*YUBIWAZA IS THE SECRET, AMAZINGLY EASY ART OF SELF-DEFENSE THAT TURNS JUST ONE FINGER OR YOUR HANDS INTO A POTENT WEAPON OF DEFENSE—WITHOUT ANY BODILY CONTACT...)

YIM A 3rd-degree HOLDER OF THE BLACK BELT-SYMBOL OF HIGH PROFICIENCY IN THE JAPANESE SYSTEM OF SELF-DEFENSE THAT USES NO WEAPONS BUT BARE HANDS. I spent many years in Japan learning the little-known SECRETS. The most amazingly effective of all Self-Defense techniques that stood out in ALL my Japanese Training is contained in my AMAZING new YUBIwaza book - all yours to have if you ACT NOW. YUBI-WAZA is the name of a fantastic system of self-defense that makes use of an EASY-to-learn use of vital body areas and the techniques of the use of just ONE Finger or the entire hand to counteract & overcome ANY violent attack. It is commonly known as the art of Yubiwaza, young men - and girls too - can learn only a few hours of training, turn back 2, 3 and even 4 attackers - temporarily DISABLING ONE, putting another to flight, making a third howl in pain. The fourth begged his opponent to stop.

The experts in Japan, who know and teach these ONE-finger techniques, have now explained that YUBIWAZA is a centuries-old system of Self-Defense which is so simple and so effective that outsiders were never instructed in its use. The system was restricted to Japanese who SWORE to apply these methods only in time of danger and attack by an aggressor. Many of the very techniques in my YubiWaza book, once highly guarded secrets of the ancient Samurai warriors never shown to outsiders are now shown to you - FIRST time!

YUBIWAZA SYSTEM, DEPT. Y-162 285 Market St. NEWARK 2 NEW JERSEY

says Yoshie Imanami —

can make him say "uncle" quickly

Makes no mistake! The world is crowded with anti-social enemies who think nothing of attacking a single individual or a small group, pouring citizens just for fun, of it - or molesting boys and girls shamelessly. There is a tyrannical system of **KNOWLEDGE**, not of **KNOWLEDGE**. **KNOWLEDGE**, not big muscles or strength, depends on **TECHNIQUE** - not on **STRENGTH**. **KNOWLEDGE** based on simple **TRAINING**-not on illegal possession of weapons. When you know **TUBIWAHA** you can disarm a disarmed opponent in seconds. You can restrain a mugger who grabs you from behind-no matter how big he is or how strong he is. You can make him know **WHERE** to attack, and order your leg, the body's major vulnerable region; the defense or offense of the leg is the key to the body's personal weapons which you can apply to maximum advantage. I have jam-packed all my knowledge of **TUBIWAHA** into a book which has been proven, illustrated and clearly explained. I take you step by step through the details of each part of this amazing system so that you understand clearly and immediately how these effective principles work.

The techniques are used by marines, police and G-men-who would fear any bully-how to touch vital spots that will make anyone bleed-and how to use force if you are big or small, strong or weak, you can overpower practically any opponent with lightning

Knowledge of YUBI WAZA will turn you into a NEW MAN even if you never actually have to use it! For you will become SELF-ASSURED through your ability to handle yourself. You will walk with a deter-

mined and confident air secure with the knowledge that **NOTHING** can frighten you . . . that you can deal with **ANY** man, **ANY** weapon, **ANY** situation and **ANY** man who comes in contact with **NO** badly contact! And you will win respect and admiration from everyone.

Thousands of men of all ages have won confidence and respect by learning **YUBIWAZA**. **YOU** can be the same! You owe it to your own peace of mind . . . to your own self . . . to your family . . . to be able to defend yourself in these days when attack may come at any time and place from hoodlums, criminals and the police. **YOU** can learn **YUBIWAZA** from **MY** COMPLETE instruction on **YUBIWAZA**. If you and your friends don't say that **YUBIWAZA** has made you a better man, **YOU**, every cent will be refunded!

Dear Stan and Steve,

Why do you ever-loving, pen-pushing, ink-slopping boys down at Marvel comics hate Spider-Man? In all my life I have never read any magazine which, like yours, makes things tough for its own hero. I have hundreds of comics at home and most of them are Marvel, 'cause they're the best. Every time I get a new SPIDER MAN comic, he's in worse trouble with the public. Why don't you let him finish at least one fight without being hampered by a sprained ankle, or numb arms and legs? Why can't he just have minor problems like fighting for his life, or simple things like that? Artwork: Probably the greatest and most explicitly enticing bit of workmanship in the world today. Stories: Without a doubt the most original, clever, miraculously offbeat and great in the country's history. Coloring: Found only in the great surging rainbows in the galaxy. Spelling: More than likely done with one of the hands of the legendary Gods of Asgard. Editor's Notes: Without a doubt the most informative tid-bits since the invention of the encyclopedia.

