CHARLES ATLAS, World's No. 1 Body Builder, says:

Don't Be Half A Man! Don't Be Half A Man!

Let ME SHOW How I Can Make You a Real HE-MAN From Head to Toe — in Just 15 Minutes a Day!

Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a real HE-MAN! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach... shy of girls... afraid of healthy competition.

HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn you, too, into a marvellous physical specimen... a real HE-MAN from head to toe... a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams... turn your fists into sledge-hammers... build mighty legs that never tire! Mail coupon today for my famous book showing how "Dynamic-Tension" can give you a Body by Atlas. Charles Atlas, Dept. 60Q 115 E. 23 St., New York, N. Y. 10010.

DO YOU WANT...

A DEEP CHEST?
I can add SOLID INCHES of powerful muscle to your chest, make you look and feel like a dynamo.

You'll see and feel your arm muscles BULGE out with super power and energy.

Just look at this great selection of recorded entertainment — available on records, cartridges, cassettes and reel tapes! So no matter which type of stereo playback equipment you now have — you can take advantage of this offer. If you prefer your music on Stereo Records join now and you may have ANY 15 for only \$1.97. Just indicate the 15 records you want on the application and mail it today, together with your check or money order. In exchange, you agree to buy twelve records (at regular Club prices) in the next two years . . . and you may cancel membership at any time after doing so.

OR — If you prefer your music on Stereo Tapes join now and you may take ANY 11 of these selections for only \$1.97. Just write in the numbers of your 11 tapes on the application — then mail it with check or money order. In exchange, you agree to buy nine selections (at regular Club prices) in the next two years . . . and you may cancel membership any time after doing so.

Your own charge account will be opened upon enrollment . . . and the selections you order as a member will be mailed and billed at the regular Club prices: records, \$4.98 or \$5.98; cartridges and cassettes, \$6.98; reel tapes, \$7.98 . . . plus a processing and postage charge. (Occasional special selections may be somewhat higher.)

You may accept or reject selections as follows: every four weeks you will receive a new copy of the Club's entertaining music magazine, which describes the Selection of the Month for each musical interest, plus hundreds of alternate selections from every field of music. (Since you'll receive 13 informative magazines a year, you'll always be up-to-date on the most current hits.)

... if you do not want any selection offered, just mail the response card provided by the date specified (you'll always have at least ten days in which to make your decision)

... if you want only the Selection of the Month for your musical interest, you need do nothing — it will be shipped to you automatically (naturally, you may return the regular selection at our expense and for full credit if you did not have ten days in which to decide)

... if you want any of the other selections offered, order them on the response card and mail it by the date specified

... and about four times a year we will offer some special selections (usually at a discount off regular Club prices), which you may reject by mailing the dated form provided . . . or accept by doing nothing.

You'll be eligible for the Club's bonus plan upon completing your enrollment agreement — a plan which enables you to save at least 33% on all your future purchases. Don't delay — Act now!

SEND YOUR LETTERS TO:
THE MARVEL COMICS GROUP, NINTH FLOOR 375 MADISON AV., NEW YORK, N.Y. 10022

Dear Stan, Gerry, and all,

This is the first time I have ever been stirred to write a letter to you guys, although I have been an on-and-off Marvelite for years. But now that sometimes status is over. You have really done me in! I am now a full-fledged Marvel addict, and what has done it to me is the recent change in Spider-Man's life. I've read a lot of comic books, but none have ever had the impact on me of SPIDEY #121-122.

A comic book can be many things. It can be a flight into absolute fantasy, a diversion from daily existence, a humorous interlude, an educational tool—any of a number of things. But you have brought to SPIDEY something which, although it often includes those factors, has that little bit more which takes a rag and turns it into art, into literature. You have added that incredible spark of reality, the continuity of existence through change, that makes life the paradox that it is. SPIDER-MAN is no longer just another comic book. It is a continuing work of art which bursts with brilliance.

Today, when I saw SPIDEY #125 in the store, I felt a rush of emotion through me. I was downright excited! I had to buy it. I had to take it home and slowly, panel by panel, completely digest it. And I was far from disappointed! The closing scene, with Spidey walking away from J. Jonah, leaves me itching to find out what J. Jonah is gonna put in the headlines of his next issue of the Bugle. Perhaps he has seen another side of Spider-Man? But I'm not going to guess. I'll just wait until the next time I see those words, THE AMAZING SPIDER-MAN, teasing me from the comic rack. And then, I'll happily return to the habit that has taken hold of me. And I'll enjoy the heck out of it!

