CHARLES ATLAS, World's No. 1 Body Builder, says:

# Don't Be Half A Man!

Let ME SHOW How I Can Make You a Real HE-MAN From Head to Toe — in Just 15 Minutes a Day!

Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a real HE-MAN! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach... shy of girls... afraid of healthy competition.

## HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn you, too, into a marvelous physical specimen... a real HE-MAN from head to toe... a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new sort of beautiful, rock-hard SOLID MUSCLE!

## MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams... turn your fists into sledge-hammers... build mighty legs that never tire! Mail coupon today for my famous book showing how "Dynamic-Tension" can give you a Body by Atlas, Charles Atlas, Dept. 606 115 E. 23 St., New York, N.Y. 10010.

# INCREDIBLE, INEDIBLE INFO TO STUN YOUR SIX SENSES AND SOOTHE YOUR SECRET SOUL!

**ITEM!** January 5, 1972! Mark that date in your memory-book, faithful one—'cause that's the night the batty Bullpen got it all together at Carnegie Hall, in the hectic heart of New York City! As we told you last month, the whole magilla was called "A MARVELOUS EVENING WITH STAN LEE"—and it was a way-out compendium of music, magic, and madcap Marvel mayhem! Smilin' STAN himself was Master of Ceremonies—presiding over the frantic goings-on and reading dynamic dialogue from some of his greatest masterpieces, while images of mighty Marvel superheroes flitted across a giant movie-screen. A trio of our titanic artists got into the act, too, as Jazzy **JOHNNY ROMITA**, Happy **HERB TRIMPE**, and Big **JOHN BUSCEMA** did sensational sketches of Captain America, ol' Greenskin, and Thor—which in turn were projected onto that selfsame screen. (There was a passel of our cavortin' characters in actual attendance, too, including Spidey, Daredevil, Doc Doom, and even J. Jonah Jameson himself!) The standing-room-only crowd exploded with applause, also, at the roster of famous names who had gathered to pay homage to the madness that is Marvel: World-famous film director **ALAIN RESNAIS** translated a few of the Silver Surfer's most awe-inspiring soliloquies into his native French; and there were also a few pungent paragraphs about our heroes which were intoned by radio personalities **ALEX BENNETT** and **EARL DOUD**, by actors **RENE AUBERJONIS** and **CHUCK MCCANN** (you've seen the latter a zillion times as the "Hi Guy" neighbor on the other side of the medicine cabinet in those Right Guard commercials), and neo-journalist **TOM WOLFE**, resplendent in red, white, and blue as he read about—you guessed it—Captain America. As for the music we mentioned above, most of it was provided by the far-famed **CHICO HAMILTON PLAYERS**—but some more Marvel madmen got into the act, too, as Hectic **HERBIE** and Bashful **BARRY SMITH** plunked a couple of wild electric guitars while Rascailly **ROY THOMAS** belted out a rousin' rocker or two! Then, for the grand finale, just about everybody in the whole blamed Bullpen crowded onto stage to sing the Merry Marvel Marching Society theme-song—while, not to be outdone, dozens of cheering fans rushed onstage as well, and the show closed amid a revel of handshaking and autograph-signing all 'round. And that was that! All in all, it was a wildly successful evening—and not necessarily the last of its kind, either! And, if there were a few bleary eyes and sore throats among the Bullpeners come the morning of the 6th—well, that's show biz, people!

**MARVELOUS MINI-ITEMS:** We've just barely got room to tell you about a

## STAN LEE'S SOAPBOX

Whoa! Hold it! Stop everything! Before you pick up your pen to add to the thousands of angry letters we've already received, give us a chance to explain! It seems that almost everyone out there in Marveldom Assembled has written to castigate us for not printing announcements of our Carnegie Hall show right here in our mags, so that you could have known about it ahead of time. Unfortunately, it was impossible because our mags had already gone to press before the date was decided upon by both Carnegie Hall and our producer—and once all the arrangements had been made it was too late to get another date. But, don't lose faith, Believer! All is not lost! Luckily, a recording was made of the whole senses-shattering spectacle, and we're gonna try to turn it into an album which we'll offer for sale as soon as we can work out all the dazzling details. So, if you can bear the suspense, watch this space in the months to come—save your pennies—and tune up the ol' turntable, 'cause the best is yet to be!

