our location and I know exactly where we are... on the button!

... THE NEW ROCHELLE MUNICIPAL YACHT CLUB!!

And one of the gimmicks we use to let people know we've moved up to a bigger boat is to keep the same name but put a number after it!

My first boat, "The Rover," cost me \$7000! But compared to the others, it was a dink! So I moved up to "Rover II"! That one cost me \$14,000!

The following year, I bought "Rover III" for \$21,000! And now... this year—

I know! You bought "Rover IV"!

Except that I decided to give it another name! This year, I decided to call a spade a spade!

Look at those nuts! They're waving at us like crazy!

Oh, that! It's sort of an unwritten law of the sea! When two boats pass, everybody waves at each other!

Well, in that case—

HI, THERE!!

Arnold! They're not stopping!!

YOU STUPID IDIOTS! CAN'T YOU SEE WE'RE SINKING?!!

Oh, wow! Look at Roger Kaputnik, there! When he told me he'd bought a boat, I imagined it was a little nothing runabout! But look at that! Wow!

So there you are! I was worried sick about you! I was just about to call all the hospitals! Where were you all this time?

You **KNOW** where I was! Taking my Power Squadron course in "Navigation"! Today was Graduation Day!

So . . . how long does it take to graduate from Navigation School?

N-not very long! But traveling was time-consuming!

The school isn't **THAT** far away!!

I got lost!

Why don't you watch where you're going, you idiot?!

I have the right of way!

The **HELL** you do!!

It says so right here in the regulations!

"A sail boat has the right of way over a power boat!"

Rita! Guess what! The Yacht Club finally accepted me!

That's great, Norman, but—

After years of having my name on a waiting list—and after three members vouched for me—and after I was thoroughly investigated, I made it!!

That's great, Norman—but the Membership Fees are so high!! Where did you get the money?

Don't worry! I managed to raise the dough!

HOW!?

I sold our boat!

But he is not a regular Dentist.
He is a special kind of Dentist.
He straightens teeth.
He is called an "Orthodontist."
What is the difference between an
Orthodontist and a regular Dentist?
Oh... about \$25,000 a year!

Chapter 2

See the boy.
See the funny way his teeth stick out of his mouth.
His parents have brought him to the Orthodontist
To see if anything can be done.
The Orthodontist has a name for this condition.
He tells the parents he has found a "malocclusion."
The Orthodontist has another name for this condition.
He tells himself he has found a "gold mine."

Chapter 3

See the parents.
They are very uncertain.
They do not know if they want to spend a fortune
to have the boy's teeth straightened.
But the Orthodontist is very helpful.
"Can you picture your son as a teenager?" he asks.
The parents picture their son as a teenager.

They see him in faded torn jeans and a dirty undershirt.
They see him with long, wild hair hanging over his face.
They see his face covered with pimples.
"Yes, we can picture our son as a teenager," they say.
"Now . . . why should we have his teeth straightened?"
"Because if you don't," says the Orthodontist,
"He will grow up to be ugly!"

Chapter 4

See the boy's mouth.
He is wearing a brace.
What does a brace do?
It straightens teeth.
It also traps food.
The boy will wear the brace for two years.
Tonight, he will eat a sandwich.
The boy will also wear peanut butter for two years.

Chapter 5

See the boy.
What is he wearing now?
It is called a "night brace."
It fits over two wire hooks
Over two wire coils
Over his regular wire brace.
The boy's parents are going out for the evening.
They are leaving him two emergency telephone numbers.
The family doctor . . .
And the family electrician.

Chapter 6

See the neighborhood kids.
All the neighborhood kids wear braces.
The brace is a status symbol.
It is very "in."
See the one little girl cry.
She is crying because her teeth are straight.
She does not need to wear braces.
Cheer up, little girl.
Your teeth may be straight,
But your eyes are crooked!
Perhaps you will soon wear mod, wire-framed Granny glasses.
The Good Lord willing.

Chapter 7

The two years are up.
See the boy's teeth now.
They are all straight.
See the boy and his family walking to the Orthodontist
For the last time.
The Orthodontist will take off the boy's brace.
Why is the family walking to the Orthodontist?
Why don't they ride in the father's nice Buick?
Because the father doesn't have his nice Buick anymore.
He had to sell it to pay for the boy's braces.

