"Don't let them call You SKINNY"

QUINN O'HARA

Appearing in Hall Bartlett's "The Caretakers"
... starring Robert Stack, Polly Bergen and Joan Crawford
A UNITED ARTISTS RELEASE

"In Hollywood, we're really on a merry-go-round schedule during picture making time... a girl has to be careful to keep her energy up and her figure fit. Because of the long day we put in, we eat at odd hours or sometimes even miss meals altogether. So I often take pleasant-tasting Wate-On Emulsion as a meal time supplement, and I eat Wate-On Tablets for a quick energy lift between meals. Both forms of Wate-On are super concentrated with calories, vitamins, minerals, quick energy elements and other body building ingredients. If you're skinny and underweight because of poor appetite or poor eating habits, ask your doctor about what Wate-On can do for you. It could be that the boys won't be calling you 'Skinny' anymore."

Quinn O'Hara

SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells—NO EXERCISE AT ALL!

Mike Marvel

Yes! If they LAUGH at you now when you take off your shirt—they'll be amazed—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

In my classes this same course of instruction would cost \$170.00.

Or is your problem a body sagging with soft rolls of unhealthy, handsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fellas! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, stronger, more muscular, sheath of hard tough handsome muscle. I can pack solid DYNAMITES into a healthy, streamlined HERCULES—bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—legs muscled like coil steel springs. I can pack solid DYNAMITES

into your fists and give you a rugged handsome build brim-full of the magnetic SUPERBODY APPEAL. And with NO starvation diets — NO fatiguing calisthenics — NO expensive health-fonds!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no diets, no exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a Weir German Doctor who has searched into the Science of Strength found a thrilling new way to build GIANT HE-MAN MUSCLES in ten minutes a day. With DYNAFLEX you "do" each muscle once in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, heaving heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply turn "DYNAFLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method... but why bother? Why waste your time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN BODY THAT'S ADMIRABLE!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man has a desire to be a broad, brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and spry, power-packed legs. Be a fellow with TWO-PISTED BIG MUSCLE APPEAL... they only laugh at skinny guys or let me give you a glowing new glow, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. It will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. I can turn rock-solid punch-proof midsection. Pack your body with energy and stamina that will make me you popular.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and do it all for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, floppy frame—ready for adventure and romance with a solid physique that glows and thrives with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN BUILD at the beach or gym. And, when the fellows stare with envy and jealousy—when friends crowd around to squeeze your ironiceps or touch your bulging brawny chest—when they ask in amazement: How did it all come about the Magic Secret of DYNAFLEX!

Your Pal,
MIKE MARVEL

"Builder of Champion Bodies"

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with insignificantly fat... my secret DYNAFLEX vitality will cram pep, vigor and red-blooded vitality into your puny, exhausted body. DYNAFLEX makes you a two-pisted dynamo of manly brawn, rippling with power, glowing with magnetic appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It really works—and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!" L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a great physique." E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle!" F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do they laugh and grin when you take off your shirt? BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have them gasping with awe and admiration! And with NO tiring exercise. NO high-priced bar-bells or gym equipment!

Dear Stan and Steve,

I don't believe it! You've come up with a super-hero who is, of all things, human. Spider-Man is the only super-hero who makes mistakes—bravo! By wondering if Spider-Man will be victorious when a danger comes up—presto!—instant fun, mystery, excitement and adventure! Take some other company's hero—I'll call him X—when X fights a bad guy, X is literally cluttered with so many super-powers that all the fun and adventure is washed out. So keep Spider-Man human with human problems and you'll get a winner every time. That advice goes the same way for the F.F., Avengers, and other great mags. In conclusion, don't consider this an order—just a pat on the back!

Mark Meed, P.M.Q. 19, Falconbridge
(R.C.A.F. station), Ontario, Canada

Thanks, Mark. But tell us—what does P.M.Q. stand for in the Royal Canadian Air Force?? (Any of our readers want to guess??)

Dear Stan and Steve,

Sure I love your comics! But I hate one thing. What are you trying to do—turn Spider-Man into a love mag? I buy Spider-Man because it has adventure, so leave out the mushy stuff and continue with the good work. I hope that there will be a Spider-Man Annual in the future. Thanks for the other great mags in the MARVEL AGE OF COMICS!

Steven Moy, 54 Catherine St.
New York 38, N.Y.

As, a little romance never hurt a hero, Steve! What would Robin Hood be without Maid Marion, or Tarzan without Jane? (Or Marvel without you great fans?)