Excelsior!

heaping handful of surprise goodies coming your way this month—so here goes—• **DR. STRANGE** is back! Ol' STAN has joined forces with baneful **BARRY** to spin a whole new series of black-magic yarns about the most mysterious hero in the history of comic, in the now-on-sale ish of **MARVEL PREMIERE!** • Not to be outdone, Happy **HERBIE** (there's that name again!) has teamed up with Melancholy **MIKE FRIEDRICH** to present a spanking-new series of adventures of the ever-amazing **ANT-MAN**, in the pages of the current **MARVEL FEATURE!** • And, just in case you're wondering whatever happened to our rapturously-received **DEFENDERS** and **WARLOCK** strips—well, just wait a few weeks and see for yourself, forbearing one! • **KULL THE CONQUEROR** is back in his own full-length mag, as well—depicted by the startling **SEVERIN Siblings** (who else?)—just in time to help us celebrate the return of our epoch-making **CONAN THE BARBARIAN** mag to regular monthly publication! • And, just to top off all the shenanigans, famous fantasy author **HARLAN ELLISON** has plotted a special issue of **THE AVENGERS**, which in turn has been ably illustrated by Marvel's newest star artist, riotous **RICH BUCKLER** • More you could ask for, in one shot 30-day month? I CAN'T TAKE IT! I CAN'T! IF THEY DON'T STOP-- I'LL GO MAD!

"I DON'T KNOW HOW I DID IT, BUT I LASTED OUT THE WEEK--LONG ENOUGH TO GET MY FIRST, AND ONLY PAY CHECK! AND THEN, AS THE CIRCUS TRAIN PULLED OUT THAT NIGHT--"

THEY'LL NEVER LAUGH AT ME AGAIN!

### AT LAST A RECORD AND TAPE CLUB WITH NO "OBLIGATIONS"—ONLY BENEFITS!

Ordinary record and tape clubs make you choose from a few labels—usually their own! They make you buy up to 12 records or tapes a year—usually at list price—to fulfill your obligation. And if you forget to return their monthly card—they send you an item you don't want and a bill for \$4.98, \$5.98, \$6.98, or \$7.98! In effect, you may be charged almost double for your records and tapes.

#### BUT RECORD CLUB OF AMERICA

##### ENDS ALL THAT!

We're the largest all-label record and tape club in the world. Choose any LP or tape (cartridges and cassettes), including new releases. No exceptions! Take as many, or as few, or no selections at all if you so decide. Discounts are GUARANTEED AS HIGH AS 79% OFF! You always save at least 33 1/3%. You get best sellers for as low as 99¢.

#### NO AUTOMATIC SHIPMENTS

With our Club there are no cards which you must return to prevent shipment of unwanted LPs or tapes (which you would have to return at your own expense if you have failed to send written notice not to ship). The postage alone for returning these cards each month to the other clubs costs almost an additional \$2.40. We send only what you order.

#### HOW CAN WE BREAK ALL RECORD AND TAPE CLUB RULES?

We are the only record and tape club NOT OWNED... NOT CONTROLLED... NOT SUBSIDIZED by any record or tape manufacturer anywhere. Therefore, we are not obligated by company policy to push any one label. Nor are we prevented by distribution commitments from offering the very newest LPs and tapes.

**SPECIAL INTRODUCTORY MEMBERSHIP OFFER**  
Join RECORD CLUB OF AMERICA now and take advantage of this special Introductory Membership Offer. Choose any 3 LPs or any 1 tape shown here (worth up to \$20.94) and mail coupon with check or money order for \$5.00 membership fee.

