WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

Now You
Can Use

THE MARVEL COMICS GROUP, SIXTH FLOOR 575 MADISON AV., NEW YORK, N. Y. 10022

Dear Marvel,

BRAVO!! SPIDER-MAN #146 was one of the best stories I have ever laid eyes upon. The Jackal series is coming along just fine. After reading the first two pages of the book, clues are given which would lead to the impression that Harry Osborn is the Jackal, but since Harry is supposedly still being taken care of, this cannot be.

Another assumption is that the Jackal is the cause of the Gwen Stacy mystery. But, once again, we are not given enough information to be sure. Just another indication of Gerry Conway's genius.

Don't worry, I'm not forgetting the artwork. As usual, Ross Andru turned out a perfect issue. It was also very nice to see John Romita back on the job (who is/are the gang)?

Until next time.

T.W. Carl
Box 145

Frenchtown, NJ 08825

The "Gang", T.W., at least in *this* instance, consisted of John Tartaglione, Mike Esposito, Frank Giacoia, and John Romita Jr.; stalwarts all, who, because of deadline hassles, pitched in to help Jazzy Johnny on the inking chores. And as long as we're passing around the praise, let's hear a round of applause for Archie Goodwin and Gil Kane who took the time out from their busy schedules to produce this epic 150th anniversary issue of everyone's favorite wall-crawler!

Webmasters:

Next issue: we learn the true identity of the Jackal. Last chance to guess it before we're told.

I've no definite answers, just a guess, and I can't even tell if it's a good one. You tell me. Here's how I reasoned it.

Fact: the Jackal wants Peter Parker/Spider-Man dead.

Fact: he knows Peter Parker is Spider-Man.

Fact: he resembles the Green Goblin, he is green, and his mannerisms are reminiscent of the early Goblin.

Fact: only two villains have learned Spidey's true identity, and both have been the Green Goblin.

Fact: the Jackal created the clone of Gwen now bedeviling Peter.

Sounds like the Jackal is or was the Green Goblin, right?

I don't think so. It strikes me as being a might too obvious for such devious people as Marvel madmen. First of all—Mr. Osborn (the original Goblin) is dead. That, of course, means nothing, in and of itself. Characters in Marvel stay dead only so long as it suits a storyline. However, I'm going to play a hunch: Mr. Osborn is dead. Really dead. Still dead. There's something more than a hunch behind this: the Jackal's build is much too slight for Mr. Osborn. At least, I think so.

Is it Harry? Again, I don't think so, and I may be on better ground here. Harry became the Green Goblin AFTER we met the Jackal. The last we saw of Harry, he was being taken away to the booby hatch. Again, that doesn't totally disqualify him, but it helps. The main objection is: why would he become the Goblin as well as the Jackal? That's a little devious for such obvious people as Marvel madmen.

So, who is it? It's just a hunch, pegged on one fact recently

gathered: the current Gwen is a clone. That leaves the scariest guess of all, and just the sort of touch I think you'd love.

The Jackal is a clone.

Of Peter Parker.

Not bad, John. As you undoubtedly realize after reading **SPIDER-MAN #150**. Although the Jackal *himself* wasn't revealed to be a clone, a Spider-Man clone did figure into the final climactic confrontation between Spider-Man and the Jackal.

There were a couple of True Believers who figured out that the Jackal was Professor Warren, but unfortunately, because of a mix-up with our letter files, these missives were lost. We apologize for not being able to recognize these frantic fans in print. It just goes to show: you can't fool *all* of the Marvelites *all* of the time, but you can count on your Blushin' Bullpen to bungle *every* time!

Dear Marvel,

In answer to the flood of letters you are bound to receive, Gerry is right in saying that Gwen Stacy has been dead for two years. Sort of.

She was killed by the Green Goblin sometime during the spring '73 semester (Marvel Time), as is shown in issue #126. (#124 takes place 10 days after Gwen's death; #125 is the next day; #126 takes place only days later because John Jameson is still in the hospital from his stint as Man-Wolf in #125. Also in #126 Prof. Warren chides Peter for blowing off the class that he signed up for in January — hence the Spring semester.)

Things move briskly along through Betty Brant's 1973 Christmas party and Aunt May's Christmas Eve wedding, in issues #130-131. Spring of '74 happens in #134 and summer '74 ends in #139. By #143 Christmas '74 has "come and gone." In #146, about two weeks later, Gwen has indeed been dead two years.

