# This free booklet tells you how you can break into Computer Programming

23,000  
more  
programmers  
needed each  
year...get  
your basic  
training  
now!

...by training at home.  
Also FREE: Interesting  
sample lesson for you to try.  
No obligation.

Why don't you prepare for a career in programming? All it takes to start your training is a high school education and a logical mind. No machines are involved because a programmer does not operate machines. He writes the programs that tell the computers what to do.

Programmers are to be found in many types of business—in manufacturing, banks, department stores, communications, transportation, utilities. Trainees begin at good pay, and with the right background and experience can rise to fill supervisory positions at upper-level salaries.

Instead of worrying about how long your present job is going to last, you can plan for a bigger future in a growth field. Continuing expansion in the years ahead may result in more openings for computer programmers than there will be people to fill them!

Right now, without leaving your present job, you can prepare for a trainee position in computer programming. A position that may open up many opportunities for you—in the exciting world of tomorrow.

You can study computer programming with LaSalle at home, in your spare time. Experienced LaSalle instructors will teach you by mail—correct and grade your lesson assignments. You will receive basic instruction in the nature, hardware, vocabulary, equipment and techniques of computer programming.

Send for free sample lesson and fascinating booklet "Beginning Your Career in Computer Programming." In simple, non-technical language this booklet tells you what computer programming is; what the programmer does; and how you can get your basic training in your spare time. LaSalle, 417 S. Dearborn Street, Chicago, Illinois 60605.

OH WOW! THERE'S A SIGHT I NEVER SAW IN DUBUQUE!

THAT SPIDER-MAN STU-- LEANIN' HARD ON SOME PROTECTION HEAVIES.

IF THAT GUY THINKS I'M A TOURIST ATTRACTION THIS WAY...

ON SECOND THOUGHT, MAYBE IT'S JUST AS WELL HE DIDN'T.

I'VE GOT ENOUGH PROBLEMS JUST FIGURING HOW TO EXPLAIN TO GWENDY WHY I'VE BEEN AWOL THE PAST FEW DAYS.

WRACKED MY BRAINS ALL DAY, AND STILL CAN'T THINK OF AN ANGLE, I--

...HE SHOULD'VE SEEN ME LAST NIGHT, WHEN I HAD ENOUGH ARMS TO START MY OWN BASKETBALL TEAM.

UH OH! NO REST FOR THE WEARY.

THOUGHT I SNAGGED ALL THE HOODS IN THAT LAST HAUL--BUT THERE'S A COUPLE I DIDN'T SEE.

PARDON MY PALM, FELLAS...

BUT, IF I USED MY FIST ON YOU, YOU COULD WRITE YOU OFF AS A PAIR OF BASKET CASES.

# THE INSULT THAT MADE A MAN OUT OF "MAC"

## Let Me PROVE I Can Make YOU A NEW MAN!

ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby — only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

### The Secret of How I Got My Build

Then I discovered a wonderful way to develop my body fast. It worked wonders for me — changed me from the scrawny "runt" I was at 17, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way — without weights, springs or pulleys. Only 15 minutes a day of pleasant practice — in the privacy of your room.

My "Dynamic-Tension" method has already helped thousands of other fellows become real he-men in double-

quick time. Let it help YOU. Not next month or next year — but RIGHT NOW!

### "Dynamic-Tension" Builds Muscles FAST!

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach — the kind that makes other fellows green with envy.

### Mail Coupon Now for My 32-Page Illustrated Book

Mailing the coupon can be the turning point in your life. I'll send you a copy of my 32-page illustrated book, "How Dynamic-Tension Makes You a NEW MAN!" Tells how and why my method works! Shows many pictures proving what it has done for others. Don't delay. Mail coupon NOW. CHARLES ATLAS, Dept. 50X 115 E. 23rd St., New York, N.Y. 10010.

# when I planned to retire before fifty

this is the business that made it possible

a true story by John B. Haikey

Starting with borrowed money, in just eight years I gained financial security, sold out at a profit and retired.

"Not until I was forty did I make up my mind that I was going to retire before ten years had passed. I knew I couldn't do it on a salary, no matter how good. I knew I couldn't do it working for others. It was perfectly obvious to me that I had to start a business of my own. But that posed a problem. What kind of business? Most of my money was tied up. Temporarily I was broke. But, when I found the business I wanted I was able to start it on a little over a thousand dollars of borrowed money.

"To pyramid this investment into retirement in less than ten years seems like magic, but in my opinion any man in good health who has the same ambition and drive that motivated me, could achieve such a goal. Let me give you a little history.

"I finished high school at the age of 18 and got a job as a shipping clerk. My next job was butchering at a plant that processed boneless beef. Couldn't see much future there. Next, I got a job as a Greyhound Bus Driver. The money was good. The work was pleasant, but I couldn't see it as leading to retirement. Finally I took the plunge and went into business for myself.

"I managed to raise enough money with my savings to invest in a combination motel, restaurant, grocery, and service station. It didn't take long to get my eyes opened. In order to keep that business going my wife and I worked from dawn to dusk, 20 hours a day, seven days a week. Putting in all those hours didn't match my idea of independence and it gave me no time for my favorite sport—golf! Finally we both agreed that I should look for something else.

"I found it. Not right away. I investigated a lot of businesses offered as franchises. I felt that I wanted the guidance of an experienced company—wanted to have the benefit of the plans that had brought success to others, plus the benefit of running my own business under an established name that had national recognition.

"Most of the franchises offered were too costly for me. Temporarily all my capital was frozen in the motel. But I found that the Duraclean franchise

offered me exactly what I had been looking for.

"I could start for a small amount—a little over a thousand dollars—and that amount I could borrow. I could work it as a one-man business while getting a start. No salaries to pay. I could operate from my home. No office or shop rent or other overhead. For transportation I could use the trunk of my family car. (I bought the truck later, out of profits.) But, best of all, there was no ceiling on my earnings. I could build a business as big as my ambition and energy dictated. I could put on as many men as I needed to cover any volume. I could make a profit on every man working for me. And, I could build this little by little, or as fast as I wished.

"So, I started. I took the wonderful training furnished by the company. When I was ready I followed the simple plan outlined in the training. During the first period I did all the service work myself. By doing it myself, I could make much more per hour than I had ever made on a salary. Later, I would hire men, train them, pay them well, and still make an hourly profit on their time that made my idea of retirement possible—I had joined the country club and now I could play golf whenever I wished.

"What is this wonderful business? It's Duraclean. And, what is Duraclean? It's an improved, space-age process for cleaning up-holstered furniture, rugs, and tacked down carpets. It not only cleans but it enlivens and sparkles up the colors. It does not wear down the fiber or drive part of the dirt into the base of the rug as machine scrubbing of carpeting does. Instead it lifts out the dirt by means of an absorbent dry foam.

"Furniture dealers and department stores refer their customers to the Duraclean Specialist. Insurance men say Duraclean can save them money on fire claims. Hotels, motels, specialty shops and big stores make annual contracts for keeping their carpets and furniture

fresh and clean. One Duraclean Specialist recently signed a contract for over \$40,000 a year for just one hotel.

"Well, that's the business I was able to start for a little over a thousand dollars. That's the business I built up over a period of eight years. And, that's the business I sold out at a substantial profit before I was fifty."
