# WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

**A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.**

Can Use**

THAT, J. JONAH, IS ONE VERY GOOD QUESTION--

CON ED CLAIMS IT'S *NOT* RESPONSIBLE FOR THE BLACKOUTS--AND I BELIEVE IT.

A MASSIVE POWER FAILURE WOULD BLACKOUT THE WHOLE CITY--A WIRING FOUL-UP SOMEWHERE MIGHT BLACKOUT A BUILDING, MAYBE AN ENTIRE BLOCK--

--BUT A CONSECUTIVE BLACKOUT OF SELECTED STREETS HAS GOT TO BE DELIBERATE!

MY SPIDER-EARLY-WARNING SYSTEM TELLS ME SOMETHING ROTTEN IS BREWING DOWN...

HATE TO LEAVE THE PARTY--BUT I'VE GOT TO GO SEE IF I CAN HELP!

ONLY HOW DO I GET PAST JONAH, M.J., AND ALL THE OTHERS INSIDE WITHOUT THEM SEEING...

OH.

FLIK!

THERE! THAT SHOULD SHED A LITTLE LIGHT ON THE SUBJECT.

EVERYONE OKAY IN HERE?

ROBBIE, HAVE YOU SEEN PETER? I CAN'T FIND HIM ANYWHERE.

PETER? TIGER, ARE YOU OUT HERE? PETER?

HE'S GONE! BUT... WHERE?

## THE SPIDERS WEB

SEND YOUR LETTERS TO:  
THE MARVEL COMICS GROUP, SIXTH FLOOR 375 MADISON AV., NEW YORK, N.Y. 10017

Dear Spider-Men,

After reading SPIDER-MAN #147 I had to comment on it. First of all on page #27, Spidey says that Gwen died on the Brooklyn Bridge, while in ish #121 she died on the Washington Bridge. Please send me a well-earned no-prize.

I liked the way Gerry handled the plot. He brought the Gwen Stacy sub-plot directly into the story. Bringing back the Tarantula to help the Jackal fit in superbly. I also enjoyed the little episodes inserted into the Spider-Man - Tarantula battle: On page 16 (Herman and Mabel), on page 17 (the cabbie), and on pages 18 and 19 (the people in the bus). The monumental taunt was when Gwen walked in the bus and didn't even notice him.

I can't wait to see how Spider-Man escapes his latest trap and, of course, the Jackal's identity. (Speaking of the Jackal, if he isn't as startling as you've built up I'll scream!) Please make ish #148 as good as #147!!!

John Cavalarris  
990 NE 74 St.  
Miami, FL 33138

We must plead guilty to no-prize pressure where bridges are concerned, 'cause Gwen did in fact die on the bridge bearing the name of the man on the one dollar bill (And if ya don't know who that is, we'll give ya just one hint—there's never been a President Brooklyn!); your non-existent no-prize is busily un-winging its way to your door.

And since we haven't heard you begin screaming just yet, we can safely assume that you were somewhat satisfied with the revelation at story's end.

But for the view of another reader who may have been less surprised than you, John, we present the following (which was one of the few correct guesses *not* lost, contrary to what was reported last issue):

Dear Marvel,

This letter is being written about 10 days before SPIDER-MAN #148 will go on sale, which will reveal the identity of the Jackal. This is my guess as to his identity.

Professor Warren.

Why?

1) He is the only continuing character that has a physical build resembling that of the Jackal's.

2) Warren is a teacher of biochemistry. The Jackal is the one who made the clone of Gwen. It seems in Marvel there is no such animal called coincidence.

So if my guess is right, I request a no-prize. I'll pay the no-postage.

Bill Koenig  
(no address given)

You're lucky that the armadillo who writes this letter column is feeling generous, or else after giving away that first no-prize, there'd be no room for a second. But it'll be soaring to your door as soon as you take time out to send us your address—which was lost when your friendly neighborhood armadillo separated your envelope from your letter!

(And speaking of no-prizes, let's give a big hand to a titanic trio—Mike Esposito, Frank Giacoia, and Dave Hunt. Although their names are absent from this issue's credits, they pitched in on a close deadline to help Jazzy Johnny Romita delineate his tremendous tale. Bravo, bullpenners, for service above and beyond the call of duty!)

Sirs,

Having Gwen cloned is perfectly feasible. However, you have two flaws in your thinking:

No lab in this world would be capable of determining that Gwen #2 was a clone, although they would be able to determine that there were two identical Stacys by digging up the original.

Whereas memories are harbored in the brain, and not the chromosomes, a clone would not automatically have the memories of its prototype. It is therefore necessary for you to come up with some way for the good professor to have had access to her brain within five minutes after her death (unless, of course, he lucked out, and those brain cells to die first were all non-memory-function cells).