Dear Stan and Steve,

In issue #10 of SPIDER-MAN J. Jonah Jameson talks about being jealous of Spider-Man. Well, I felt kind of sorry for him. So I wanted to know if you would put in a future magazine a story where Spider-Man saves J.J.'s life. Then J.J. could forget about the feud between them. Please!

Jerry Murrell, 8215 W. 28th.
Oklahoma City, Okla.

You want us to MAKE UP a story?? For shame, Jerry!! We've tried to convince everyone these tales are TRUE!

Dear Stan and Steve,

Why do you do this to me? Why pick on me? Why do you come out with some of your masterpieces just when I'm flat broke? I wish, just this morning I bought an issue of Spider-Man and one of Iron Man, but if I had more money I could have gotten F.F. (which I didn't see before it was too late), Giant-Man and Thor. You guys must be a bunch of geniuses. How you come up with foes such as the Enforcers just when you feel like publishing a new issue is beyond me. There is one person who doesn't seem to get enough praise for his good work and that is "Sparkling" Sam Rosen. I have never had any trouble reading his writing because his writing is not written rotten!

Joseph Urbanski, 3025 Hudson St.
Baltimore 24, Md.

Natch, Joe! Our slogan is "Rotten writin' aint written here!"

Dear Stan and Steve,

I really enjoyed AMAZING SPIDER-MAN #10 and would like to take this opportunity to say that each and

every issue of this great magazine out is better than the preceding ish... Spider-Man is the best on the market. It is a theory of mine that new comic addicts are started on the way to fandom by the introduction of striking and exciting covers which, quite naturally, gain their attention. The cover of the issue in discussion is truly the most beautiful and exciting of any comic mag cover I have ever gained the pleasure of seeing. Just keep that Marvel seal in the corner along with the great stories, majestic covers and artwork, and the new additions to your Marvel Group of comics! Comic books are a slice of pure America—never to be forgotten by people like you and me and thousands of others who are conscious of what comics have done for us.

William Stockman, Rt. #1, Box 366
Waterford, Calif.

And don't think we're gonna lead with our chins by asking WHAT they've done for us, Billy boy!

Dear Stan and Steve,

I've read all different brands of comics and I have not yet found a brand as good as MARVEL. My favorite Marvel comic is SPIDER-MAN. When I read some of your comics they advertise others such as "Spider-Man vs. Electro" or "Iron Man vs. the Scarecrow." You say that they are "now on sale" but the stupid comic store never has the ones I see and want. But anyway, I still think no-matter-what that your comics are the best!

Leo Soricelli, 1219 Elm St.
Peekskill, N.Y.

We're never dead sure when they'll go on sale either, Leo. We have to kinda guess at the date because it varies from city to city. (We hate to admit we're not perfect, but c'est la vie!)

Dear Stan and Steve,

I've read Marvel Comics from the beginning. Spider-Man couldn't be improved. The X-Men are great but the Avengers aren't up to Marvel's regular standards. One thing I must comment on is the girl members of the Marvel Family. They're all a bunch of wows! Pepper Potts who sub-stars with Iron Man looks wonderful now. The only other problem you have is the double initial disease—Sue Storm, Reed Richards, J. J. Jameson, Pepper Potts, Happy Hogan, Peter Parker, and Bruce Banner are a few illustrations.

Eric King, Box 152
Dayton, Nevada

Here's another one, Eric—Stan even has a P. OT named Gorgeous George!

Dear Stan and Steve,

I just had to write you the instant I finished SPIDER-MAN #10. "The Enforcers" was undoubtedly one of the greatest stories of all time—in a comic or in a book! Just as you said—it's going to be difficult to ever again be satisfied with lesser magazines. It surprised the life out of me when I learned that Frederick Foswell was the "Big Man." The whole adventure was exciting and suspenseful throughout! How could any tale be so marvelously told! And the last page—that really was a dramatic finish! I've started trying your western comics and they are pretty good—especially KID COLT. And boy—I thought I hated war comics but, because of the attractive cover, I finally gave in and bought SGT. FURY. Wowee! It is great! But with Stan and Jack how could it miss? Maybe this letter is too hasty, but I'm a high school student and have to do homework like Peter. rising star in the comic book heaven—MARVEL COMICS!
Cole Blackley, 545 Simons Ave.
Summerville, S.C.

Cole, a letter like yours makes us feel that all the writer's cramps, inkstained cuffs, and sleepless nights are worth it!