(a small handling and mailing fee for your free LPs or tapes will be sent later). If you can't find 3 LPs or 1 tape here, you can defer your selection and choose from expanded list later. This entitles you to LIFETIME MEMBERSHIP—and you never pay another club fee. Your savings have already more than made up for the nominal membership fee.

#### NOW YOU CAN CHARGE IT

If you prefer, you may charge your membership to one of your credit cards. We honor four different plans. Check your preference and fill-in your account number on the coupon.

#### LOOK WHAT YOU GET

- **FREE Lifetime Membership Card**—guarantees you brand new LPs and tapes at discounts up to 79%... Never less than 1/3 off.
- **FREE Giant Master LP and Tape Catalog**—lists thousands of all readily available LPs and tapes (including foreign)... all musical categories.
- **FREE Disc and Tape Guide**—The Club's own Magazine, and special Club sale announcements which regularly bring you news of just-issued new releases and "extra discount" specials.
- **FREE ANY 3 Stereo LPs or any 1 Tape** shown here (worth up to \$20.94) with absolutely no obligation to buy anything ever!

#### GUARANTEED INSTANT SERVICE

# THE SPIDER'S WEB

SEND YOUR LETTERS TO:

THE MARVEL COMICS GROUP, SECOND FLOOR 625 MADISON AV., NEW YORK, N. Y. 10022

Dear Gang,

After wading thru SPIDEYS #105 and 106, much praise is in order for the web-slinger's latest adventures. It sure was nice to see ol' JJJ back to his ever-lovin' self: grouchy and hypocritical as ever. In the issues with Ka-Zar, he seemed too nice to really be Jolly Jonah. But going after Spider-Man with Professor Smythe's Spider-Slayer, not to mention his confrontation with Web-head (ish 106, page 13), and other typically Jameson actions were right up his alley.

The foreshadowing of Smythe's true motives for the Spider-Slayer in ish 105 when JJJ temporarily loses control, and where Smythe's hand is shown, is really tremendous. By giving the clues away at an ever-increasing rate, you built up Smythe's villainy nicely.

Flash Thompson, Mary Jane, and Harry are all potentially serious problems. So is Gwen, but—I'm on my hands and knees—Bullpen, don't let anything happen between her and our favorite wall-crawler; plague Spidey with anything but that. Right now, I don't see anything coming up to split them, so let's leave it that way.

Finally (whew!), I'm glad to see Johnny Romita back penciling the old web-spinner. Nobody draws the Spider-Man gang like Jazzy Johnny. I mean no offense to Gil Kane, for his views of scenes are unique. But Gil, why must we look up everyone's nose?

'Nuff Said!

Joe Dornbrock, Marianne Estates R.D. 1  
Shippensburg, PA 16254

Joe, we're sure you'll be glad to know that the company you keep is nothing but the highest! Virtually every letter we receive from the multitude of Spidey-fans has been praising John Romita's return to our favorite web-slinger's adventures. The applause has been so loud ol' Smiling Stan couldn't get that grin off his face if he wanted to!

And both Stan and John say the best is yet to come. The entire Bullpen has been talking about the dramatic developments in the lives of Peter, Gwen and Flash—and if you think we've stopped there, take a peek again at page 15, the first hint of an entirely new plot-line.

Watch our smoke, tigers!

Dear Stan and Friends,

Having not written for several issues, I find myself dusting off the old type-machine to comment on issue #106. Firstly, let me say that I was quite pleased to find John Romita back on pencils. Oh, Gil Kane is a fine artist (his work on the new WARLOCK strip is very nice), but Romita was the artist when I first started reading Spidey about 3½ years ago, and the mag just hasn't been the same (at least to me) without that Jazzy touch.

As to the story, there were good parts and there were bad. Spidey's getting out of the trap to reveal his secret identity by wearing a Peter Parker mask has got to rank (a well-chosen word) with the worst "escapes" of the Republic cliff-hangers of the 1940's. This kind of denouement was run into the ground in the comics of the 50's and surely it needs no resurrection now. In contrast was the sequence presented on the last three pages. Although a mechanical spider-catcher is far from being something new, the use of ethyl chloride added a nice element of authenticity and showed that Stan has been doing his research. Spidey getting caught in a giant

spider-web was also a nice touch.

