Some time ago, a promising young film star rose to new heights portraying a brilliant Italian-American college graduate who takes over a huge criminal empire. Now, more than ten years later, this same film star sinks to new lows portraying a sick, amoral Cuban junkie who takes over another huge criminal empire. In real life, this would be called "degeneracy." In Hollywood, this is called "progress." Anyway, here's our version of—

SCAR

Thisss Miami iss a terrible place! Jus' look at what our countrymen are doing to each other here!

Iss much worse OUTSIDE the camp! I saw twenny-two AMERICANS killing each other! Ugg! What blood an' violence...!

I said I had BEEG dreams, Bebbie...!! I never said I had TER-RIFIC ones!

Iss all set, Toadie! Rank Lopizz says he weel spring us from here! All we gotta do iss ICE one of his ol' enemies...!

Man, in Cuba, they lock-ed us UP for killing somebody! Here, they're gonna let us OUT for killing somebody! I tol' you America iss GREAT!!

They say that Fidel Castro emptied his Cuban jails of the worst criminals and shipped them here to Miami Beach...!!

There goes the neighborhood!!

WRITER: LARRY SIEGEL

Hey, Man! We're here to deliver the money for the coke pickup!

Juss a minute, Man! We ain't finished with the delivery boys ahead of you!!

Hoo-hah! I guess this means they don't tip!!

Remember the good old days... when kids used to eat CAKE at birthday parties, instead of sniffing coke?!

Well... at least they still hire CLOWNS!!

YOU?!?
But,
Toadie!
You
KNOW
that's im-
possible!

Okay!
Okay!
I'll

tion! We're here because
we just love to shoot!!

Well... it
looks as if
he died where
he wanted to
... in his
bubble bath!

Yeah! But at least he
seems to be showing
some remorse for the
inexcusable life he
led! Hear him crying?

He's not crying! He's
still sniffing coke!
I hear that in extreme
cases of addiction...
death is not necessar-
ily a final deterrent!

Look at that big, ghastly
scar on his face! I can see
where he got his nickname!

If you think THAT scar
is ugly, wait till they
look up his NOSE!!

We're used to what's "missing" on TV shows today, since invariably we're talking about *intelligence*, *taste*, and *humor*! (Yeah, we know, the same thing can be said about *Mad Magazine*!) But there's a show that's missing *something else*—mainly, the *main character*! Hoo hah! That's right! It seems that this gal thinks she'd make it better in the male-dominated world of private Eye-ism if she was a guy, so she invents one, but then some boob shows up and says he's him and... oh, *forget it*! If it's *that* important to you, you should see the show, or *better yet*, read *Mad's* version of...

REMININGTON STEAL

WRITER: LOU SILVERSTONE

ARTIST: ANGELO TORRES

Will you help me, Steal?

I'll give it a try, but all I have is Elmer's Glue...

No, I mean will you take my case?

Of course! Now relax. With Remington Steal on the job, I assure you, you're in **no danger!**

Mr. Cosgrove, there's a phone booth down the street! As a safety precaution, I want you to go there and call me up...

I don't understand! Why will I be safer there?

You won't be, but I'll feel a lot safer here with you out of the office!

BLAMM BLAMM !!

How was your wife killed?

Her head was smashed in with a bat!

That's not cricket...

No, baseball!

Ah, murder most foul...

More like humor most foul!

Special delivery for Mr. Cosgrove...

WANTED
A GOOD PLOT!!

ODDS: MACBETH BY 2

Alright, mate, whom do you work for?

The government!

You mean the CIA?

No, the Post Office!

I think he's telling the truth—this letter took 4 days to get cross town!

I'm terribly sorry...

Do me a favor, lady, next time call **Federal Express!**

Only one person knew Mr. Cosgrove was here—our killer! No doubt this is a **letter bomb!**

But Mr. Steal...

Shall I call the **Bomb Squad**?

No need for that! I'll simply immerse the bomb in water, rendering it harmless!

Mr. Steal, I told the insurance company to send my wife's check here. I thought it would be safer. You just flushed 2 million dollars!