Chapter 8

See the Orthodontist.
He is removing the boy's brace.
The boy will never have to wear a brace again.
Ever.
The boy is happy.
The boy's family is happy.
Poor, but happy.
However . . .
To make sure his teeth remain straight,
The Orthodontist announces
That the boy will have to wear a retainer.

Chapter 9

See the retainer.
The retainer is another kind of brace.
The boy will have to wear it for six years
To insure the permanent effect of the first brace.
Isn't that nice?
Of course, there will be a slight charge for the retainer . . .
Plus for each visit over the next six years.
Isn't *that* nice?
In one minute, the Orthodontist will have crooked teeth.
He will call it a "malocclusion."
The boy's father will call it "a punch in the mouth."

MARCH 5th, 1968

I pledge to you the new leadership will end the war and win the peace.

MAY 15th, 1969

Abandoning the South Vietnamese people would jeopardize more than lives in South Vietnam. It would threaten our long-term hopes for peace in the world.

Let me be quite blunt. Our fighting men are not going to be worn down. Our mediators are not going to be talked down. And our allies are not going to be let down.

MARCH 6th, 1970

Our goal in Laos has been and continues to be to reduce American involvement and not to increase it, to bring peace ... and not to prolong the war.

The levels of our assistance has risen in response to the growth of North Vietnamese activities.

As Commander-In-Chief of our armed forces, I consider it my responsibility to use air power to interdict the flow of troops and supplies across Laotian territory on the Ho Chi Minh trail.

JANUARY 5th, 1971

FEBRUARY 25th, 1971

In cooperation with the armed forces of South Vietnam, attacks are being launched this week to clean out major enemy sanctuaries on the Cambodian-Vietnam border.

This is not an invasion of Cambodia. Our purpose is not to occupy the areas. Once enemy forces are driven out of these sanctuaries and once their military supplies are destroyed, we will withdraw.

We take this action, not for the purpose of expanding the war into Cambodia, but for the purpose of ending the war in Vietnam and winning the just peace we all desire.

I have no desire to resume the bombing of North Vietnam. We do not want to go back to the bombing of the strategic targets in North Vietnam, and we do not want, even, to bomb military targets unless it becomes necessary to do so—and this is the key point—to protect American forces . . .

Now the President of the United States as Commander-In-Chief owes a responsibility to those men to see that they are not subjected to an overwhelming attack from the north . . .

That's why we must continue reconnaissance. And that is why, also, if the enemy at a time when we are trying to de-escalate, starts to build up its infiltration, starts moving troops and supplies, then I as Commander-In-Chief will have to order bombing strikes on those key areas.

Hanoi has made the war an Indochina conflict. In South Vietnam there are some 100,000 North Vietnamese troops. In Laos there are 90,000. In Cambodia there are over 50,000 North Vietnamese and Vietcong. These troops challenge the legitimate governments of Laos and Cambodia . . .

But our immediate concern is that North Vietnam uses them as springboards for assaults on a country where we have a firm commitment, have invested lives, treasure and prestige, and have Americans to protect as we progressively withdraw.

Furthermore, if Hanoi were to gain control of Laos and Cambodia, a large portion of the more than 140,000 Communist troops now engaged in these countries would be freed to fight in South Vietnam. To date, Hanoi has rejected diplomacy and spread the conflict.

The Laos Government for many years, and the Cambodian Government this year, have turned to us and others for assistance . . .

If winding down the war is my greatest satisfaction in foreign policy, the failure to end it is my deepest disappointment.

GREETING CARDS FOR T

ARTIST: BOB CLARKE

To A Very Special Girl

No other chick can match you, kid,
For sensual desire;
Like, wow, you really know the ways
To set a guy on fire;
In gratitude for all those nights
This card is sent with joy
From Marvin, Danny, Harold, Bill,
Sylvester, Fred and Roy!

To A Recent Conquest

*I can't forget that date of ours
When passions were inflamed;
You bit, you clawed, you turned into
A savage beast, untamed;
Although the moment that we shared
Was frantic, fierce and thrilling;
I wonder how it might have been
If, sweetheart, you'd been willing!*

To A Sex Fetishist

You wear long boots with pointed heels—
They're good for getting kicks;
Your rumpus room is full of whips—
They're great for swinging chicks;

Your weirdo chums wear leather gear
And chain you to a chair;
What fun to have a hobby that
Your friends and you can share!

homes all over America. In case you're out of it, we're talking about the Sexual Revolution. Let us, therefore, salute the valiant fighters in this intimate struggle as we here at MAD — yes, MAD — present . . .

