BAT, ME WORRY?

I am about to have my Bat-Mitzvah. Before I do, I must do acts of kindness I wouldn't usually do. I have given my time to charities, but I realize that you are in need of an act of kindness as well. Here it goes — I just want to thank you guys for making me laugh. I appreciate what you do. Thank you!

Madaline Goldstein, Woodside, CA

Solid Goldstein — First off, congratulations on becoming a woman. Secondly, your thanks are all well and good, but where is OUR invitation to this party? Nothing says "thank you" quite like an open bar, hot buffet and the hilarious injuries that result from elderly relatives doing the Electric Slide! Nonetheless, we are going to be a sport about this by giving you a traditional Bat-Mitzvah gift! It's a pen — hope we didn't ruin the surprise! Please send us a picture of you holding the pen at your party so we can run it on a future Letters Page. Bango and L'Chaim! —Ed.

HIDE AND FREAK

I am writing to thank you for wonderfully corrupting my mind with MAD. I have one question: do you have any good tips on how to hide MAD in class while reading it? So far, the book, notebook and even the good old read in the lap has failed and resulted in the loss of four precious magazines. I need help! Do you know any good disguise techniques?

Collin Armfield, Augusta, KS

Collinoscopy — First, we want to say that school is not the place to read MAD. School's for learning, and MAD should be enjoyed during your free time. That said, you'll have much more free time to read MAD if you just drop out of school. Think of it — all day, every day to read and re-read all your issues! And don't listen to your nagging parents and guidance counselors — there are plenty of great jobs to get with even just a grade school education. Just ask our editorial staff! —Ed.

ANTIQUES FREAKSHOW WITH HANS BRICKFACE

This is a picture of a Pinocchio bank. This Pinocchio bank was bought by my dad for \$10 for my oldest brother David Jr. in Disney World in Orlando, FL in the early 70s. I hope this \$10 Pinocchio bank has skyrocketed to maybe even over \$1,000!

Brian Dunlop, Long Island, NY

Over and Dunlop — This certainly sounds like a job for our own Hans Brickface. We tore him away from his afternoon session of Spin-Bo (it's an exercise of his own creation — it combines Spinning and Tae-Bo) long enough for him to appraise your collectible.

You're in luck! Decapitated heads of certain cartoon characters are red-hot right now! For example, a ceramic representation of the severed cranium of Quick Draw McGraw is worth \$1,500 — and climbing! Your Pinocchio's value is somewhere in between the disembodied skull of Magilla Gorilla and the torso-less Grape Ape. Not a bad return for just 30 years' time!

Hey readers! If you have an offbeat item that you want Hans to look at, send in a picture and a brief description to: Amy "The Big Appraiser" c/o MAD Magazine, 1700 Broadway, New York, NY 10019.

THE ED.'S NIFTY FIFTY™

It's time again for the Nifty Fifty™, our little wish list of the 50 people we'd most like to see photographed with a copy of MAD! If we print your photo of the celeb holding an issue, you will receive a fabulous three-year subscription and a special secret surprise! (Sorry, photos cannot be returned.) So get out there and start harassing those celebrities today! And of course, we still want regular Celebrity Snaps as well!

MAD CELEBRITY SNAPS

Trevor, sultry Jason Mraz and Kyle

I've been a subscriber for over two years now. Recently Jason Mraz came to Denver, CO for a concert and I met him when he came to a Boulder radio station to do a live show. I waited in the station's lobby and got an autograph and a snapshot of him holding up a copy of MAD with my brother Kyle and me.

Trevor Doner, Erie, CO

Finding Trevorland — Thanks for sending in your snap of our favorite hat-lovin' pop star. We once waited at a radio station for our favorite band to show up, however, Nicaraguan singing sensation, Los Abogados, snuck out the back door! Those swine! Thanks again! You Mrock! —Ed.

IT WAS THE WORST OF THE TIMES

We're used to seeing Spy Vs. Spy on the pages of our own shoddy rag, but when it starts appearing in respectable rags like the January 31st edition of the *Los Angeles Times*, we know the world of publishing is in deep, deep trouble!

The Big Easel

I am just another fan with a picture of how bored he was. I made this out of glass and plaster with a wood back. It was made in art class and took like five weeks (I hated that class).

Josh Davis, Pinkney, MI

Josh's
class project

THE GAMING OF THE LEWD

I am a Spy Vs. Spy freak. When I saw the Mountain Dew commercials, I ran around my house jumping for joy. So when my brother told me that there was going to be a Spy Vs. Spy video game, I stripped butt-naked and ran around my house jumping for joy! I had to get my hands on this game. Please tell me when this game is coming out. Otherwise, I won't be able to torture myself by counting the days until it hits stores.

Galen Egan, Hamden, CT

Ten-Galen Hat — First off, we're not sure why your excitement resulted in you being "butt-naked." The good news is, by the time you read this, the game should be in stores. So it is quite possible that you already own a copy. However, since most video game sellers have a pretty strict "No shirt, no shoes, no service" policy, you're never going to get a copy of the game until you put on some freakin' pants! —Ed.

ONE THING READS TO ANOTHER

My daughter, Francesca, turned five in December. Is this a good time to get her started reading MAD? Is there a recommended beginning age for young MAD readers?

Chris Arrieta, Fredonia, NY

Now is the perfect time to start young Francesca on MAD! In fact, most MAD fans read at a four-year-old's level anyway, so she's already way ahead of the curve! —Ed.

Josh Kidding — We decided to follow your example and crafted a response to your letter using glass and plaster with a wood back. Here's the result — enjoy! —Ed.