Wow, talk about your **royal flush**!

BATHROOM HUMOR
— AN AMERICAN STANDARD

Two million! Chum, you didn't get a piece of the rock, you got the whole bloody mountain!

I know it's a lot, but there was a clause in the policy that paid **quadruple** if my wife was killed by having her head smashed with a bat!

Mr. Cosgrove, your cup doth runneth over...

Thath, not all thath runneth over, thtupid!

When I took this job, I thought I'd be flushing out **criminals**, not **toilets**! Boy, you'd think a classy outfit like this, with a suite of offices, a chauffeur driven limo and a boss who has a bigger wardrobe than Princess Di, could afford more than **one girl Friday**!

MIND YOUR P's AND Q's TOO

Perhaps we ought to check your car for any **explosive devices**...

You'd better let me handle this!

Miss Dolt, an automobile is a complex, sophisticated piece of machinery! What is needed here is a **deft, masculine touch**! Ah, how does one open the hood?

Pull this lever, macho man...

PARK AND LOX

Aha, here is your **bomb**...

That's the **distributor**!

This is the **bugger**! Sound the **all clear**!

That's the **carburetor**!

Mr. Cosgrove, I can definitely assure you that there are **no explosive devices** in your car! It's perfectly safe to drive!

Well done, Mr. Steal! You're so **brave** risking your life to make sure there wasn't a bomb in the car...

A bomb would have done a lot **less damage**!

Mr. Steal, the killer struck again...

What happened, did he blow up another Muppet doll?

No, a man was **poisoned**! I poured myself a glass of Perrier and one of the guests drank it by mistake and **dropped dead**...

Look at the bright side—that **eliminates** one suspect!

Make that two suspects, Mr. Steal, there's been another **shocking murder**—he turned on the TV set and was **electrocuted**...

Perhaps he was simply **bored to death**! Have you seen any of the **new shows** this season?

AAIEEEEE!!

It's Mr. Cosgrove! He's been **murdered**!

I really hate **losing clients**, especially **before** they pay their **bill**!

Moldread, would you kindly bring the **surviving** guests in here?

You are all aware that our host, Mr. Cosgrove, two guests, and his wife—were **brutally murdered**!! You all had motive and opportunity, but only **one person** was in the room when Cosgrove was killed! **Irving Mulchpile**, I accuse **you** of the murder! Don't pretend to be **sleeping**...

Steal, he isn't **sleeping**! He's **dead**! He's the man who was **poisoned**!

Hmm...of course—I was just trying to catch the real killer **off guard**! My assistant, Miss Dolt will now take over...

Thanks alot! I have an idea! Moldred bring in the **dogs**...

Surely you don't think the **dogs** did it! How could an animal swing a bat or stab a man?

On **NBC** **anything** can happen!

Notice how the dogs ran right to the **maid**!

Ah, yes—perhaps it's because she bears a striking resemblance to **Lorne Green**!

So does Mouldred, but they didn't go to **her**! They went to the **maid**! Why?

But this **really** isn't the maid—it's **Mrs. Cosgrove**! She murdered the maid, smashing in her head to make her **unrecognizable**, then she changed clothes with her! It was an **insurance fraud** scheme—and her **husband** was in on it!

Of course! He **faked** those attempts on his life to **eliminate suspicion**!

Yes, but Mrs. Cosgrove pulled a **double cross** and killed him!

There's a lot of that going around! Probably has to do with the **feminist movement**!

Very clever indeed, but not clever enough to fool Remington's **Steal**! Hey! Uh, Lura, how did **we** solve this one?

Simple, Simple-minded...

Remember when, Mr. Cosgrove said his wife was the **only one** who could keep the **dogs** quiet? Well, they were in the room when he was stabbed and they didn't **bark**! So it had to be Mrs. Cosgrove!

Boy, if she had a **cat** for a pet instead of those mangy **mutts** this would have been the **perfect crime**! Lura, you really are a **fantastic detective**...

Then how come I can't find out your **real name**?

Where's the car?

I sent it away! I told the chauffeur to return in the **morning**...