Thank you for bringing Spider-Man to life.

Christopher Glow
3223 Manning Ave.
Cincinnati, Ohio 45211

And (sob) thank you (wheeze), Chris, for (gulp) raising a (wuhhh) lump in my throats (gasp) the size of a softball!

Excelsior, sir! And we only hope we can live up to the praise you've lavished upon us.

Dear Gerry & Company:

I'm glad to see in SPIDEY #125 that the Web-Slinger's finally getting his stuff back together.

But I can't help but feel that #124 & #125 are just stepping stones between epics.

It's gonna take some doing, Mr. Conway, to top the last mind-warping six months of SPIDER-MAN, but keep up the good scripting, and I'm sure I'll not be disappointed.

One thing, however. I think Gil Kane, Johnny Romita, and Tony Mortellaro should stay together as the artistic team. I don't mean to detract from Ross Andru's endeavor in SPIDER-MAN #125, but for so long now, I've felt like I've been getting twice as much action per panel when G.K., J.R., and T.M. try to contain themselves in their work. Mr. Andru is a good artist, as is evident in the MARVEL TEAM-UP mag featuring Web-Head and the Werewolf, and I'm looking forward to more of his panels. But do me a favor, guys, huh? Please don't break up again what's probably one of the best, if not the best, teams in Marveldom, or possibly all of comics. Thanks.

Wayne Schesta
1217-B Margaret St.
Key West, Fla. 33040

Well, Wayne, for better or worse, Gil, John, and Tony have been replaced, at least for awhile, by Ross Andru and Frank Giacoia. But, somehow...exchanging one team of Marvel's top talent doesn't exactly strike us as a tragedy! Let us know how you think Ross and Frank are doing, huh?

And as for that new epic you've been hoping for—it's on its way, all right. And it includes some of the wildest, weirdest scenes ever portrayed in a comics magazine! And that's all we're gonna say—for now. Except stand by to throw rice. (No, Irving, that doesn't mean that Snap, Crackle, and Pop will be guest-starring with Spidey!!)

Dear Stan, Roy, and Gerry:

On the credits for Cat Stevens' album, "Teaser and the Firecat", the drums are credited to Harvey Burns and one Gerry Conway. Is this the Spidey-writing Conway we all know and love? Do I get my no-prize?

(no name given)
630 Wendt Ave.
Rock Springs, Wyo.

Far out.

You sure do, no name given, though we hasten to add that it's not the same Gerry Conway.

Our Conway wouldn't know a snare from a tuba—though, from his spelling, we do suspect at times that he pounds his typewriter keys with drumsticks. Or turkey legs.

Dear Marvel,

According to The Comic Reader, SPIDER-MAN #126 will contain the Spider-Mobile.

Groat THUD!

"Hey! Joe just collapsed!"

"What's wrong with him? Should I call a doctor?"

"No. You'd better call Marvel."

"Why?"

"Listen closely. He's mumbling something about a Spider-Mobile."

retch *retch*

J. Brenner
18 West 22nd St.
Huntington Sta., N.Y. 11746

Since we used up our ration of LP sounds effects in our answer to the first letter on this page, we'll just say that we hope you know by now, that the ill-fated Spider-Mobile didn't do Spidey any more good than it did you, J.

Life is weird, isn't it?

Sorry — all we can show you of our future super-star right now is the above tantalizing head-shot. But, if that doesn't whet your appetite for the full-color pin-up we'll be layin' on you come the New Year — then you just got no soul, habibi!

ITEM! Now that the Yuletide Season is upon us, maybe it's time we finally broke down and told you how some of our free-wheeling, high-stepping Bullpeners spent their summer vacations — namely, by going to Comic Art Conventions in just about every major city on the map! First, there was the granddaddy of 'em all, the New York con, where just about everybody who was anybody in the nutty comics biz was in attendance. Next, Rascally ROY THOMAS slipped his editorial reins for a few days and zipped down to New Orleans' famed French Quarter, where he dropped in on a combined science-fiction and comic-book confab. No sooner did Roy return to his work-bestrwn desk, than Marvelous MARY WOLFMAN dumped the latest issue of CRAZY Magazine in his lap to proofread and scooted off (with his buddy Live-It-Up LEN WEIN) to Toronto, Canada, for a comics-con there. And, somewhere along the line, TONY (The Tiger) ISABELLA was a special guest at a con back in his old stomping-grounds in Cleveland; while Mischievous MIKE FRIEDRICH (along with Nefarious NEAL ADAMS) fell by San Diego's annual comics clambake. Last time we looked, just for good measure, Bashful BARRY SMITH had just been named Guest of Honor at the Detroit Triple Fan Fair, and

was packing his bag for a trip to Motown. Talk about your Busman's Holidays! Oh well — at least now the guys won't be insulted any more if they hear somebody refer to them as Con Men!