If you've created Alfred out of unusual art supplies or offbeat materials, send in a picture of it to: Amy "The Big Easel" c/o MAD Magazine, 1700 Broadway, NY, NY 10019 and we might print it in a future issue!

Make A Dumb Wish Foundation™

I have a wish for the *Make A Dumb Wish Foundation™*. I would like to be the subject of a MAD Fold-in by Al Jaffee published in MAD. I enjoy all of Al Jaffee's MAD Fold-ins and it would be fun to see myself cleverly "folded" by Al. Enclosed is a photograph of myself.

Jim Hutchings, Ontario, Canada

Much Ado About Hutchings — Usually, we love making the dumb wishes of our readers come true. But in this case, it's just impossible. We checked with Al, and he told us in no uncertain terms that, after what happened last time, he would never draw a Canadian! But hope is not all lost, Jimbo. Because we "enjoy" your avalanche of Envelopes of the Month, we are making you this month's MAD Fan of the Month. We do have one question — where in the world was that photo taken? Are you atop Mt. Everest? Have you died and gone to heaven? Thanks and congratulations! —Ed.

Canada's Jim Hutchings, eh?

ENVELOPE OF THE MONTH

This month's Envelope of the Month was sent in by Steve Potter of Cedar Falls, IA. Congratulations, Steve! And here's more good news — because you hail from the good ol' U.S. of A, Al Jaffee just may decide to draw you into one of his Fold-ins! Again, tough break, Jimbo! —Ed.

FROM MICHAEL JACKSON'S LATEST VIDEO MESSAGE TO THE WORLD

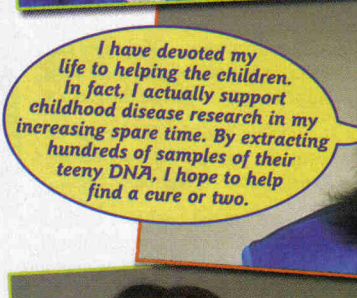

I'm using this website to get my message directly to the people, away from the scurrilous media assassins. I'll also be spreading my message later tonight on AOL Pre-Teen Chat. My screen name will be "SpongeMike NoPants."

In recent days, you have heard vile allegations of my drugging seriously ill children, that I abused them, and that I paid their parents millions to pimp out their kids while refusing to cooperate with investig...um...so, does anybody want to see me spin-dance?

The second-hand rumors that you've heard about me were maliciously spread. There's nothing I hate more than a person who spreads rumors. I wonder if they came from that boy's mother, who's very unstable and has a history of frivolous lawsuits and shoplifting!

I have devoted my life to helping the children. In fact, I actually support childhood disease research in my increasing spare time. By extracting hundreds of samples of their teeny DNA, I hope to help find a cure or two.

I will not place myself in a vulnerable legal position ever again. Effective immediately I'm imposing a strict two-drink maximum for any boy who visits my ranch and spends the night in my bed.

AND THEN THE GUY GOES, "THAT DEPENDS. EXACTLY HOW TALL IS THE ALTAR BOY"

GRAPHIC NOVEL REVIEW

Marvel Comics \$14.95

By Chris Carebear and Frank Quitterightly

Snikt! Slash! Gaaahhh!!! What superhero fan hasn't felt the rush, seeing their favorite X-Man unsheathe his adamantium claws, lunge forward and dish out some gory retribution as only Wolverine can? He's the most bloodthirsty Canadian mutant not on ice skates. However, brightly-inked mayhem like that is only the first chapter of the X-story.

What happens after the carnage is complete and the X-Men jet off to their next battle? Who sweeps away the rubble? Who scrubs the eyeblast residue off the driveway? Who squeegees up the bloody slop?

Marvel first attempted to answer these rarely-asked questions in the late eighties and early nineties in a little-read series called *Damage Control*. Though, as best we can tell, no one is still begging for an answer to these rarely-asked questions, Marvel is once again attempting to answer them in a new graphic novel, *X-Custodians*, which takes its place among the dizzying barrage of *X-Men* titles being cranked out by Marvel Comics' marketing department on an hourly basis: *Ultimate X-Men!* *Astonishing X-Men!* *New X-Men!* *X-Treme X-Men!* *Uncanny X-Men!* *Omnivorous X-Men!* *Bi-Curious X-Men!* *Translucent X-Men!* *Lactose-Intolerant X-Men!*

Specially hired by Professor X to maintain the grounds of the X-Mansion, X-Grounds, X-Dormitories and X-Sauna, this sleek, tough squadron of super-scrubbers, themselves mutant outcasts from the *Damage Control* team, is always one step behind the world's most powerful outcasts. Their role is vital to the series. Otherwise, having each new comic begin afresh, as if the place hadn't just been completely demolished one issue previously, would seem implausible.

Armed with the most advanced mops, dustbusters and futuristic solvents, the X-Custodians do the dirty work of the superhero world. After Nightcrawler stinks up the area with his sulphuric transportations, the X-Custodians are on the scene with some Airwick. They're the ones who have to use those little sticky-rollers whenever the Beast sheds blue fur on the upholstery. And when Magneto uses his powers to encase half the students in metallic sheaths, a few barrels of Rust-Oleum keep the helpless victims looking spiffy until their lives can be bartered.

We warily recommend this book, but only as a change of pace. If you're looking for all-out intergalactic superhero action, it's frankly not much. The sequence in which the X-Custodians painstakingly remove several tons of sandy grit from the drapes of Professor X's office is beyond thorough, and gets monotonous 15 pages before it ends. Still, for instructions on how to remove intestinal splatter from ceramic tile grout using nothing but Q-tips and a lime, it's invaluable.