Dear Stan and Steve,

I've got a question to ask you that's been bothering me for a long time now. When Spider-Man goes swinging from building to building with the aid of his web, what does he do with the used webs? Does he just leave them hanging there? If so, wouldn't he be paying fines galore for being a litter-bug? But if he doesn't leave them hanging there, what does he do with them? Also, where does Spidey get his web fluid? I doubt if the neighborhood grocer carries the fluid. Does he manufacture it? If so, out of what? And where would he get the materials needed? Incidentally, I for one like the half-Spider-Man/half-Peter Parker pictures. I know this may sound ridiculous, but what would happen if the Angel in the X-MEN ever broke a wing? Who could set it? Wouldn't it make a doctor wonder just a little about a guy who walks in with a pair of wings, and one is broken?

David Catena, 2601 Cambria Ave.
Windber, Pa.

We'll answer your clever questions in our Spidey Annual—on sale this summer, Dave. As for Angel's broken wing, he'd just have to find a doctor who's "for the birds"!

Dear Stan and Steve,

Let's not kid about it! Your mag is terrific! I remember a day (8 issues ago) when we were going on a long trip and I was picking up a few mags to take along. I just picked out any one to have something to read. It turned out to be some nut called Spider-Man (#3). I was really sorry I said that after I read it. Spider-Man #4 looked lousy on the cover, but I ended up buying it—and was I glad I did! From then on I collected F.F., Spider-Man, and Strange Tales no matter what the covers looked like. One day I went to my friend's house and read X-Men #3 about the Blob and I am going to collect them, too!

Steve Brown, 2514 Windsor Ave.
Roanoke, Va.

But Steverino, you haven't told us the most important part—whatinheck IS wrong with our covers???

Dear Stan and Steve,

What do you say about the best comic story you've read after 12 years of experience? This is the type of story Spider-Man was made for. There was no trite villain (I don't care what anyone says—comics didn't need super-villains before and they don't need 'em now); the story was a real mystery masterpiece (I was shocked at the ending as I thought Jameson was the "Big Man"); and last, but not least, some really good earthy criminal crimes were committed. There was no evil chemist bent on world destruction or an alien from outer space slopping up the plot. The artwork in all your mags is sensational and getting better all the time! Here's to all you Marvel-type guys. Jonah, pickled peppers, and a million more stories like "The Enforcers"!

Jim Civarra, 2424 197th P.L.S.W.
Alderwood Manor, Wash.

Thanks, Jim, but we'll be afraid to face you the next time we do a story about a super-villain bent on world destruction—and we've got some DOOZIES!

Dear Stan and Steve,

I seldom write letters to the really great comic mags because I feel they already get enough raw letters. However, in the case of Spider-Man's mail, I feel your readers have missed an essentially important fact. They will write and tell you how good or bad one particular issue was but they are missing the general picture. More readers should step back and take a look at all the issues of Spider-Man as a whole. There is no other comic, past or present, that has such a consistent run of superb comics! Also, I feel the people who write in to say, "Spider-Man's webbing was missing, etc., etc." are really cheating themselves out of a lot of downright enjoyment by looking for such ridiculous points. As a final note, congratulations on the last comment in the Spider's Web—very few editors have the guts to compliment their

competitors!

Carter de Paul, Jr., 375 N. Oraton Pkwy.
East Orange, N.J.

Aw, it doesn't take guts, Carter. All it takes is a genuine feeling of respect for all the talented people in this challenging, creative business of ours.

SPECIAL ANNOUNCEMENTS SECTION:

—Here it is—the news you've been waiting for! We're definitely going to publish a SPIDER-MAN ANNUAL! It'll go on sale this summer. We'll try to give you the exact date in a future ish. We don't know the exact contents yet because we haven't WRITTEN it yet! In fact, we don't know when we'll get the time to write it. But, you know us—somehow, some way, we'll get it done! We'll toss in all the heroes, villains, and surprises we can dream up, as well as answers to all the countless questions you've been asking about Spidey in all your letters. More info later...

—Well, although Big Bill Everett didn't have the time to continue drawing DAREDEVIL after the first issue, we were extremely lucky in getting an old friend, Jolly Joe Orlando to take over beginning with ish #2. (Now on sale). Joe's art is really in the Spider-Man style, and we hope you'll get the same kick out of it that you do out of Smilin' Stevie's. You may have seen Joe's delightful drawings many times in MAD Magazine, as well as in many old-time Marvel mags. As for Big Bill, we won't stop trying to lure him away from his present job in New England, and when we do, you can bet we'll have a new mag for him to do. And, by the way—Daredevil tackles Spidey's old enemy, Electro, in the current ish, so it'll give you a chance to compare Spidey's fighting style with that of Marvel's newest star.