Now, although it was too late to change what's already happened by the time you get this letter (two months ago, at least), I feel a moral obligation to speak-up. DON'T KILL GWEN #2!!!!!! As things now stand, what with her being identical to the first Gwen Stacy, she *is* Gwen Stacy. The situation here is comparable to a matter transporter which destroys the original at point A, and recreates it at point B (By God, don't you dare tell me clones have no "soul").

Dan McKiernan  
9120 Hawthorn Point  
Westerville, OH 43081

Dan, to answer your second problem first, some scientists do theorize that memory is stored in RNA. Therefore, it is theoretically possible to some, though yet unproven, that memory can be recreated in a clone.

As for knowing that Gwen #2 was a clone, it could be determined by the knowledge of certain facts:

- 1) Gwen #1 is dead.
- 2) Gwen is genetically identical to Gwen #1.
- 3) Cloning is possible and has already been performed with frogs, while experimentation is still being done on higher animals.

Put 'em all together and what do you get? Gwen #2 is a clone!

And as you've undoubtedly already noticed, we haven't killed her—we've just sent her away for awhile. As to whether or not she'll return, that happens to be up to a certain Len Wein—who begins scripting SPIDER-MAN with this very issue!

See ya in the funny papers!

## STAN LEE'S SOAPBOX

The secret's out! SON OF ORIGINS goes on sale 'most any day now! And rather than have you pick up information from the kids on the street, we'll tell you ourselves exactly what it contains! Within its big, beautiful, full-color pages you'll find the fabulous origin stories of The X-MEN, IRON MAN, The AVENGERS, DAREDEVIL, SHIELD, The WATCHER, and also—as the greatest surprise bonus of the year—the original 38-page masterpiece presentation of the origin of—The SILVER SURFER! All that plus the original cover from each of the magazines, plus a few extra tales just 'cause we love ya, in the most beautiful gift edition you can imagine; for only \$5.95 at your neighborhood bookstore for the elegant, colorful, luxury paperback version, or \$9.95 for the cloth-bound hardcover edition! Now do you see why publishing insiders are betting that SON OF ORIGINS might even top the fantastic sales record of the best-selling ORIGINS OF MARVEL COMICS itself? Anyway, that's the good news. Now for the bad. In addition to all the great origin stories, you'll also find page after page of anecdotes and reminiscences by loveable ol' me! But don't worry about it. You don't really have to read them if you don't want! You should worry that I typed my fingers to the bone, pouring my heart out onto the printed page, just for you! Go ahead, just look at the pictures—see if I care! But, whatever you do, be sure to leave enough space on your bookshelf, because there'll probably be a third book in the series next year! We're planning to make it an annual event, like the All-Star Game, or Groundhog Day! And, after the books are out of print, imagine what your set may be worth! On second thought, forget the bookshelf. Maybe you'd better keep 'em in a vault!

Well, I'll sign off now, to give you a chance to recover from the emotional trauma I've just put you through! So, till we meet again, remember: why waste your fists to fight with a foe, when a smile might make him your friend?

Excelsior!

Of course, if by some fluke, you are one of the very few who have not yet subscribed, you still have the chance by sending in that FOOOM coupon found elsewhere in this mag. See how easy we make things for ya, Favored One?

**ITEM!** If you rush (don't walk) to your newsstands, you may still be able to find a copy of the MARVELOUS WIZARD OF OZ, featuring the sensational scripting of Rascally ROY THOMAS, the pulse-pounding pencilling of Big JOHN BUSCEMA, and the incredible inking by the talented TRIBE. Pick up. Merry Marvel's magical adaptation of the MGM classic rightaway! It's sure to make comic mag history!

**ITEM!** Who ever heard of a comic book in which the lead character doesn't appear? Madcap Marvel, that's who! 'Cause, if you play your cards right and pick up the latest issues of TOMB OF DRACULA produced by our eternally erudite editor-in-chief Marvelous MARV WOLFGAN, Genial GENE COLAN, and Terrific TOM PALMER, you can not only catch the captivatin' climax of the two-year battle with Doctor Sun, but you may suddenly realize that the Lord Of Vampires isn't in the action. Howcum, True Believer? Well, take a peek behind the pages of Comicdom's number one magazine of fear. We've got a hunch you may dig what you see!

**ITEM!** Remember how we've always said you can't follow the artist/writer switches at Merry Marvel without a scorecard? Well, here it is! In the space provided below, simply write in the initials of the artist/writer team working on each feature. Suggestion: use a pencil... and keep an eraser handy—you'll need it!

# "Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by \$1800. Now, having completed the course, I'm in charge of the department and on my way. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position of opportunity."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study — without interfering with your present work — and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma — a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S. Dearborn Street, Chicago, Illinois 60605.