MELVIN & JENKINS' GUIDE TO PARTYGOING

Jenkins is a little self-conscious at parties sometimes, but knows that if he wants people to talk to him, he's got to mingle.

Melvin spends the entire night lurking under the pile of coats in the bedroom, in case anybody comes back there to "do it."

Yeah, they sure are a pair of beauties! Wait, what do you mean move the Grammys out of the way so you can see them better?!

And finally, I'd like to thank the artist Christo. This dress wouldn't have been possible if he hadn't loaned me half the fabric from his Central Park exhibit!

You got the picture? Good, now hand me back my turkey leg!

Man, the last twenty years have been harsh to Devo!

What are the odds? They're all blind, yet they all managed to pick out the exact same outfit!

I respect the 60 Minutes crew wanting to spiff up their image, but...

Who thought the "James Bond Villain" tribute band would win anything?!

Oh, I'm not presenting or anything - I just wanted to announce to everyone that I'm boinking Penelope Cruz!

PLANE NONSENSE DEPT.

There's a new show about a passenger plane that crashes on a deserted island. Looking at the collection of moronic survivors begs the question — how many annoying, pathetic losers could possibly be on one single flight? Sadly, the answer is...

LOTS

Ladies and gentlemen, this is the Captain! Since some of you *did not* sit down and fasten your seatbelts when I asked, I've decided to teach you all a lesson. I've put the plane into a tremendous dive which is causing it to break apart! Now we'll crash and everyone will be killed! Let's see if you pay attention to my announcement *next time*!

There is no need to panic! The other stewardesses on this airplane are panicking for you! Please remember that often, in plane crashes, not everyone dies! So as the plane falls to pieces, I want each one of you to tell us a little bit about yourselves! Then I'll pray that the more interesting folks aboard survive! In case they make this disaster into a TV series, it would be good to get rid of the bores on impact! Now we've got this page and the next page before impact, so let's hear those background stories! And make sure they're interesting! Your life depends on it!

I'm Hack, a doctor, and I'd be a big help in tending to the wounded in a major plane crash like this will be! Also, I look pretty decent with my shirt off and there'll be a lot of that kind of thing if we crash on a deserted tropical island! So I'd like to be on the survivors list, please!

I'm Sorehead! I'm hot-tempered and always ready for a fight! So far today I had fights with my cab driver, the guy who checked my luggage, the ticket agent, the stewardess and my two seat-mates! And if I don't survive this crash, the next fight I pick is going to be with God! That's a warning, God! I better live through this!

나는 큰소리로 말할! 나의 남편은 나쁘다!
나에 의하여 그가 죽는 고가 기도한다!

TRANSLATION:
I can't say anything out loud because my husband is a jealous, resentful, male chauvinist pig! That said, I am still praying for him! Praying he's among the first to die!

나는 아주 질투한다! 그러나 나는 명예를
믿는다! 우리가 부수면, 나는 것이이다!

TRANSLATION:
I AM a very jealous man! But I am also a very proud man who believes in honor! So if we crash and I find my wife's dead body next to another man's dead body, there'll be hell to pay!

I'm Scare. I'm sweet and gentle and agreeable to just about anything. Maybe *too* agreeable! That's why I'm unmarried and pregnant! But as young as I am, I know I'll be a responsible parent! Now, where is the stewardess with the liquor cart? I'm down to my last three mini-bottles of scotch!

I'm Mate and you'll notice that I'm handcuffed to the guy on the right! Is he a marshal taking me to prison? Naw, I'm just kinda kinky and I love a bit of bondage! However, I'm also handcuffed to the guy on the left! He is a marshal and he is taking me to prison because I'm a felon! But I'm a felon with an explanation!

I'm Sorry, a faded rock star! I'm a two-time loser! First, I found myself washed up with my rock band! Now it looks like I'm about to find myself washed up with the debris of this airplane!

I'm Roche, the strong, silent type! But for the next few minutes, you can forget the "silent" part —
HEEEEEEEELLLL-LLLLPPPPPPPP!
I don't wanna die!!!!

I'm Chubby, the traditional overweight character with a sense of humor that you find in every disaster story! Even in a catastrophe, you'll find I can bring a smile to your face! Unless, of course, I land on top of you on impact!

TELL ME, JOEY... DO YOU LIKE GLADIATOR MOVIES?

I was very high up in the Iraqi Republican Guard Intelligence Department! My job was to hide our weapons of mass destruction and I did a hell of a good job! Sure, the Americans found the high-strength aluminum tubes we hid, but they never found the giant peas we were going to shoot out of them! I saw to that!

People say I'm shallow and I'm self-centered, but I say that's not true! As a matter of fact, I have decided not to be a part of this crash! All those people on this flight can fall to the earth in a big mess if they want to! But me... just leave me up here! I choose not to be involved!

I'm Boom, Shallow's brother! I care for my sister, but we fight all the time! I think it's because she's jealous! I'm the one in the family who was blessed with a second expression! She only has one! And that's one's blank!

I'm a divorced father and I just gained custody of my 7-year-old son! I was taking this trip so I can get to know my boy Jimmy better. I just pray we both survive!

My dad's got a lot to learn! First of all, I'm 9! And my name is Wait! I just pray we both survive! And by we, I mean my dog and me! My dog never abandoned me!

BABY ON BOARD

NEO LIVES

TORTURE

This is some strange place!

I know what you mean! It's a tropical island, but I just saw a polar bear!

I saw it too! What could be stranger than that!