David B. Micheline, 3113 Klonway Drive  
Louisville, KY 40220

Another John Romita fan! Dave, meet Joe Dornbrock, right above you—and all the other Jazzy John praise-makers. You leave us with nothing left to say—and if you think we prefer that to having to answer a stack of irate complaints—you're absolutely right!

Meanwhile, we don't want to let a misimpression slip thru that gregarious Gil Kane's issues of SPIDEY weren't well-received by Marveldom at Large; in fact, his and Roy's villainous creation Morbius has proven perhaps the most popular addition to the pantheon of Spider-Man baddies since, maybe, the Kingpin. All of which is our long-winded way of tipping you off in advance that, beginning with issue #4 of our companion mag MARVEL TEAM-UP, Roy and Gil will be chronicling the ol' wall-crawler's co-adventures with the Human Torch and other Marvel heroes—beginning with a re-match with that selfsame vampire! We aim to please everybody sooner or later, lad—if they live long enough!

Dear Stan and John,

In SPIDER-MAN #25, Peter Parker unwittingly talks J.J. Jameson into allowing a Dr. Smythe to demonstrate the powers of a robot that is guaranteed to catch one Spider-Man. In that issue Smythe meets Peter Parker. He even calls him "Parker" a few times.

In SPIDER-MAN #58 one Peter Parker visits said Dr. Smythe (who, by the way, remembers Mr. P.) and our P.P. is once more snared by said Spidey-catching-robot. At which instance Dr. Smythe stumbles upon Mr. P.'s well-guarded secret.

NOW...In SPIDER-MAN #s 105-106, said doctor views the face of said Spidey-Peter. What's more, he doesn't recognize his foe! (For proof, view page 9 of Spidey #106). I must say the mag was very meagre. The only good things about the issue were the return of John Romita and my letter in the letters page (Ahem!).

I do not wish for another no-prize (which I deserve), nor do I ask for special notification. I only ask for the plots of your mags to improve, and for the Inhumans to regain their magazine.

Rex Howard, 872 Garden Terr.,  
Palm Bay, FL 32905

Just to show how unselfishly generous Marvel is, despite your humble pleas to the contrary, you, Rex Howard, Esq., are the recipient of yet another richly deserved no-prize! For, to tell you the honest truth, Stan (backed up by our stalwart crew of nit-picking proof-readers)...goofed! Our fearless leader was so wrapped up in presenting the increasing drama of Professor Smythe, the Spider-Slayer and the all-seeing Scanners that he plain forgot that the prof had any inkling at all of Peter Parker's connection to Spidey.

But the wall-crawler has dispatched of the errant academician, and has more pressing worries now—like the attack of a more than monkey-suited man called The Gibbon! We hope you feel this new arch-rival (as well as the unfolding sub-plots of all our various supporting characters) is the improvement you called for. If not, let us know. We may not always agree with your opinions, but we sure as heck listen to them. Where else can you find such open-mindedness, hmmm?

## KNOW YE THESE, THE HALLOWED RANKS OF MARVELDOM:

## WHY NOT MAIL IT TODAY?

Look at these pleased reports from LaSalle students. Many success stories of this kind come to us every year—from people who began their career planning by mailing the LaSalle coupon for information.

Yes, many graduates attribute their increases in income largely to their LaSalle spare-time training.

LaSalle students have one ambition in common—to get out of the ranks of the untrained and earn more money and respect in a better job. Isn't that your goal too?

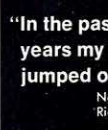

Without interfering with your present work—and by devoting only a little of your spare time—you too can prepare for advancement in the field of your choice through LaSalle home study. The cost is low.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma—a recognized and respected credential.

Check the subject you are interested in—then send the coupon above for FREE booklet. No obligation.
