MYSTERIO MEANS MADNESS!

CHARLES ATLAS, World's No. 1 Body Builder, says:

Don't Be Half A Man!

Let ME SHOW How I Can Make You a Real HE-MAN From Head to Toe — in Just 15

Minutes a Day! Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a real HE-MAN! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach... shy of girls... afraid of healthy competition.

HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn you, too, into a marvellous physical specimen... a real HE-MAN from head to toe... a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams... turn your fists into sledge-hammers... build mighty legs that never tire! Mail coupon today for my famous book showing how "Dynamic-Tension" can give you a Body by Atlas. Charles Atlas, Dept. C60 115 E. 23 St., New York, N. Y. 10010.

THE INSULT THAT MADE A MAN OUT OF 'MAC'

While attending a demonstration in radiology, high-school student PETER PARKER was bitten by a spider which had accidentally been exposed to RADIOACTIVE RAYS. Through a miracle of science, Peter soon found that he had GAINED the spider's powers...and had, in effect, become a human spider...a SPIDER-MAN!

A full-page comic book illustration of Spider-Man underwater. He is in a dynamic pose, holding a large, brown, tentacle-like appendage. The background shows a dark, polluted river with industrial structures and a large red brick building. Bubbles are rising from the bottom. The scene is set in a dark, murky environment, contrasting with the bright colors of Spider-Man's suit.

THE DEEP BLUE HELLO: NEAR THE SURFACE OF THE HUDSON RIVER, THE WATER IS A PALE, ALMOST HEALTHY GREEN... BUT HERE AT THE BOTTOM, THE RIVER IS SO DARK AND POLLUTED, IT'S PRACTICALLY BLACK... AND THERE'S NOTHING REMOTELY "BLUE" ABOUT IT--

--EXCEPT THE DEPRESSION IN SPIDER-MAN'S SOUL.

BEAUTIFUL. I SPEND TWO MONTHS DESIGNING AND BUILDING THIS FOUR-WHEELED FIASCO--AND THEN I SINK IT.

IT'S ENOUGH TO MAKE ME BELIEVE I REALLY AM GOING CRAZY--

--AND I'VE GOT MORE THAN ENOUGH EVIDENCE TO SUPPORT THAT IDEA ALREADY!

NOT NEARLY AS MUCH AS YOU'RE GOING TO HAVE, WEB-SLINGER.

IT'S ALL PART OF A MALICIOUS LITTLE GAME-- A GAMBIT WE'RE CHEERFULLY GOING TO CALL--

DEAD MAN'S BLUFF!

AND, HERO--IN CASE YOU DIDN'T GUESS--IT'S NOT A GAME FOR CHILDREN!

SEND YOUR LETTERS TO:
THE MARVEL COMICS GROUP, 3155 FLOOR 375 MADISON AV. NEW YORK, N.Y. 10017

People:

This is a Gerry Conway fan letter. From a fan of Gerry Conway, naturally. He's certainly one heck of a writer!

His plots are superb. His characters are fascinating, to say the least. He's given us Green Goblin stories that rival Stan's masterpieces. He's given us the Punisher, Tarantula, Aunt May's wedding, Gwen's death (note one small snarl), battles with kangaroos, vultures, man-wolves, molten men, hammerheads, heroes for hire...you name it, he's given it to us! If there's one thing that guy has got, it's a fertile imagination.

And now, with his current crowning achievements in SPIDER-MAN and THOR, I'm finding it hard to believe he's only one man! How in the world is he going to top "Madness Means the Mindworm," or "Where Darkness Dwells, Dwell I"? At least in THOR he's left room to continue the story. Maybe you should retire him while he's on top, 'cause from here on it's got to be downhill all the way.

One word on the Jackal. These days, he could be anyone from Captain Stacy's unmentioned brother, to Flash! Kind of makes you wonder if YOU guys know who he is!

Stephan Friedt P.M.M.
Box 1131
Yakima, WA 98907

What? You mean that you think there's a question as to whether we know the Jackal's identity—is that what you mean? Are we capable of such things? Would we—could we—be that out of it? And further, would we stoop to asking those kinds of questions to avoid the entire issue?

Quite possibly.

As for Gerry, he was glowing like a 15,000 candlepower beacon, right up until he read that line about retiring while he's on top, cause where else can he go but down: and as soon as we soothed his hypertense attack of insecurity, he promptly began making extravagant claims about truly amazing and stun-boggling plans for Spidey...and frankly, after he told us all about them, we've gotta agree.