THE SEXUAL REVOLUTION

WRITER: FRANK JACOBS

To A Make-Out Artist

*You swing with every chick you meet;
You're just a sex-mad creature;
This week you've had a stewardess,
Three stenos and a teacher;
On every date you've always got
A brand-new girl in hand;
Perhaps it's 'cause one night with you
Is all that they can stand!*

To An Obscene Phone Caller

*At ten o'clock in your hometown
Some phone begins to ring;
And when the party picks it up
You do your lurid thing;
You murmur your obscenities
With lewd, salacious glee;
With all the smut on sale today,
How nice to get you free!*

To A Reluctant Female

*With sex so big, it's time that we
Both joined the revolution;
And yet, my pet, you still refuse
To make a contribution;
Let's hope one day some sign of lust
Within your heart appears;
I only bring it up 'cause we've
Been wed for seven years!*

To A Gay Liberationist

Down city streets throughout the land
You're marching by the score;
And though you're screaming for your rights
It's all a crashing bore,
You shout that you are victimized
By bigoted attacks,
Forgive us if we're more concerned
With Indians and Blacks!

To A Producer Of Skin Flicks

Each picture that you make is like
A sexual excursion—
With mixed-up nymphos, orgies
And a plot of sick perversion;

You should get wise that folks today
Don't think your films are groovy;
With sex in real-life like it is,
Who needs a dirty movie?

To A First Love

You cry out with the lust of youth
And, sweetheart, so do I;
The heartfelt yearnings that we feel
We simply can't deny;
And yet, despite the joy we seek,
We know that we must wait;
Perhaps next year we'll make the scene
When both of us turn eight!

To An Ancient Lover

Your years now number 85,
And yet you spend your time
Impressing girls one-fourth your age
That you're still in your prime;
Although it's true you always fail,
You still should take a bow;
You've got the will; it's simply that
You can't remember how!

Since the dawn of time, Homo sapiens have been making excuses to justify their behavior. And so have normal people! No matter what he is accused of, and no matter if he is right or wrong, every man, woman and child stands ready with a quick explanation that he hopes will get him off the hook. we at MAD figured it wouldn't be long before other recording stars, looking to capitalize on this new trend, would also start entertaining prisoners and cutting albums at various corrective institutions. THE ID AND THE INHIBIT-ID DEPT.

Ever since Hollywood blew the censorship lid off, and you can say or do anything in a motion picture these days, all we've been getting is a steady stream of raw sewage called "Now Movies". Recently, Hollywood outdid itself with a movie that is nothing more than vulgarity and sordid sex. So, go see it! You'll love it! Hi! I'm Dooris . . . a part-time model . . . a some-time hooker . . . and a full-time yenta! If you like four-letter words, you'll love me!

Right now, it's pouring out . . . I'm getting soaked to my skin . . . and I'm trying to get home! So tonight, I'll let ANYBODY pick me up!

Come to think of it, tonight's no different from any other night!

Boy, some &c%\$#@*! night!

Look, lady! If you insist on using that kind of language, you'll have to sit in the back!

You got a back seat?

I mean—in back with the rest of the garbage!

How far are you going?

That depends on you, heh-heh!

Okay, I'll get in and we can start the meter!

I—I don't have a meter!

I know! But I do!!

Wow!
This
is
absolutely
amazing!

What? That you were
able to pick up
someone so great on
a night like this?

No, that I was
able to pick up
someone so **DRY** on
a night like this!

Shut up
and read
this
DRY
newspaper!

There are **SOME** dirty old
men in this town who like
to use young women for
their warped desires! Isn't
that a **problem** for you?

Yeah, a big problem!
There aren't enough
of those dirty old
men to go around!
Business stinks!

I—I
didn't
know you
were just
a common
street
walker!

Actually,
I'm not!
But lately,
I've been—as
they say—"up
against it!"

Up against
WHAT?

For **\$20.00**,
I can be
up against
YOU!