—As usual, the FANTASTIC FOUR have another powerhouse story now on sale. In ish #28 the F.F. meet the colorful X-MEN, and Stan and Jack really went hog-wild on this one. They also tossed in the Puppet Master AND The Mad Thinker and his Awesome Android!! There are so many VILLAINS that it's hard to find the HEROES! But, this we promise—you'll flip over the action-packed suspense!

—Don't miss Sunny Steve's artwork on Dr. Strange, in STRANGE TALES #122, on sale now. It's as mysterious, macabre, and menacing as ever. The Human Torch story in that same great ish is nothing to sneeze at either. And wait!! You see the three guest-star villains!

—We're always being told that we brag too much—so, let's try doing things differently now. We'll try to refer to the following mags (on sale now) without bragging: THOR #105 has a somewhat pleasant tale featuring the wrap-up of the Thunder God's battle with the Cobra and Mr. Hyde. It also features a new Tale of Asgard, nicely drawn and adequately written. You may have noticed that Jack Kirby does the entire THOR Mag artwork now, and we're sure you'll be moderately pleased.

—Another reasonably nice tale is featured in ASTONISH #57. It stars Giant-Man battling with none other than the ubiquitous Peter Parker, or Spider-Man as he is known to the inner circle. This story contains a fair degree of action and might afford you some moments of pleasure.

—It's not a matter of earth-shaking importance, but IRON MAN #55 features The Return of the Mandarin as well as a special 5-page bonus supplement containing important information about ol' shell-head. We feel you may find it an entertaining issue.

—May we also recommend THE AVENGERS, SGT. FURY, and THE X-MEN. Space does not permit us to list all their virtues, but we feel that they are worth their purchase price.

—Okay? Modest enough for you? Take it from us—it isn't easy! Not when we feel like shouting from the rooftops about our mags! We sure hope that you, the fans who are so important to us, are half as excited about the Marvel line-up as we are!

—And now, time for some talk about our next SPIDER-MAN! It's almost impossible to speak about it modestly! It co-stars KRAVEN, THE HUNTER, a new different type of arch-villain, and Stan and Steve have promised surprises by the bushelfull! So be with us next ish—even if it's just to see if we finally fall on our faces!

—Till then, keep your webs untangled and stop winking at Aunt May! You're just not her type!

Albert Dorne — probably the greatest money-maker in the history of commercial art. At the height of his career, he began a full-time search for people who like to draw.

He's Looking for People Who Like to Draw

TODAY HUNDREDS of men and women who never thought they could be artists are working happily at easels and drawing boards, making pictures, and getting well paid for it. They all can thank Albert Dorne, a famous artist who devotes almost his full time to helping other people become artists.

Some of the people Dorne has helped

Herb Smith was a payroll clerk. Soon after he started studying with us, he landed an art job with a large printing firm. This was four years ago; today he's head artist for the same firm.

John Busketta is another. He was a pipefitter's helper in a big gas company. Today he still works for the same company, but as an artist in the advertising department, with a big increase in pay.

Harriet Kuzniewski was bored with an "ordinary" job before she heard of Albert Dorne. Today she does high-style fashion illustration in New York.

With the right training, Wanda Pickulski gave up her typing job to become fashion artist for a local department store.

John Whitaker of Memphis was an airline clerk two years ago. Recently he won a national cartooning contest and was signed to do a newspaper comic strip.

Long before Albert Dorne started looking for people who like to draw, they came to him for advice and help. Since he alone could only help a few of these people he called together America's most successful artists — men like Norman Rockwell, Jon Whitcomb, Stevan Dohanos and Al Parker.

A Plan to Help Others

He said: "All over America, there are people who like to draw, who could be turned into good artists. Why can't we give these people the training they need—including all the trade secrets and know-how we've learned over the years? I'm suggesting a new kind of school—a home-study art school

that would give talented people the best professional art training, no matter where they live."

The famous artists agreed. Taking time from their busy careers, they spent several years creating a remarkable series of art lessons covering every aspect of drawing and painting. They illustrated their lessons with over 5,000 "here's-how" illustrations. The lessons start from scratch and cover every skill a top artist needs. Finally, the famous artists developed a wonderful way to give each student personal correction and advice all through his training.

Albert Dorne is not surprised by the success of his students. "The art field is growing. We keep getting calls from all over the country, asking us for practical, well-trained students who can step into full-time or part-time art jobs."

Famous Artists Talent Test

To find others with art talent worth developing, the famous artists created a 12-page talent test. Thousands paid \$1 for this test, but now the School offers it free and will grade it free. If you show talent on the test, you will be eligible for training by the School. No obligation. Simply mail coupon. It might be your first step to an exciting, well-paid career in art.