You ain't seen *nothin'* yet!

Dear Marvel:

Actually, anybody with any brains knows that the Jackal is really Gerry Conway, who has always been jealous of Peter Parker's powers. Don't be surprised if—upon receiving this letter—he leaps out of the window screaming, "You'll never take me alive!"

James L. Kegley

401 1/2 Eighth Avenue S.E.
Aberdeen, SD 57401

Dear Marvel:

You seem to think that just because your comics contain brilliant stories and beautiful art work, you have conquered all the important aspects of a good comic. Not so. You have neglected the importance of a *good cover*.

The following is favored by an overwhelming majority of people I have interviewed:

1. The old Marvel style of box in the upper left-hand corner. This is a colorful asset to the cover and confines "Marvel Comics Group" where it will not distract from the pictorial design. This old style is favored by 100% of those interviewed.

2. Limit word balloons and rectangles to one, or at the most, two per cover. They are usually unnecessary. This

idea is also a definite 100% favorite. After all, who buys a comic because, for example, on the cover the Hulk says, "He attacks again. But this time Monster will die!"?

3. Do not clutter up a cover with too many secondary objects. Focus 90% of your talents to major objects and your background becomes simple yet eye-catching.

4. You might also want to change some of the titles back to their old style of print. This particularly pertains to Spider Man because everyone likes the old, realistic webbing.

5. Finally, do not separate the title from the rest of the cover by using any sort of barrier or background color change.

The foregoing is an outline of my opinions and findings. If you don't believe me, ask the readers—then you will! I am begging you to take this seriously, for I truly believe it will improve your comics.

Philip J. Atteberry
1055 South Alameda Drive
Baton Rouge, LA 70815

We appreciate your letter, Philip—sincerely. It's always to our benefit to know what Marveldom at large is thinking, and if this is truly a representative sampling of opinions, then perhaps it's time we re-thought our cover policy. Because you certainly *do* have some good points.

Now, we know that we may be getting a bit redundant, month after month, always asking for the opinions of our readers...but we think this is important, and hereby request *all* of you to write and tell us whether you agree or disagree or disagree with Mr. Atteberry.

After all, we may be doing the wrong thing without even knowing it, and it would certainly be ironic if many of you were buying our titles *in spite* of our covers, rather than *because* of them.

Do let us know.

Marvel,

Stan took the first step and had Peter graduate from high school, but he made the mistake of not taking the second step (having Peter graduate from college).

Neither Roy or Gerry took that second step either, because all three "felt the majority of our readers preferred to read about a college-age Spidey." I'd rather read about a Spidey who's like me and will eventually grow old and die. However, some of your characters—the immortal types—should not age, because they're immortal (simple).

Greg Cupp
RR #1, Box 300
Lead Hill, AK 72687

Dear Marvel,

Spider-man should stay in college: if he got any kind of job, he would have to be fired, because he would always be missing.

Alf Meares
8600 N. West Lane Sp. 127
Stockton, CA 95207

Well, the opinions keep trucking in (by the *truckload*) on the subject of our boy Pete, and of whether or not he should be splitting from the college scene. Sure, there's a scattered "keep him in school forever" here and there (we've seen about three), but truth to tell, our original findings continue to be borne out—Marveldom Assembled wants life to go on for Mr. Parker, which definitely includes graduation from college. And for rising up to speak as if with one voice, we thank all of you, Spidey-cerely.

See ya next ish, Marvelites!

So, greetings to YOU, chum
Without you—we're zero!

Greetings as well to the fabulous folks at Children's Television Workshop who've helped us make comic-book history with the widely-acclaimed SPIDEY SUPER STORIES—and to the great guys and gals at Simon & Schuster who've made national best-sellers of our crazy and colorful MARVEL CALENDAR, as well as our sell-out sensation, the ORIGINS of MARVEL COMICS! And, the Season's Best from all of us here in the Bullpen to our talented engravers, printers, distributors, and licensees—to all the True Believers everywhere who've truly made The Marvel Age of Comics an era of fun, and fantasy, and fellowship that will long outlast these fleeting words!

Excelsior!