Tip Daniels, 971 Bonneville Way
Tooele, Utah

And—Fans: Wonderful enough to warm an editor's jaded heart!

Dear Stan and Steve,

SPIDER-MAN is the best mag you put out, next to the F.F. The art is so bad, it's good! #17 and #18 were very good. I have an idea for you. Put Spidey in College now. Please don't keep him in high school for twenty years for it would take the realism out. After he finished college, give him a job in Tony Stark's weapons factory, or give him the job now instead of having him sell pictures all his life. This job would be the supreme irony for which your mags are so famous. I think that once villains are beaten they really should never come back, because they are interested in more than just Spidey's defeat. I liked the villain in #17 and #18 because he was a civ-villain (civilian, get it?). Don't give Iceman the cold shoulder—let him get beat by Spidey. And Steve, please don't draw your heads so square!

Lenert Olson, 1129 Clarence
Oak Park, Ill. 60304

Look, Len—Steve's drawings have helped make Spidey one of Marvel's biggest sellers! So, if sturdy Steve wants to draw square heads, why stop him? He may even make them fashionable!

Dear Stan and Steve,

You may be surprised to receive a letter from a parent, but I feel that some comments on your magazines are in order. First, my two children, 5½ and 10½, read most of the comics in the Marvel group and like them. I read them also, in order to have the information with which to answer any questions that might arise. I have found that most of them are intellectually stimulating to my older one since the story lines, while occasionally fantastic, are packed full of facts and ideas that lead on to other lines of inquiry. (Such as a study of Norse mythology, hypnosis, biology—to explain Spider-Man, radiation, history—Sgt. Fury who is still fighting World War II, and others.) When used with discretion, along with other books, plays, movies, and TV, your magazines fill a useful niche. My son is learning to read from them as well as other books. I was particularly impressed by SGT. FURY #6 in which bigotry and discrimination were discussed. It led to a greater explanation of anti-Semitism, the reasons why Kennedy was concerned over the fact that his election might have been affected by his being a Catholic, the current prominence of Freedom Riders, CORE, demonstrations for

Negro rights, etc. Again I say, your group seems to maintain a high standard of creativity, and while I am not an indiscriminate purchaser of only comics, they seem to be good with much that is useful, pleasurable and entertaining.

Mrs. Rhoda Katerinsky, 1210 Sutter Ave.
Brooklyn, N.Y. 11205

Many thanks, Ma'am, and we hope that SGT. FURY will reciprocate by printing a letter saying something nice about SPIDER-MAN, the way we just printed your letter which seems to be mostly about the sarge!

Dear Stan and Steve,

We are Boy Scouts, and old fans of yours. We would like to rename our patrol the "Amazing Spider-Man Patrol"—with your permission, of course. We are in the American troop 184, London, England.

Woody Walker, U.K. Comm. RGN. Box 541
APO 09125, New York, N.Y.

Permission granted, Woody! We're very flattered! And, we suppose while most troops are practicing slip knots and rubbing sticks together, you guys will be studying your ceiling-walking, and web-spinning!

THE MIGHTY MARVEL CHECKLIST

A Line-Up Of Some Of The Marvel-ous Mags On Sale Right Now!

FANTASTIC FOUR #37: For sheer spectacle and imaginative fantasy, you won't want to miss "Behold! A Distant Star!" in which the world's top super-team finds undreamed-of dangers on a faraway star! It's sheer Marvel magic!

AVENGERS #14: Another off-beat sensation for the world's mightiest costumed heroes! This one takes them to the farthest reaches of earth, pitting them against a menace like none they have ever fought before! You'll love it!

X-MEN #10: Possibly the greatest X-MEN saga of all time, introducing a fabulous character who will take your breath away! This one is so terrific that it'll make you realize why we simply can't produce an issue faster than every two months!

THOR #114: The mighty Thunder God finally battles a foe who is every bit as powerful as Thor himself! In fact, in some ways, our newest villain actually has the advantage! This one's a shaker!

STRANGE TALES #131: See why all of comicdom is talking about Bob Powell's takeover of the Torch/Thing strip. This talented whiz really makes them live! And Doctor Strange is still on the run! Two action-packed thrillers!