What could be stranger than that is that we crash landed on a deserted island, and they're still making everyone go through customs!

Weren't you in a wheelchair at the airport when we all checked in for the flight?

Yeah, that was me!

But now you're walking perfectly normal! Do you think there's some mysterious power on this island that gave you the power to walk?

Not really! It's the absence of spies from the insurance company that gave me the power to walk! Now I don't have to pretend I need to be in a wheelchair in order for them to keep paying me on my phony insurance claim!

Ladies and gentlemen, we are about to start our food service! Your choices today are Leg of Larry, Steve's Ribs, or Cream of Clara! If we run out of the person you selected by the time we get to your rock, please accept our apologies! And since we don't have a movie to show, it would be nice if some of you could share your flashbacks while the food is being served!

You're pregnant with a very special child! You must not let anyone raise your baby but yourself!

Oh, my God!

I know that's shocking news! It must have surprised you!

No, what surprises me is that the impact must have been so great, even our flashbacks got mixed up!

I found a transmitter in the wreckage!

That's great, Sad! It works?

It didn't work at first! But then I found a brand new one! So I took spare parts out of the new one, and used them to fix the broken one!

Why didn't you just use the new one? Who are you? The Iraqi MacGyver?

Sounds like our Iraqi friend here used to be an auto mechanic! Take the longest, most expensive route possible to fix anything!

CAN YOU HEAR ME NOW? ... GOOD!!

If we can get a signal out from the high ground, someone might pick it up!

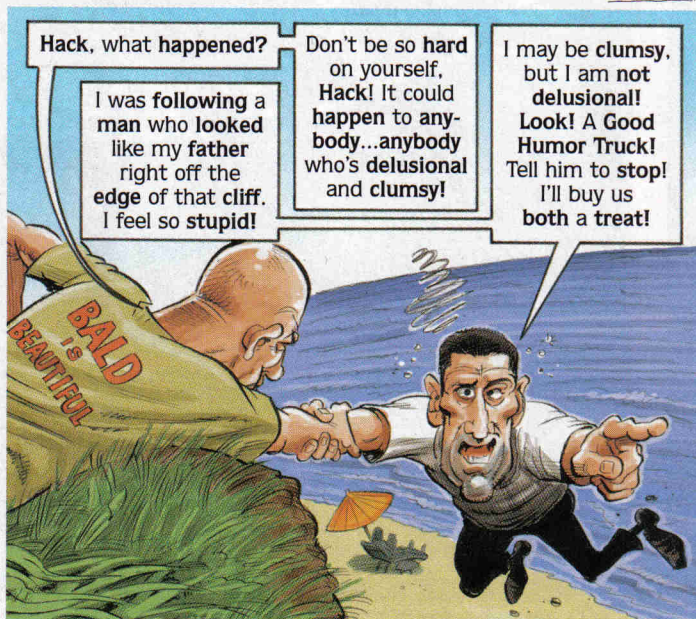

Great! Let's pray it works!

You better pray it doesn't work!

Doesn't work? Why would you say that?

We could be 10,000 miles from civilization! Do you know what the "roaming charges" will be if you make a connection? Are you going to pay them? Because I sure as hell won't!

Hack, what happened?

I was following a man who looked like my father right off the edge of that cliff. I feel so stupid!

Don't be so hard on yourself, Hack! It could happen to anybody...anybody who's delusional and clumsy!

I may be clumsy, but I am not delusional! Look! A Good Humor Truck! Tell him to stop! I'll buy us both a treat!

It's kind of you to stitch me up, Mate! It must not be pleasant!

Hack, I have to tell you, I'm stuck on you!

That's nice to hear, Mate, but there's too much going on here for me to get romantically involved now!

That's not what I meant! I'm stuck on you because I sewed my finger to your back while suturing your wounds!

Hack, we've got to make a list of everyone who survived the crash! That way we'll know if anyone is missing!

We also need the list so we can sort the mail when it comes!

The mail? We're thousands of miles from where we should be and you think we're going to get mail?

I already got my Visa bill here! When those sleazebags want their money, nothing stands in their way from finding you!

Excuse me, sir, where are you going?

Behind that tree! You know, answering the call of nature!

I'm sorry, but this tree is reserved for our First Class passengers only! The bushes over there are for our coach passengers! And here's our in-flight magazine!

I don't feel like reading!

They're not for reading! There's no toilet paper on the island!

How come you're in control of the island's supplies?

You got a problem with that?

Yes, I do! You rounded up everything that people need, and if they want anything, they have to come to you! Why is that?

Because I used to manage a Wal-Mart! That's how we do things! Get used to it!

Look at all those books! *Castaway*, *The Twilight Zone*, *Lord of the Flies*, *Robinson Crusoe*...You were lucky to think to bring a lot of reading material on the flight.

Oh, these books aren't mine! I found them! They belong to some guy called J.J. Abrams! I don't know who that is!

You should! He produces this series!

I thought a lot of the stuff in our scripts sounded familiar! He's more of a re-writer than a writer!

Ladies and gentlemen, this seems like a nice place for another flashback! Any volunteers? Mr. Rocke, you've been very quiet! Do have an interesting flashback to share?

I do! It takes place at the cardboard box factory where I work!

I have a much more interesting flashback! Mine takes place in a hospital! My father is one of the surgeons and he's drunk!

Bingo! We have a winner! Roll that flashback!

It's over, Hack! The patient is dead!

The patient is dead because you screwed up, Dad! You're a drunk! The nurses told me to take over because your hand was shaking badly!

So I had a few drinks at lunch! And a few at breakfast! But my hands were not shaking! Look at that incision! One continuous straight cut through the skin!