\$20.00?! But
you're not
even pretty!

EVERYONE's
pretty! I'm
a novelty!

Damn it!
Another
rejection slip!

How can you tell? You
haven't even opened it?

When it's addressed
to "**Occupant**",
you kinda know!

I've had
complaints
about the
noise your
typewriter
makes at
night!

Who ever heard
of someone
complaining about
typewriter noise?!
It just doesn't
make any sense!

Listen—
you think
this is
bad!? We
still got
over an
hour to go!

I know who's complaining! But
she shouldn't talk! Look for
yourself at what she's doing
—right out in the open where
everyone in the world can see!

I can't see a **THING!!**

How
about
now?

An old man is giving her
a **\$20.00 bill**! I've never
been so shocked in my life!

Because you
didn't know
what she is?

No—because she always
charges me **THIRTY!!**
I'm throwing her out!!

I'm a very timid intellectual who leads a sheltered life, so I use my tape recorder to imitate reality! For instance, when someone bangs at my door, I use my "Dog Barking" band—

Arf! Arf! Growl! Woof! Woof!!

... or when I'm feeling unhappy, I use my "Loving Mommy" band ...

Dress warm, Booby, and don't forget to wear your rubbers!

... or when I'm feeling lonely, I use my "Making Out" band ...

Please ... not tonight! I've got a headache!

I—I also happen to be a very UNLUCKY intellectual!

You no good &£%\$#@! You squealed on me! I hate your dirty &£%\$#@ guts!

That's terrible!

What? My cursing?

No, those stupid symbols! You'd think in this day and age, MAD could use the same language the movies use!

You &£%\$#@! Why'd you have me thrown out of this vermin-infested, rat-ridden, disgusting old slum apartment house???

I didn't want you to give the place a bad name!

I'm staying here tonight! Lucky for you I don't hold any grudges!

Really? Why not?

I don't hold anything I'm not paid to hold!

I want your opinion on something—

Do you think this outfit is too much?

I—I think the hands are in the wrong place!

They should be covering your mouth!!

I—I can't understand it! When I look at you, I—I get all confused!

Don't you know what a beautiful, sexy girl in a filmy negligee is supposed to look like?

Yes, I do! That's what's so confusing!

Hic! Oh, boy! Hic! I got a bad case of the hiccups! You gotta scare me—Hic!—so I can get rid of them!

I have just the thing! Close your eyes and don't look 'til I tell you to!

Now—open your eyes!

Why ... she's lovely! She's—Hic!—a born star! She has magic!

Hmmmm! Okay—I know! Wait here!

Aren't you going to **LIE DOWN** and sleep?

I sleep **sitting up!** Do you think that's **strange?**

No! The audience has been doing it since the movie started!

I can't sleep unless I have a **TV set on**, so you'll have to **entertain me!**

Okay! A funny thing happened to me on the way to the studio tonight! I met a man who told me he hadn't had a bite in three days . . . so I bit him! But seriously, folks . . .

How come a minute ago you were a **tongue-tied goof**, and now you break out in **old Henny Youngman routines?**

YOU'RE looking for consistency?! Must I remind you of the "**wet-clothes—dry-clothes**" fiasco in the opening scenes?!

Let me read you a **story** I wrote . . . "The sun vomited up daylight on the Earth . . ."

Boy, you **really** know how to turn a girl on! Come in here with me . . .

Are you making **advances** to me?

No, I'm **stark naked** under here because I'm going shopping for bagels and lox at the **Deli!** Boy—you're some **dummy!**

I—I really think we'd enjoy **TALKING** more!

Oops! Sorry! How **clumsy** of me . . .

Kiss . . . kiss . . . kiss . . . and stuff . . .

You were right! Talking **WOULD** have been more fun! You're a **lousy writer** . . . a **lousy lover** . . . and a **lousy Henny Youngman!** Good-bye!!

Where are you going?

For a walk!

Wait! I'll go with you! I'm also a **lousy walker!!**

Wow! That girl is **UGLY!**

And that guy is making an **ass** out of himself!

They **both** make me sick!

I hate the sight of them!

Listen, you guys! Do me a favor and **&%\$# off!**

You really shouldn't talk like that to them!

Why?! Who are they? **Film critics!**