SUSPENSE #64: Wait till you see the new Black Widow, a new super-power and a captivating costume! Then, add the ever-popular Hawkeye, and put them both against the dramatic Iron Man! You'll also see Captain America and Bucky battling two menaces from the past! What more can we say!

ASTONISH #66: A real surprise is in store for you when Giant-Man is trapped by the awesome Madam Maccabre! And wait till you see the Wasp fighting for their lives! Top it all off with the latest Hulk rampage behind the iron curtain! Wow—EEE!

SGT. FURY #16: This one will clearly demonstrate why the Howling Commandos are the most popular, most talked-about war mag heroes in the world today! It features our own brand of batty battling action in the mysterious funderbox of North Africa! It's got everything!

Dear Stan and Steve,

Most of the letters I've read in Spider-Man's mag have been from boys. I thought I'd write to give you my point of view from the female angle. I don't think you are

giving Betty true-to-life female characteristics. Sooner or later she will have to admit that she's in love with Peter Parker! If she doesn't, he will never know that she feels the same way about him as he feels about her. As for blonde Liz Allen, if she wants to flirt with Pete, shouldn't she wait until Flash and Betty aren't around? Flash could beat Pete up and she will find herself without any girl friends if her attitude doesn't change. Pete's aunt needs to be a little more understanding if she's to reflect gracefully on our senior citizens. Of course, Peter will also have to learn to say "no" to his aunt unless he desires to remain tied to her apron strings. I'd love to hear from other fans, even those who disagree with my ideas on the characters in SPIDER-MAN. I should add that the comic is well illustrated and I enjoy Spider-Man performing his feats.

Sandee Griffith, 4391 Byesville Blvd.
Dayton, Ohio 45431

Glad to have you with us, Sandee! And, as Harry Golden would say—Enjoy, enjoy!

Dear Stan and Steve,

The SPIDER-MAN stories you print always have the same theme. In issue 2, 3, 4, 5, 6, 7, 9, 12, 13, 15, and 17 the plots were the same. Spider-Man would fight the villain, be seemingly defeated, go and attend to his Peter Parker activities for awhile, and go back to beat the villain. The thing I don't understand is why the stories seem so new and entertaining with the same old plots? I guess it's because they're written by Stan Lee. By the way, I read a magazine called MONSTERS TO LAUGH WITH containing various photos from different monster movies each with its own hilarious caption. It was written by our own Stan Lee, and is a must for any loyal Marvel madman!

Pete von Sholly, Qtrs. 34
Aberdeen Proving Ground, Md. 21005

And that means everybody, eh Pete? Well, ish #3 of M.T.L.W. is on sale now, and that's all we're gonna say about that clever, rib-tickling, original, exciting, fast-selling mag — because you know us — we never boast!

Dear Stan and Steve,

I have just read SPIDER-MAN #20 and it was the best mag I've ever read! The Scorpion was a good villain and I hope to see him back again. I think it was good for Spidey to fight a foe who was stronger than he. After issue #18 I had just about quit on ol' Spidey, but when I read #19 I was back in business again! I'm sure only the mighty Marvel staff could do something like that and come out all right. Bill Miller, 718 S. Woodington Rd.
Baltimore, Md.

At least, we hope we came out all right, Billy! We haven't seen the final sales figures yet!

Dear Stan and Steve,

I've been reading the letters that have been written about having Spider-Man join a team. I say that having Spidey join a team is like having the Mandarin join the X-Men!
Sandy Loomis, Rt. #2, Box 252
Roswell, New Mex.

But you still haven't told us—should he join a team??

Dear Stan and Steve,

I would like to mention one thing that appeared in SPIDER-MAN #17—"The Return of the Green Goblin." On page 17, panel 1 you showed Peter Parker running into the Spidey Fan Club without any shoes on—thus revealing Spidey's boots. Then on page 18, panel 1 you showed Peter Parker running out with his boots still on. I am sure that anybody with their eyes open would have noticed that, especially in a large crowd!

John Waler, 32-A Maxwell A.F.B.
Montgomery, Ala.

But who said their eyes were open, Johnny? (We figure when we're caught dead to rights, the best thing to do is give any answer and run for the hills!)

Dear Stan and Steve,

I enjoy SPIDER-MAN very much. He is the best of your super-heroes. However, I have a few suggestions that I think would improve him considerably. 1) Lately you have been making him too powerful. Make him lose sometimes—this goes for all your Marvel heroes, especially that arrogant Thor. 2) Since you have made him popular

with the public, things have been a little too rosy for my hero. His problems were what made him different. Now that they are gone, he is slowly becoming (ugh) normal. Do you know Spidey is wanted by the F.B.I., has been charged with arson twice, is wanted on several damages charges and is suspected of springing Blackie Barker! With all these counts against him, I hardly see why the public likes him. 3) Keep his life as Peter Parker an important part of each book. In all sincerity, I think these suggestions would improve Spider-Man to the highest degree.