Stan

Oops! Hold it! This is still starry-eyed Stan yakkin' on. I almost forgot to bring you up to date on the new, cataclysmic changes in our editorial line-up. Effective immediately, I'm proud to announce the appointment of Lively Len Wein as Executive Editor of mighty Marvel's greater-than-ever group of color comics! While with equal pride, I hereby acclaim Marvelous Marv Wolfman as Executive Editor of Marvel's sensational series of black-and-white story-panel magazines! And, even before our heads can stop reeling from this cataclysmic communique, let me add that Len and Marv will be assiduously assisted by their newly-appointed managing editors, Marvel's own Cheerful Chris Claremont and Dauntless Don McGregor! As for Roy "The Boy" Thomas, (remember when I first called you that, R.T.? Was it seven or eight years ago?), the Rascally One is now basking in the title of Editor Emeritus as he returns to his first love, scripting,

wherein he plans to produce more majestic masterworks than ever for Marveldom Assembled! And now, take it away, Lively Len, and the rest of the batty Bullpen—

ITEM! As if Smilin' Stan's loquacious comments above haven't confused you enough already, let us be the first to add that Len and Chris and Marv and Don will be bravely backed up by yet another two stalwarts; Sparkling SCOTT EDELMAN, former Associate Editor on our ever-burgeoning line of blockbustin' British weeklies, has shambled several doors over to become the latest—easily the LARGEST—Assistant Editor our cavortin' color comics line has ever seen, while DAVE (The Dude) KRAFT has assumed the title, not to mention the diligent duties, of Articles Editor for our bombastic black-and-white magazines. Welcome aboard the mighty Marvel ark, illustrious ones—and know ye that your efforts on behalf of Marveldom Assembled shall be applauded by all. (Now if we could only figure out some way to PAY you guys something every once in a while...)

ITEM! If you think you need a scorecard to keep track of your batty Bullpen's moves around the office, you need a whole blamed computer to keep tabs on their various movings about in the wondrous world outside during the past few months. To wit: the aforementioned Dauntless DON MCGREGOR packed up his stunning wife SANDY, their durable daughter LAUREN, not to mention the world's largest collection of Robert Culp publicity stills, and trucked from the wilds of the Bronx into the heart of darkest Queens (just a very few blocks away from a certain malevolent couple named WOLFMAN, and a gentleman dude called KRAFT). Meanwhile, STEVE (Baby) GERBER carried himself and his belongings from the mythical borough of Brooklyn right into shadow-strewn mid-town Manhattan (brave man, that GERBER), while still finding time to turn out a frankly-informative article on comics

as a visual story-telling medium for the film-focused magazine SUPER-8 FILM-MAKER. Back on the moving scene, Dynamic DAVE COCKRUM and family moved across over-crowded Queens; Iridescent IRENE VARTANOFF trekked across beleaguered Brooklyn; and in what must rank as one of the shortest moves on record, Merry GERRY and Cavortin' CARLA CONWAY (the hottest new writing team since Astaire and Rogers—that's Ginger, not Steve) shlepped their twin typewriters and their pandemonious paperback collection a whole ten blocks from their former digs. Let's hear it for braving new frontiers, folks. If we had room, we might also be tempted to mention that RICH (Swash) BUCKLER gathered wife, son, and drawing board, and journeyed back to his native Detroit, while Dapper DAN ADKINS pulled up stakes and fled East Liverpool, Ohio for the fresh air and cactus of Arizona. But we don't have room, so we won't.

ITEM! Looks like it's cataclysmic clarification time again, Pilgrims. Seem your beleaguered Bullpen has been bombarded lately by letters wondering why one or two of our mildly magnificent color mags haven't carried the mighty MARVEL VALUE STAMPS we've been telling you so much about, so now's as good a time as any to set the record straight. If you're eagerly looking for our vital VALUE STAMPS each and every month (and if you're not, you don't know the adventure you're missing), you'll find 'em on the littin' letters pages of any and all of our mags that have letters pages. The reasons behind excluding the MVS's from non-letters paged mags is far too complicated to go into here, but trust us when we say it's a condition we just can't avoid right now. In the meantime, keep your eagle eyes peeled for the startling second series of VALUE STAMPS coming to you soon. Believe us, if ya thought the first series was enough to knock you out of your proverbial tree, the second set'll floor you.

**YOU'LL BE A MASTER OF SELF DEFENSE ONCE
YOU'VE COMPLETED OUR REVOLUTIONARY NEW
AUDIOVISUAL HOME STUDY COURSE IN DYNAMIC....**

KUNG-FU & KARATE

**YOU LEARN BY LOOKING AND LISTENING THE EASY WAY
—FOR LESS THAN 16¢ A LESSON!**

YOUR PHYSICAL SIZE AND AGE ARE UNIMPORTANT

It doesn't make any difference whether you are short, tall, skinny, fat or just plain average. We don't care if you've lost every fight you ever fought. We'll teach you how to defend yourself and those you love against one, two, or even three attackers with complete self confidence. By taking our revolutionary new audiovisual home study course in dynamic KUNG FU & KARATE you'll be able to face ANY MAN, ANYWHERE without the fear of being physically hurt or embarrassed.