Yes, but that's the nurse! The patient went into cardiac arrest and died!

This will be the fifth time this week I had to console the relatives of a dead patient by telling them, "This kind of thing has never happened in this hospital before!"

Everyone! I picked up a mayday signal!

Good work, Sad! That's incredible news!

Not really! The mayday signal I picked up has been playing over and over for almost 17 years!

17 years! And I thought 911 was slow to respond!

Well, if it isn't the big hero Iraqi soldier flat on his ass! Trip on your own shoelace?

We're not alone on this island! I was taken prisoner by a French woman! I got away, but she tried to electrocute me!

Really? I don't see any burn marks on your skin!

Well there's no power on this island, so she used two AA batteries on me! But I didn't tell her anything! Good thing she didn't have a 9-volt battery handy or I would have cracked!

And now here are today's headlines! There were 48 survivors on our deserted island, but somehow now there are 49! That means someone on this island wasn't on the airplane! But Scare has disappeared, so we're kind of back to 48! But she's pregnant, so that brings us back to 49! And Hack still keeps seeing his father! That makes us an even 50! And—

Sorehead, what are you doing with that rock?

It's a primitive version of a remote control. Watch me shut that TV off by bouncing this rock off Chubby's head!

I caught the person who wasn't on the manifest! I bet you're the one who's been systematically killing us off! Tell me why, or I'll slit your throat!

I'm Ether! I was hired by ABC to bump off as many of you as possible!

Why would ABC want to kill us off? We're a hit show!

And that's why! A cast of 48 people on a hit show equals one hell of a payroll! They want to make sure you don't do what the cast of *Friends* did over at NBC — band together and demand one million dollars per episode! By the end of this season, half of you are dead and gone!

As the NBA limps towards another lackluster postseason, Commissioner David Stern must be wondering what can be done to salvage the wreckage of his league. Attendance and TV ratings are down, ticket prices and salaries are up and the players are committing felony assaults on the fans. (And those courtside mascots are as annoying and lame as ever!) Everyone agrees that the Commish should take strong action, so he'll probably want to consider these...

9 SUREFIRE WAYS to Improve the NBA's LOUSY IMAGE

Any fan who's brutally assaulted by an out-of-control player will receive 10% off his next soft drink.

To bring moribund shooting percentages and scoring back up, make the rim just a teensy bit wider.

Any player who sacrifices valuable practice time to pretend he's a "rap artist" must be pulled aside and reminded that the best album in NBA history is *Shaq-Fu: Da Return*.

Make a subtle, but significant, switch: give the fans 48 minutes of acrobatic trampoline dunkers, separated by a ten-minute halftime of plodding, sloppy basketball.

To fill half-empty arenas, offer free tickets to anyone who's ever been spit on, cursed at or impregnated by an NBA player.

Mimic the strong fundamentals and teamwork of the WNBA — just, you know, don't use women, so people will watch.

Introduce a new, more relevant set of infractions, including...

Pointless
trick dribble!

Blatently
transparent
attempt to make
SportsCenter!

If a player's going to have cornrows, at least have them say something constructive for the kids.

Liven up those boring uniforms by making international players wear their homeland's native garb.

MONROË and... PAINTBALL

YOU GET THAT FROM YOUR MOM.

OKAY KIDS. UNFORTUNATELY, WE HAVE TWO BIRTHDAY PARTIES BOOKED FOR THIS TIME. RATHER THAN FORKING BACK YOUR PARENTS' DEPOSITS, YOU'LL BE FIGHTING EACH OTHER.

WHAT? WHO'S THE OTHER PARTY?

OH, MAN, NOT STEVE PAGNOTTA. I CAN'T STAND THAT DUDE.

CHANNEL THAT ATTITUDE INTO YOUR RIFLE SCOPE, SON.

HAPPY BIRTHDAY, MONROE. I GOT A CAR FOR MY BIRTHDAY. WHAT DID YOU GET, A BIG WHEEL?

HEY! SO SAD.

I THINK HE STOLE THAT FROM BRAVEHEART.

SO, SIR, WHAT'S OUR PLAN?

BEGIN THE KILLING!

HOW ABOUT... RUUUUNNN!

YOU'VE GOT US PINNED DOWN, SIR. WE NEED TO RELOCATE.

I'LL STORM THAT HILL, SIR.

WALTER, THAT'S VERY BRAVE.

ACTUALLY, I NEED TO HIT THE HEAD. ALL THIS TALK OF WAR HAS GIVEN ME A NERVOUS STOMACH.

THAT'S SOME BAD SOLDIERING, PRIVATE.

OKAY. I HAVE AN IDEA. I LEARNED THIS FROM HALO 2.

FINALLY, HE'S MAKING SENSE.

HENDRIX, TUG, BROOKLYN, YOU THREE HEAD UP THAT FLANK. ON THREE... TWO... GO!

YOU SUCK, DUDE! IS THAT HOW IT TURNED OUT IN HALO 2?

ACTUALLY, I THINK SO, BUT USUALLY I JUST HIT THE RESET BUTTON.

YOU'RE A REGULAR G.I. JOKE!

LOOK, EITHER YOU HAVE A PLAN OR PREPARE TO GET **FRAGGED**.

THERE'S THE FLAG RIGHT THERE. YOU CAN TOTALLY MAKE IT.

IF WE ONLY HAD A DISTRACTION...

TIME TO SCARE **JOE ISUZU** BACK TO YOKAHAMA!!

WHAT THE HELL?

I GUESS THIS WILL WORK. COME ON, MEN! THERE'LL BE NO FRAGGING TODAY!