James Shooter, 3247 Thornwood Dr.
Bethel Park, Pa.

We'll kick your ideas around for a while, Jimmy. However, you've got a better memory than ol' Stan! He's busy hunting for sunny Stevey Ditko to ask him if he remembers who the dickens Blackie Barker is??

Dear Stan and Steve,

I just read SPIDER-MAN #18 and I didn't like it. How do you think Spidey feels about it? A mag like that can give a guy a bad name. I'll admit it kept me on the edge of my seat with suspense, but I felt sorry for my idol, losing his girl and all. As for Flash Thompson, I think he is an absolute dope—not for sticking with Spidey when the chips are down, but for running around town losing fights and making Spider-Man look like a nut! In your Special Announcements Section in DAREDEVIL you asked our opinions on who he should fight. I think he should fight super-villains because why should a superhero waste time on villains like the Enforcers or the Fixer? I don't think you should put one story into two mags because most of the time someone gets the first one but misses the second one. Then they start to complain. I have solved that problem—for all Spidey's fans that have that problem, I can tell you how to solve it in three words—get a subscription!

How about that? You start out writing what seems to be a pan letter, Doug, and then it ends up as a subscription ad for us! Y'know something? We think our pals out there in Marveland must be as mixed-up as we are!

SPECIAL ANNOUNCEMENTS SECTION:

—Looks as though ol' Spidey's been goofing off lately! He isn't guest-starred in a single, solitary Marvel mag this month! And that's the way the rest of our bullpen likes it! Nobody but Steve can think of drawing all those millions of pieces of webbing over and over again without shuddering! (In fact, we suspect that Steve does his share of shuddering, too—but he hides in his web, where no one can see!)

—We've received a zillion letters during the past six months, with all sorts of guesses about who the Green Goblin really is! And, after the yarn you've just read in this ish, we're sure to be receiving zillions more! Well, we're not about to reveal Gobby's true identity for quite a while, but we'll give you this little hint—Stan and Steve are much too tricky to let him turn out to be anyone that you'd easily suspect! There! Chew on that for a while!

—We hate to insert big globs of advertising copy in these paragraphs, so we'll go easy on the M.A.M.S. this ish! All we want to say is that early returns so far indicate that it's gonna be the most successful club anyone can have—without Bunnies, that is! So, if you're one of the misguided few who haven't joined up yet, you might as well break down and send in your buck—if only to stop us from repeating this sales pitch all the time! And don't be surprised if you see Spidey himself at our next meeting or march!

—Well, we can't hold it back any longer! We've just got to give you a hint of what you'll find in our next great issue! It had to happen! Poor Spidey actually begins to crack up! He goes off the deep end! He pops his cork! And, as if that isn't enough to make SPIDER-MAN #24 an instant sellout, you'll also see some guest villains in that same sensational ish! Plus, more excitement and surprises than you can shake a web at! Remember, Spidey is for that new breed of reader—the reader who wants a mag to talk his language after plunking down 12¢ for it! In other words, as if you don't already know, Spidey is for you!—But don't tell Jonah we said so!

HOW DYNAPLEX BUILDS BEAUTIFUL BODIES

DYNAPLEX is the modern miracle of body-building. It takes no tiresome exercises, crash diets, propped-up bodies, or bar-bells. DYNAPLEX is the amazing discovery of a West German Doctor whose research into the Science of Six Forces is a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAPLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAPLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.
DYNAPLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny smoothness. DYNAPLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAPLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method... but why bother? Why waste time and sweat? Why waste time strain your way to a streamlined symmetrical SANSON-STRONG BODY—when you can do it better—bigger—easier—with the DYNAPLEX SECRET?

STRONG-MAN BODY THAT'S ADMIRABLE!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny chest, a solid man-muscled waist, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Be a fellow with TWO-PISTED BIG MUSCLE APPEAL... they only laugh at skinny guys or "fatso"!
Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and stamina that will help make you popular.

GIVE ME TEN MINUTES A DAY—THAT'S ALL!

After DYNAPLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. You'll feel good, productive to your work, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud when the fellows stare with envy and jealousy—when friends crowd around to squeeze your iron biceps or touch your bulging biceps—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAPLEX!