Smashing! You know, of course, there's only **one bed** in the guest room...

I know, I know!

I didn't bring my **jammies**...

I never wear any...

I **brung** mine!

Wow! We never had neat **slumber parties** like this at the **IRS**.

Once upon a time, there lived a nice Jewish girl from Brooklyn who could sing really terrific. One day, she read a story about another nice Jewish girl from Eastern Europe who dressed up like a man to study the Talmud. And the nice Jewish girl from Brooklyn immediately decided that this story would make a fantastic movie which she could produce, direct, write, sing and star in. What she ended up with was "Tootsie On The Roof." Because any girl who thinks she can be "convincing" as a man just by cutting her hair short and strapping her breasts to her chest has got to be a bit—

MENTL

ARTIST: MORT DRUCKER

WRITER: ARNIE KOGEN

That's Hadassa, my Fiancee! She'll make the perfect Jewish wife! She's rich and beautiful—and she waits on me hand and foot!

But she's so quiet! She hasn't said one word all during dinner!!

Thank God, with her wealth, she doesn't have to!

Eat... EAT everybody! Finish every drop! There are children in America who are starving!

Put away the books, Anschure! Now it's time to relax and frolic!!

You relax and frolic! I'll just sit here and tense up!

No! I'm not sure what the Talmud says about "skinny dipping"!!

Must you always talk Talmud?? Can't you ever have any FUN?!

As the Director of this movie, I've RE-SHOT this scene ten times already! You don't think I'm having fun?

What is this feeling? My heart is reeling! My thoughts were sacred Till I saw him... Stark naked!

Should I be mingling? Why am I tingling? Oy, what a plight To be a Talmudic... # Transvestite!!

I've got bad news and good news! The bad news is: Hadassa has broken off her engagement to me! The good news is: I've decided to let YOU, my best friend, marry her in my place!

And I'VE got good news and bad news! The good news is: Yes, I'll marry Hadassa for fear of losing you! The bad news is: By doing so, I'll be breaking the ELEVENTH COMMANDMENT!

But, there are only TEN Commandments!!

You mean you never heard of "Thou Shalt Not Dream Up An Unbelievable Movie Plot!"...??

Avadorable, I'm really worried about Hadassa!

Why? What about her?

I hear she's marrying me for my looks!!

You're acting so strange, Anschure!

What would YOU call asking ME to carry YOU over the threshold...?

Well... try to relax, Anschure! Remember... I'm your Bride, now! You can do with me what you will!

AM I...?

Did I do that? I guess I'm a little nervous!!

THERE! How was that for you? Did the Earth move??

But... all we did was read the Talmud!

Right! And you're the first girl I've ever done that with! And something else!! We finished **TOGETHER!**

I'd like a cigarette!

A cigarette...?! A Jewish girl in 1904 smoking a cigarette?!

It's my **HONEYMOON!!** I'd sure like to do **SOMETHING** exciting!!

So...? How's it going with the Newly-weds?

Well, Avadorable... I certainly do not possess the exciting **PHYSICAL** magnetism that you have, but I've awakened other... more **RELIGIOUS**... interests in Hadassa!!

I would like to say a **PRAYER** for the **DEAD!!**

Huh? Who died?

Our **SEX** LIFE!

So... now you know my secret! My name is **NOT** Anschure! It's **MENTL!** And I'm not a man... I'm a **WOMAN!**

And all along, I thought you were a **SOFT BOY!!**

You're **gawking!** Have you never seen a **naked woman** before?!

Well, as the **Pro-ducer**, I want this to be a **PG** movie!!

Not quite like **THIS**... from only the **SHOULDERS... UP!!**

But **ME** you filmed in the **BUFF!** Boy, talk about **SEXISM!**

MAMMARIES... LIGHT THE CORNERS OF YOUR MIND #

You'll be happy with Hadassa! She'll **cook** and **clean** for you! I could **never** do that!

I'll be going to a **new** place where I've heard things are **quite different**... where some-one like **me** will fit in with **no problems!**

What about you, Mentl?