This is not to explain why, in #129 (still the Spring '73 semester) Betty invites Peter to her Christmas party, which he attends a week later; or why in #143 when Christmas '74 has "come and gone" Spidey refers to a September battle with Mysterio (#141-142) as occurring "last week." These are Marvel's problems. Cheers!

Tony Soper

And there you have it, Marvelites, a complete timetable of events from the moment Gorgeous Wendy fell to her death until "her" return.

Now a special age-proof no-prize to the first person who can explain why Peter attended a Christmas party in the spring of '74! In other words: **HELP!**

Next issue: Len Wein takes over the writing chores on Spider-Man and combines with the team of Andru and Romita to bring you the beginning of a new era in the Spider-Man saga! We've got one-hundred and fifty issues behind us, pilgrim, and we're not going to let up now!

STAN LEE'S SOAPBOX

It's time to wish Marvelous Marv Wolfman lotsa luck as he takes over the editorship of our color comics from Len Wein. As for ol' Len, he'll be serving as consulting editor, to give him more time for script-writing, as in the case of Editor Emeritus Roy Thomas about a year ago, remember? And Amiable Archie Goodwin says we shouldn't worry about the black-and-white mags 'cause he'll be handling them in the usual maniacal Marvel manner—whatever that means!

Now, here's some zingy news for all you True Believers who shop 7-ELEVEN. All summer long, more than 5,000 7-ELEVEN neighborhood stores are featuring 60 great Marvel superheroes and villains on their famous Slurpee cups. Yep, you get a new, Marvel-designed, full-color collector's cup every time you buy a Slurpee drink! (And if one of the cups shows a weebegone wretch in a scraggly moustache, it's not a mistake. Some wise guy slipped in a drawing of me—in a superhero suit! But don't worry—they won't charge you extra for it!)

Next, a couple of personal notes. I just wanna say "Hi" to Terrific Terry Gilliam and the other cataclysmic cutups of MONTY PYTHON'S FLYING CIRCUS. (How many of you recognized ol' Terry when we were sitting together swapping ribald röstes at last Easter's Mighty Marvel Con?) Also, another "Hi" to Angelic Angela Bowie, and her titanicly talented hubby, Dashin' David Bowie. The three of us are planning a real far-out surprise for Marvel-dom Assembled, if we can ever get together long enough to nail it down! In fact, if you latch onto some of the issues of our latest smash publication, CELEBRITY, you'll be seeing Terry, Angela, David, and a whole kaboodle of other headlines who fill our little world with so much fun and excitement.

And now I leave you with the immortal words of Irving Forbush: "It's time to take a troll to tea!" (But only if he's got a credit card!)

Excelsior!

Stan

ITEM! While the rest of you are frolicking in mid-Summer, thanks to the time-warp involved in printing these mags, your bold Bullpen Buddies are just getting into the pursuits of Spring, sunshine, and (ta ta!) **SOFTBALL!** Once again, we've fearlessly challenged a host of the city's major publishing houses to compete on the field of honor in fast and furious softball action. We're not gonna say how we fared

when we waged the good fight against **SPORTS ILLUSTRATED** or **TIME MAGAZINE** (you can't win 'em all, Irv!), but we did beat **JOHN R. WILEY & SONS** by a senses-shattering score of 18 to 7. The Marvel madmen were in great form that day. Stay tuned, fans—and we'll keep you posted on our favorite softball team's pulse-pounding progress as the season rolls on!

ITEM! We've been struggling for months to produce the most titanic **MARVEL TREASURY EDITIONS** a Marvelite could want and guess what? We've found we can't improve on a perfect product—all we can do is give you **more!** So, from now on, instead of having to wait two months between **TREASURY EDITIONS**, you can start haunting your newsstand every thirty days—'cause we're introducing a new treasury-sized publication called **MARVEL SPECIAL EDITION**. The power-packed premiere features Spidey's greatest foes—from the Lizard to the Molten Man to the Sensational Sinister Six! And since these books come out in alternating months, just four weeks after the release of the wall-crawler's **SPECIAL EDITION**, you'll be able to find the greatest Avengers stories of all time in our seventh terrific **MARVEL TREASURY EDITION**. (And while you're at it, don't fail to pick up on our baker's dozen of **GIANT-SIZE** titles this summer, which'll be re-presenting classic adventures of the **AVENGERS**, **CAPT. AMERICA**, **CAPT. MARVEL**, **CONAN**, **DAREDEVIL**, **DR. STRANGE**, **FANTASTIC FOUR**, the Incredible **HULK**, **IRON MAN**, **MASTER OF KUNG FU**, **POWER MAN**, **THOR**, and the **X-MEN**. Whew! And if you hurry, you may still be able to grab a copy of **QUEEN-SIZE MILLIE THE MODEL!** Remember: 68 pages for 50¢! More Pages! More Thrills! And much more Magic from the folks who brought you Howard the Duck!