ITEM! Speaking of movin' and groovin', it seems that everybody is — moving, that is! With all the birds winging it south for the winter, a number of Marvel Bullpeners are heading west and will be sending in their sketches and scripts long-distance from now on. Even as we speak, Stainless STEVE ENGLEHART is trekking, typewriter in hand, to take up residence in San Francisco, as the aforementioned Mike Friedrich did a year or so back. And, when Steve arrives, his swingin' new 'cycle will be there waiting for him, courtesy of Judo JIM STARLIN, who polished off the latest CAPTAIN MARVEL and MASTER OF KUNG FU issues, then did the Westward Ho bit on Steve's new wheels. (With Steve's permission, of course. He'll do anything to keep a good artist happy!) What's more, last we heard, Far-Out FRANK BRUNNER and Groovy GARY FRIEDRICH (who's been dwelling in his own native Missouri of late) were all set to join the S.F. contingent as well. And the ultimate winner in this game of Musical Moving-Vans is just likely to be you, Marvel-booster — 'cause these forays will, doubtless result in renewed enthusiasm and energy being channeled into our opulent opuses. And friend, there's nobody in the comic-book game who throws himself, heart and soul, into his work any more than a Marvel madman — whether you're talking about Bullpen East or Bullpen West! No hype there, effendi — just plain hard fact!

ITEM! By the way, to round out our San Francisco Special, we can't resist mentioning that — in answer to a multitude of requests from those of you who'd come to miss Foggy Nelson and the rest of the former DAREDEVIL supporting stars — we've shipped The Man Without Fear back to Fun City for a few issues. Meet a crop of old friends — and maybe make a few new super-enemies — by picking up DD #108. (Hmmm ... do you suppose that ol' Fearless' return to the Big Apple has anything to do with the fact that writer STEVE GERBER and artist BOB BROWN still reside in the New York area? Oh well, ...)

ITEM! Some of you demanded it! A couple of you deplored it in advance! But we did it anyway! Jack Russell: WEREWOLF BY NIGHT, enters THE TOMB OF DRACULA — and the King of Vampires returns the favor in Wolfy's own mag — in this month's issues. But, you probably know that by now anyway, since those two mags (along with a sinister sleeper called THE MAN-THING) have become some of Marvel's biggest new hits!

See you next ish, people!

ITEM! Hey — remember how Marvel added all those 20s and 75s titles in '72 and '73? And how this sometimes forced us to use a big chunk of our Bulletin Page for special announcements of all our new plans and projects? And how a few of you used to take us to task for neglecting all the personal chat-chat and inside gossip that made you feel you really knew the guys and gals who turn out all those Marvel masterworks each month? Well, we'll let you in on a secret: We missed all that personal stuff as much as you did! So, starting now — and without abandoning our search for ever-newer horizons to conquer in the name of Marveldom Assembled — we're returning this page to all its former, much-lauded glory, and adding a new Bullpen Bonus Page, to boot! (You'll find it elsewhere in this same ish.) That's right, believer — now, you'll get two full pages of news and views each month (three, if you count our liltin' letters pages!) And, for those of you who are counting: Nope, we haven't dropped any pages of art and story, just a paid ad which took up that space last month — and this in spite of ever-rising printing costs and that depressing paper shortage you've been reading about (often, we might add, in newspapers with fewer pages). So now who says mighty Marvel isn't the Company with a Heart?

FUNNY, FUNNY, FUNNY. OUR BOYS IN BLUE SURE KNOW HOW TO HURT A GUY.

BONUS PAGE

MARVEL'S MERRY CHRISTMAS PRESENT TO YOU!

You know it, neighbor! In our regular Bulletins section, elsewhere in this issue, we promised you a whole 'nother page of Marvel madness and munificence. And here it is!

From now on, we'll be using this space to herald the latest developments (both personal and professional) in our giant-sized 75¢ line, which is taking comicdom by storm—in our cockeyed CRAZY Magazine, which is gonna give the Humor Establishment a run for its money—in our far-out FOOM Club, which is already one of our biggest smashes ever (but you ain't seen *nuthin'* yet, folks)—in short, in just about every field of Marvel endeavor that we think would move and shake you!