AND ON THE OTHER HAND...

UH-OH!

SPLAT!

PLOP!

PLURP!

SOON...

OH, MAN! WHAT HAPPENED?

NEVER SEEN A SOLDIER TAKE SO MUCH PAINT.

THAT'S MY GRANDSON--
NATURAL BORN TARGET.

DID **EVERYBODY** SHOOT ME?

YEAH. IT WAS **AWESOME**. I MEAN...

YOU TOO, WALTER?

WELL, STEVE PAGNOTTA GAVE ME SOME OF HIS BIRTHDAY CAKE AND IT WAS KINDA FUN.

TERRIFIC.

WELL, ON THE BRIGHT SIDE, AT LEAST THE FIRE WAS FRIENDLY.

THAT WAS THE MOST UNFRIENDLY FRIENDLY FIRE I'VE EVER SEEN.

SORRY, **VIN DIESEL**, YOU AIN'T GETTING THAT PAINT ON MY VINYL SEATS. YOU CAN HOOF IT.

HAPPY BIRTHDAY, MONTE!

Every week *The Apprentice* ends with a contestant getting pink-slipped and told why he or she doesn't measure up business-wise — but never the one person who, week after week, consistently shows bad business judgement, makes embarrassing corporate decisions and, frankly, has one of the worst résumés in corporate history! This is an easy one. We're sorry, but...

For starting every season with 16 or 18 varied, multicultural contestants of both genders, only to pick as the winner another boring, corporate, brown-nosing white guy...

...Donald Trump,

YOU'RE FIRED!

For pretending on network TV that any real businessman in his right mind would hand over the reins of a major building project to some guy who won the job by selling four cups of lemonade in the middle of a city street...

...Donald Trump,

YOU'RE FIRED!

For being a dude with a zillion divorces, bankruptcies and/or mistresses who lectures contestants on "ethical behavior"...

...Donald Trump,

YOU'RE FIRED!

For continually claiming your show is the highest-rated show on TV, except for the seven other shows that consistently and inconveniently out-viewer you...

...Donald Trump,

YOU'RE FIRED!

For wasting sixteen weeks to impart such rare gems of Trump business wisdom as "Think big"... "Work well with others" and "Love what you do"...

...Donald Trump,

YOU'RE FIRED!

For subjecting America week after week to that moronic, gravity-defying, architecturally-unsound, can't-be-mocked-enough hairdo from no known period in coiffing history...

...Donald Trump,

YOU'RE FIRED!

...DONALD TRUMP YOU'RE

FIRED!!!

For encouraging every other annoying, charisma-deprived *Benefactor* and *Rebel Billionaire* to clog the airways with their own lame-o business reality shows...

...Donald Trump,

YOU'RE FIRED!

For being the only human in the history of planet Earth to own a casino that

LOST MONEY...

...Donald Trump,

YOU'RE FIRED!

For picking female contestants with pouty lips, do-me hair and big boobs and then chastising them for using sex to get ahead...

...Donald Trump,

YOU'RE FIRED!

For somehow convincing the world your nickname should be "The Donald" instead of more appropriate monikers like "The Dickwad," "The Deadbeat," or "The Debt-Ridden-Diddler-of-Beauty-Pageant-Rejects..."

...Donald Trump,

YOU'RE FIRED!

For criticizing others about "not thinking outside the box" when your sum-total marketing strategy involves pathologically slapping the word "Trump" on everything in sight...

...Donald Trump,

YOU'RE FIRED!

For mentally ruining that hip-cool "Money, Money, Money" song by forever linking it to slow-motion images of a certain white, middle-aged, bloated, funk-free, lard-ass pucker-squinting his way out of a gold-plated helicopter...

...Donald Trump,

YOU'RE FIRED!

For somehow making *Joey* the SECOND most embarrassing show on NBC Thursday...

...Donald Trump,

YOU'RE FIRED!

For unironically coming to the conclusion that it's perfectly reasonable for a bankruptcy-skirting, junk-bond-peddling, deal-reneging, contract-welching business-weasel to be the spokesman for Visa credit cards...

...Donald Trump,

YOU'RE FIRED!

SIGNS WE NEED IN

POST 9/11 AMERICA

It's the number one new drama of the season! Of course, when the competition is *Dr. Vegas* and *Jack and Bobby*, that's like being the smartest kid in the slow class! Still, there must be some reason that tons of folks have been tuning in to ABC on Sunday nights! Let's see, is it...brilliant writing? Nope! Great acting? Nuh-uh! Legions of fans wondering what happened to the dude who played the gay guy on *Melrose Place*? No, probably not! Maybe it's because just like the characters on the show, the audience is made up of a bunch of...

DISPA

Hello, I'm Scary Alice Young and I'd like to welcome you to **Hysteria Lane** — a sunny paradise where every lawn is professionally sculpted and maintained, although not as much as the housewives' faces!

As you'll see, the folks around here appear to be normal on the surface, but have little problems lurking underneath! Take me, for example — I'm always shooting my mouth off! Literally!

Son, I have some good news! What?

I'm pretty sure your mother's never going to nag you to clean up your room again!

Okay, so not the most pleasant way to kick off a supposedly light-hearted look at suburbia, but hey, count your blessings! If this were *CSI* you'd be seeing every bit of blowback and brain in excruciatingly gory close-up!

Let's take a stroll around the neighborhood...

That's Crabrielle and her gardener, Lawn! Lawn likes to take a hands-on approach to his work! He also likes to take a hands-on approach with his boss' wife!

I am — groan! — a big believer in — gasp! — monogamy!