MARVEL MINI-ITEMS! (Or: "Everything You Wanted to Know About Marvel But Were Too Far Away to Ask!") To repeat ourselves from last month—welcome back, **JACK KIRBY!** We're not saying that the King's artwork and scripting on his triumphant return to **CAPTAIN AMERICA** were masterpieces, but when they arrived in the morning mail, it took all of Jumbo **JOHN VERPOORTEN**'s vaunted might to pry his production staff away from them. We love ya, Jack—but we'll **never** get any work done this way! Speaking of welcoming back, say "Hi" to Incredible **IRV WATANABE**, letterer supreme, who's finally getting back into the business after too long an absence. Our humble Hawaiian goes back to some of the earliest **FANTASTIC FOUR** classics. Like we said, welcome back Irv—it's good to have you here with us again! Hey! Didja catch Dautless **DON MCGREGOR** on **WHBL-FM's** "The Big Sim Power Hour Show"? Don appeared to discuss comics in general and to talk about his upcoming radio series—"Night Figure"—which will be presented each week on that station and is guaranteed to

bring back memories of those halcyon days of radio drama! (And if you think that's all Marvel's doing with the wireless, you just keep an eye on future Bullpen Bulletins!) Congrats to Jumping **JIM MOONEY** and his wife **ANNE** on the arrival of **NOLLE**, a bouncing baby girl. Nolle hasn't started pencilling yet, but you can be sure we'll sign her up the moment she does!

Has anybody seen **STEVE GERBER**? Since he finished editing the special "Paranoia" issue of **CRAZY MAGAZINE**, he's been hiding out from **MARV WOLFMAN** and the rest of the crew. Talk about getting into one's work! Lively **LEN WEIN** is getting into the scripting swing of things since descending from his editorial throne. Look for his amazing authorial touch on **IRON MAN** and **THOR** in the months to come! (Not to mention a couple of minor titles called **SPIDER-MAN** and the **HULK!**) Big news for Golden Avenger fans! After years of drawing the **HULK** for us, Happy **HERB TRIMPE** will be switching over to **IRON MAN!** It seems Herb wanted some relief from all those issues of green, and more green, and even more green. Now if we could only figure out what to do with a certain jade giant who's been sulking around the office ever since! And how about a quick welcome for the newest editors of our bombastic line of British weeklies: Diabolical **DUFFY VOHLAND** and Mischievous **MICHELE BRAND**. (A quick welcome is really all they have time for—what with seven weeklies now in production from their overworked department!) Some True Believers who have been favored with responses to their liltin' letters have been wondering exactly **who** it is that takes time out to write those mighty missives. Well, say "Hello" to Bouncing **BONNIE SMITH**, whose Olympian task it is to read and sort that ton of mail which arrives at 575 Madison Avenue every day. Bonnie is taking over for Meticulous **MICHELE WOLFMAN**, who is currently pursuing a promising career as Marvel's latest—possibly greatest—colorist! Best wishes to both of these Bullpen beauties! Congrats to **TONY** (the Tiger) **ISABELLA**, not only for breaking his leg on Marvel's behalf during the famed softball game against **WILEY**, but for rejoining our sensational staff and becoming engaged to Beauteous **BARB KEPKE** all in the same month. We know, she's too good for you, but what **else** is new? Impish **IRENE VARTANOFF**, Sparklin' **SCOTT EDELMAN**, and Roguish **ROGER SLIFER** didn't do anything this go-round, but they threatened to attack us if we didn't mention them!

"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by \$1800. Now, having completed the course, I'm in charge of the department and on my way. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position of opportunity."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study — without interfering with your present work — and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma — a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S.