Meanwhile, for our very first Bullpen Bonus Page:

Remember how, last month, we promised to reveal unto you the Senses-Shattering Secret behind the pic of the Incredible Hulk that appears below? Well, Marvel always keeps its word—when we remember what we said, anyhow.

What it is, friends, is a stamp.

And not just any run-of-the-mill, lick-it-and-stick-it-on-a-postcard stamp, but the fabulous forerunner of a whole herd of—are you ready for this?—

MARVEL VALUE STAMPS!

That's right! From now on, one of these glitzy mini-posters—each featuring a different Marvel star or starlet—will appear in virtually every one of our mixed-up original-material mags—and in many of our collectors-item reprints, to boot!

Now, we don't want to reveal everything about these way-out stamps right off the bat.

For instance, we'll keep you on pins and needles a few weeks longer about what those nutty numbers mean in the upper corner of each stamp—or why you ought to keep 'em safe and secure, like the family jewels. Just rest assured that it'll be worth your while—and a heaping handful of fun, besides!

Oh, and before you ask—from our earliest mail-samples, it seems that just about everybody on the planet guessed that our perforated-edged portrait was meant to be a stamp of some kind. Inscrutable we'll never be!

Anyway, to see if the mag you're now reading contains a stamp to match the one on this page, why not flip over to the letters section! If the mag doesn't have a letters section, then maybe it'll be squirreled away some-where else in the issue—or maybe this is one of very few mags we haven't got around to yet! (But by next month, just watch our smoke, O frantic follower of foolishness and frivolity!)

Right now, here's our irrepressible, irreplaceable, irremedial checklist—!

MIGHTY MARVEL CHECKLIST

FANTASTIC FOUR #144: (The showdown with Doc Doom!)—SPIDER-MAN #130 (Hammerhead's back in town!)—THOR #221 (And so is Hercules! 'Nuff said!)—AVENGERS #121—INCREDIBLE HULK #173 (Anybody out there remember—the Cobbitt Man?)—TOMB OF DRACULA #18—CAPTAIN AMERICA & THE FALCON #171 (The Falcon gets his wings!)—WEREWOLF BY NIGHT #15—MAN-THING #3 (Enter the Fool-Killer! His name's a bit bizarre—but he's no laughing matter!)—KA-ZAR #2—MARVEL TEAM-UP #19 (The Human Torch vs. the Hulk, no less!)—DAREDEVIL #108—CONAN THE BARBARIAN #36—SUB-MARINER #69 (with surprise cameo by Spidey and Doc Strange!)—MARVEL TWO-IN-ONE #2 (The Thing and Namor— together again, and at each other's throats!)—CAPTAIN MARVEL #31—MARVEL PREMIERE #14 (Dr. Strange—at the Dawn of Creation!)—CREATURES ON THE LOOSE #28 (Thorog strikes again!)—JUNGLE ACTION #9 (The Black Panther! Baron Macabre! The Death Regiment!)—SGT. FURY #118—AMAZING ADVENTURES #23 (The War of the Worlds goes on—in our nation's capital!)—plus maybe a classic or two we forgot to mention!

Buy 'em anyway, huh? See you next ish, people!

THE ULTIMATE FAN CLUB

FOOM!

FRIENDS OF OL' MARVEL

FOOM! It gave you more in '73—and it's still alive in '74!

Never finished high school?

Now you can get a diploma without going back

You already know why it's important to have a high school education. You've probably learned the hard way that it can be pretty difficult to get the kind of job you want without one. No matter how hard you're willing to work.

What can you do about it?

Maybe you've thought of trying again to get a diploma. But you've suffered enough classroom "battle fatigue" to last you a lifetime. So you'd hate to travel that route again even if you could.

But what if we told you that there was now a much better way to get a high school education? An adult way, which gives you regular high school subjects and your choice of practical vocational subjects which help you get started in one of a number of profitable fields.

That's the unique Wayne School way. You do your reading and assignments in your spare time, in the relaxed atmosphere of your own home, and "turn in" your completed assignments by mail. You don't have to give up your present job. You don't have to study or travel to class at inconvenient times.

And you needn't be afraid of dropping out all over again, if you had trouble with school before. Wayne's specially prepared lessons make even difficult subjects much easier to take. And Wayne grades your assignments in private, by mail. You're free from competitive classroom pressures. You stay relaxed, and your progress is much smoother.

If you're 17 or over and not now in school, why not send for more information? Mail coupon for our free booklet, "*How to finish High School at home.*" You're in for a pleasant surprise.