Huh? You're cheating — moan! — on your husband!

Yeah, but only with you!

I feel so bad for Crabby's husband! Even though he lavishes her with expensive gifts, she's only sexually satisfied by her lawn boy! Perhaps he should switch from Viagra to Miracle-Gro!

Here's Seedy, our resident conniving skank! She pretends to be your friend, but the only thing faker than her smile is her chest...and her nose...and her cheeks...and her lips!

Hello, EZ Lube? I'm calling to schedule my 20,000 mile maintenance! Drain the fluids, check the alignment, tighten whatever needs tightening!

Wow, you sure do take good care of your car!

Yeah, but this is for my face!

DISPARATE NO-LIVES

This is my clumsy friend Snoozin! She has a crush on our new neighbor Mock, but can't act on it because she gets so flustered around him! Poor, poor Snoozin!

Uh, hey, Mock, sorry for running over your garbage cans! And your dog! And, uh, your foot! Anyway, I thought you might like this apple pie! Only, I was out of apples, so I substituted raw tuna!

Er...thanks?

Did I say "Poor, poor Snoozin"? I meant poor, poor, poor MOCK!

My friend Dinette gave up her career to be a full-time mom and she's never looked back — mainly because if she turns her head for even one millisecond her hyper-active sons will destroy her!

Honey, I think we should consider adoption!

What? You want another baby?

No, I want to unload these four monsters!

///QT DRUCKER

My friend Breeze is Hysteria Lane's own little Martha Stewart — great chef, devoted homemaker and psychotic control freak!

Hot muffins, fresh from the oven!

But mom, I'm not hungry!

If you don't eat them right now, I'll have to throw them away! And if I do that, I'll need to vacuum up the crumbs! Of course, THEN I'll have to smooth the vacuum tracks out of the carpet, in which case I might as well get a new carpet, and that means new drapes to match and new wallpaper and... oh dear, this is going to take all day!

There's a betting pool to see which happens first: Martha leaves jail or Breeze completely snaps! Martha's term is up in about six months, so the smart money's on Breeze!

Between the omniscient narrator, the stuck-up prude, the lovable ditz, the oversexed nympho, the career woman struggling with motherhood and the Sunday-at-nine timeslot, you'd think you're watching *Sex and the City*! But there's a big difference between their show and ours! They had shoes! We have mystery! The mystery of how long it will take ABC to sell-out and "franchise" this series! Given the way mindless TV execs think, you can expect *Disparate No-Lives: Criminal Intent* and *Disparate No-Lives: Miami* any day now!

Something odd happens when you die! For one thing, you start pontificating in long-winded voiceovers! But even odder, your self-centered friends actually spend five whole minutes thinking about someone other than themselves!

I can't believe Scary Alice shot herself! Great marriage, loving husband, adoring son — she had the exact same wonderful life as us!

Well, except for me — my husband left me for his secretary! And Breeze, your marriage is a mess!

And my kids aren't "adoring" — they're little Satans! Of course, Crabby, you don't even have kids and you sold your soul to marry for money!

When you think about it, Scary Alice's suicide begs an important question!

What's that?

Any bullets left in that gun?

This note says, "I know what you did. It makes me sick. I'm going to tell." What does that mean?

It means our lame-ass writers ripped off that Jennifer Love Hewitt stinkbomb, *I Know What You Did Last Summer*!

I'm leaving you! I can't take your obsessive, cold demeanor anymore! You are as icy as our freezer!

How dare you!

You deny that you're an impersonal neat freak?

No, I mean how dare you say our freezer is ICY! I spent all morning defrosting it!

Crabby and Clueless were having their typical fight about finances...

Honey, I need some cash, I'm buying a new dress!

That's all you do — shop and spend my money! You need to take up a hobby! How about gardening?

Gardening!? What could possibly be interesting about gardening?

I finished the hedges, ma'am! Should I get to work on the roses?

Honey, I need some money — I'm buying a new shovel!

And Dinette was coping with the **daily struggle** of **motherhood**! Namely, the **struggle** to **restrain herself** from **killing her out-of-control children**!

Sometimes I wish I were in the **corporate world** instead of at home!

That's something **every career woman** deals with!

And there are times I feel like I **can't control** my kids!

That's something **every mother** deals with!

And I'm **completely strung out** on their **meds**, which have turned me into a **psychotic, babbling, incoherent idiot**!

And that's something **every, um... Anna Nicole Smith** deals with!

Snoozin didn't have time to **chat**! She was busy **competing** with **Seedy** for **Mock's affections**, and they were **constantly trying** to **one-up** each other...

Yet even though her **gifts** were **lame** — and she's **much smaller-breasted** than **Seedy** — somehow **Snoozin** won out! I **can't figure out** how a **ditz** like her landed a **guy** like **Mock**...

Hey, **Mock**, since you're a **plumber**, I thought you might like a **new wrench**!

And I thought you might like this **Craftsman 75-piece tool set**!

Hey **Mock**, I got a **water bowl** for your dog!

And I got him this **doggie spa package**, complete with **grooming, flea bath** and **shiatsu massage**!

I have a **gun**, **thousands of dollars** in **unmarked bills** and **complete dossiers** on **every person** in the **neighborhood**! But I'm not a **spy** — I'm a **plumber**!

Sounds **totally plausible**! Let's have **sex**!

And then there was **MY family**! When it comes to **parental bonding**, they take the **cake** — the **NUTcake**, to be precise!

Why don't you ever want to do **normal father-son** things with me?

What about **yesterday**, when we hung out back by the **pool**?