WE'LL PROGRAM YOUR MIND TO MASTER ALMOST ANY SELF DEFENSE SITUATION

No rigorous or boring exercises are necessary. You learn in the comfort and privacy of your own home, either alone or with a friend, by looking and listening with our simple, effective audiovisual technique. You merely follow the pictures in our lesson book as you listen to each lesson on our SPECIAL LONG PLAYING 12" RECORD. What could be easier?

By playing this record over and over, the lessons become buried deep in your subconscious. Your mind is conditioned in the ancient Oriental disciplines of KUNG FU & KARATE—it develops a memory bank of specialized fighting knowledge. If you are attacked, you'll find yourself springing to action almost automatically, using this knowledge to defend yourself and those you love.

YOUR BODY BECOMES A POWERFUL WEAPON OF DEFENSE

We'll teach you how to use your hands, feet, arms, legs, elbows and knees as powerful weapons against any attacker. You'll learn the KUNG FU & KARATE techniques of the thrust punch, hammerfist, X & U punch, knife hand, spear hand, palm heel strike, snap kick, thrust kick, slapping kick, knee kick, elbow strike, backfist, X block, sweeping block, high and low blocks, and much, much more. You'll learn nerve centers and pressure points—where, when and how to hit effectively and avoid being hit yourself. You'll learn all the essential secrets of these two Oriental fighting arts—ancient secrets that have allowed smaller, weaker men to defeat larger, more powerful men with ease.

A NEW, CONFIDENT YOU

Take this course and feel like a new person. Never be afraid to go anywhere ever again—ball game, beach, school yard, bar, dance, tough neighborhood, back alley or parking lot at night. Gain self confidence and win the respect and admiration of those you love. Your cool, confident steel-like gaze will show others you are no person to fool around with. Feel a new power come over you—the power to master almost any self defense situation!

HERE'S WHAT YOU GET:

Our long playing 12" 33 1/3 RPM instruction record which contains 35 complete, separate and distinct lessons. It was

specially produced to make the learning of the essential self defense techniques of KUNG FU & KARATE as inexpensive and easy as possible.

Complete picture lesson book containing over 135 photos and illustrations.

While you are coached by the lesson record, each defensive movement is shown to you step-by-step by our instructor, TOYOTARO MIYAZAKI, BLACK BELT, 5TH DAN from the world famous KENKOJUKU DOJO in TOKYO, JAPAN.

Complete nerve center and pressure point chart showing all vital areas of defense.

HERE'S WHAT THE EXPERTS SAY ABOUT THIS COURSE:

"Next to taking lessons in a dojo, this home study course has to be the best way available for learning self-defense, Kung Fu and Karate."

R. Richards, Black Belt, 1st Dan

"At last! A home study course that is more than just a book or manual. This course is, without a doubt the easiest most effective home study program I have ever come across."

Never finished high school?

Now you can get a diploma without going back

You already know why it's important to have a high school education. You've probably learned the hard way that it can be a mighty big handicap when you don't have enough education — no matter how hard you work at your job.

What can you do about it?

Maybe you've thought of trying again to get a diploma. But you've suffered enough classroom "battle fatigue" to last you a lifetime. So you'd hate to travel that route again even if you could.

But what if we told you that there was now a much better way to get a high school education? An adult way, which gives you regular high school subjects and your choice of practical business and vocational subjects which give you background for one of a number of career fields.

That's the unique Wayne School way. You do your reading and assignments in your spare time, in the relaxed atmosphere of your own home, and "turn in" your completed assignments by mail. You don't have to give up your present job. You don't have to study or travel to class at inconvenient times.

Wayne School
wants to help you finish
high school at home

And you needn't be afraid of dropping out all over again, if you had trouble with school before. Wayne's specially prepared lessons make even difficult subjects much easier to take. And Wayne grades your assignments in private, by mail. You're free from competitive classroom pressures. You stay relaxed, and your progress is much smoother.

If you're 17 or over and not now in school, why not send for more information? Mail coupon for our free booklet, "*How to finish High School at home*." You're in for a pleasant surprise. And there's no obligation.