So you could **dig it up**!

Well, what about **now**? We're at the **lake**!

Because you're **dumping a chest** filled with **human remains**!

Keep up the **smart talk** and these won't be the **only human** remains I dump!

But Snoozin had a great relationship with her daughter! They were best friends! They talked openly about their secrets! And they never fought! In other words, they were the weirdest people on the block! And that's saying something!

Snoozin was curious why my husband had put our son in an institution! And Droolie figured someday she'd have to commit her nutjob mother to the loony bin, so she might as well check out her options!

Droolie, I need you to do me a favor! It might seem a little strange —

Let me guess, you want me to break into a neighbor's house who's blackmailing you?

No, you're my precious little girl! I promised myself I would never ask you to break into another neighbor's house again! I want you to break into an insane asylum instead!

How'd you get into the asylum?

It was easy — I just had to convince them I'm psychotic!

How'd you do that?

I told them I thought it'd be a good idea to promote this show by doing a raunchy crossover skit on *Monday Night Football*!

Breeze was convinced that seeing a couples counselor was all it would take to save her dying marriage! But then, this is a woman who's also convinced that the smell of household cleanser is an aphrodisiac!

As a marriage therapist, I have found that many couples have trouble verbalizing their feelings —

You're an emotionless, unsatisfying, anal-retentive shrew!

And you're a self-centered, passionless, asexual dweeb!

— although "verbalizing" doesn't seem to be the problem here!

She's so busy cleaning, she never tries to satisfy my sexual fantasies!

What about when I dressed up in a maid's uniform?

You dusted our night-stands while I was making love to you!

Well, excuse me for multi-tasking!

Crabby was busy getting her daily sex fix... and fulfilling the "One Bra and Panty Scene Per Episode" clause in her contract!

This is a classic suburban extramarital affair — the illicit mid-day sex...the fear of getting caught...

... the MUCH older woman...

...and the idiot gardener who doesn't know when to shut the hell up!

I have a sneaking suspicion my mother-in-law is onto us!

What makes you say that?

Crabby, could you turn a little to the left? And lower your leg! You're blocking my light! Treat the camera like you're making love to it! Lord knows, you know a thing or two about lovemaking!

Just call it a hunch...

Lucky for Crabby, Clueless' mother was hit by a car and now she's in the hospital! Here on Hysteria Lane, it's funny how life works out! Or maybe a better word would be "convenient"! And an even better word would be "contrived"!

I know I'm always complaining how your mama's on my case, but I'm sure from now on we're going to get along fine!

What're you talking about? She's in a coma! And even if she comes out, she may never move or speak again!

Did I say fine? I meant FANTASTIC!

Believe it or not, there were a few people on the block who were actually upset about Clueless' mother!

Son, do you realize the tragic repercussions your actions have had?

You mean because of my reckless driving, a woman is now in the hospital in a coma and may not survive?

No, I mean your mother used this incident to guilt me into moving back home! Next time, do us all a favor and run over ME!

We've gone a whole day without anyone dying! That's a new Hysteria Lane record! Whoops! Spoke too soon!

And like Mrs. Hubris' windpipe, things have a way of just collapsing around here...

You're the worst neighbor ever, Mrs. Hubris! You snoop in everyone's business! You steal money! You sent this threatening note to my wife!

That's why you're (GAK!) strangling (CHOKER!) me!?!?

No! You don't properly trim your hedges! And in the 'burbs, that's a capital offense! You ever hear of property values!?!?

I'm moving out!

You're leaving us?

I can't take it anymore! Suicides, houses burning down, people getting strangled, folks digging up human remains! I'm going to a place where life is more normal! Like Fallujah!

Oh, dear! Now his house will sit empty!

No it won't! I sold it to someone who can deal with all your craziness! Someone who has made a fortune off of desperate housewives!

Say hello to your new neighbor — Dr. Phil! If he can handle those nutjobs on Oprah, he can certainly handle you!

Redhead, you need to pull that cork out of your butt and stick it in a wine bottle! Gold-digger, diamonds may be forever, but a lousy marriage feels a lot longer! Weepy Mom, times may be tryin', but there's no need for cryin'! And Lois Lane, you need to get those bangs out of your eyes and take a look at the world around you!

That advice makes no sense! Those are just meaningless phrases!

Which have made me a very rich man! You can argue with success, but you'll never win! Anyway, Crazy Dad, you need to stop digging up bodies and start digging into your heart! And...

Hoo-boy. It's days like this I'm awfully glad I had a gun laying around the house!

13 THINGS YOU NEVER WANT TO HEAR FROM A COMPUTER TECH SUPPORT GUY

Hello, my name's Bob, and I'm an alcoholic.

Pentium? Gigabyte? Try speaking English, man!

I always find that the Holy Spirit guides me to the answers of every problem, so hold on while I get my Bible!

So you say it *is* plugged in? Well, I'm stumped!

Hey, wait a minute, I know this screen name! Aren't you the jerk who keeps kicking my ass on Xbox Live?

This is off the subject, but did you know that the letters in your name can be rearranged to spell "Snail Vomit"?

It seems to me that your problem goes deeper than simply an Internet connection. Tell me about your relationship with your father!

Well, did you ever consider that the screen is *supposed* to freeze up for ten minutes?

Me learn English goodly. Talk you do about problem!

Before we start, let me ask if you're satisfied with your current mortgage?

Let me consult with my supervisor — "Results hazy, try again later"!

Okay, I've located the problem, and I'll tell you how to fix it... over a romantic candlelight dinner!

I'm sorry, it's just that the word "byte" always makes me laugh!
