# WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors: Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

**Woeee! Talk about favorable mail! SPIDER-MAN #151, heralding Len's advent as scripter—and the resultant start of a new storyline—was an unqualified success, if letters like the following are any indication...**

Dear Len, Ross, John, Mike, Frank, and Dave,  
I would like to congratulate you all on "Skirmish Beneath the Streets."

I felt more satisfied after finishing it than I had after reading any other Spidey comic in three years. First of all, it took me more than five minutes to read. I mean *look* at all the dialogue. Look at pages 14 and 15: Words, words, words! With Mr. Wein I don't feel so bad about shelling out my two-bits for an eighteen page story. Thank you, Len, you gave us our money's worth. And the other terrific thing was the number of panels—110 if I counted correctly; Ross didn't cut corners in telling a fine story.

Another pleasant surprise was John Romita's name in the credits. His inking is just what Ross needs to smooth down the artwork a bit. If we can't have all Romita, then the Andru/Romita team will do just fine. John it's good to have you back in any way, shape or form on the art chores of our friendly neighborhood wall-crawler.

Len, you brought back Harry Osborn beautifully and humanly. I hope you have some plans for him. It was good to see the Shocker; he is an excellent villain and I'm surprised he hasn't been used more often.

Outside of the word balloons, the cover was also outstanding. I must admit you more than lived up to your statement that this is the beginning of a new era for Spidey, and I'm glad I'm around to enjoy it.

Joe Gail  
(no address given)

P.S. I hope all this praise doesn't go to your heads!

How can it, Joe? Right after you get done lauding Len's lively dialogue, some other guy is sure to come along and castigate woebegotten Wein for the same thing.

See what we mean—

Spider-persons:

Len Wein, eh? Well, I don't know, but...no. the trouble is that I *do* know. That is, I'm familiar enough with Wein's style to fear he's not going to work very well on SPIDER-MAN. His famous wordy captions, overloaded dialogue, affected self-consciousness à la Mike Friedrich, and penchant for melodrama have their place, I suppose. But a fast-paced, action-oriented strip like Spidey? I don't think so.

Mind you, I'm judging from Len's past work on TEAM-UP, and am looking forward to being proved wrong. Go to it, Len, but remember you've got one of Marvel's finest scenarists

in Ross Andru. Don't discount his part of the fantasy by "talking" too much. Please.

Drew MacDonald

Dear Spider-persons:

A new beginning huh? I wish more magazines would tie up their old loose ends and move onto something new. Starting with the cover, SPIDER-MAN #151 was one very good issue. I'll admit that I had my doubts when I heard that Len was taking over the scripting chores. But I get those doubts whenever I hear of Len taking over any new comic; each time, however, I am proved wrong and I end up writing rave letters about his work. This issue had it all, from the sensitive thought at the beginning to the humor at J. Jonah's party. The various scenes reintroducing Harry Osborn were great. The events of the past years have affected all of the cast. People advance and, above all else, change over the years. I just hope that Harry is permanently cured and the Green Goblin really is gone, as well as the cloned Gwen Stacy.

The art was also great. First, Jack Kirby returns to the fold, then John Romita picks up an art assignment. His inks are as great as his pencils and his covers. Now, about Ross Andru, he is a superb storyteller, and he has a good layout sense. But I really suggest that he sharpen up both his anatomy and his perspective.

Larry Twiss

Dear Marvel,

I have just read SPIDER-MAN #151, and I just wanted to remind you guys that you are doing a great job. I think bringing back one of Spidey's old foes like the Shocker is a great idea, especially since he is one of my all-time favorite baddies. I also want to applaud Andru and Romita returning. Don't get me wrong, I think that Gil Kane and the rest were doing a great job, but in my mind Andru is the best. I have but one request, that you forget about the Green Goblin. I think that Harry Osborn returning is fine, but he should be Pete's friend for the duration.

Anyway, keep up the good work, you've got me for life.

David Norton  
806 Hastings Place  
North Augusta, SC 29841

Y'know, not only were there vast amounts of agreeable letters, but most of the letters even agreed with each other about certain points, such as in hoping Harry wasn't getting ready to go through the Goblin routine again. Truth to tell, we don't know *what* Len has in mind for Mr. Osborn, but if there's one thing we're positively sure of, it won't be predictable.

Next issue's big bash is certainly *no secret*, though—the long-awaited wedding of Ned and Betty! Consider this your formal invitation, pilgrim.

Be seen' ya there!

## STAN LEE'S SOAPBOX

Wow! This is strictly a dynamite month for fans and pros alike! This is when the most eagerly-awaited comic-book sensation of the year goes on sale! It's the giant-sized, mind-boggling team-up of **Spider-Man** and **Superman**! Wait'll you see them meet! Wait'll you see them battle! Wait'll you see the stupefying surprises in the ultimate superhero adventure of '76! And if you think that's gonna be a battle, wait'll you see Marvel and DC when we start figuring how to divvy up the royalties! But that's only the beginning! This is also the momentous month in which big-hearted Marvel unleashes its very first issues of **Marvel Classic Comics**—featuring the greatest titles in all of literature, presented in illustrated form—just because we love ya! And hey, have you heard the nuttiest caper of the season? Some joker decided to produce a t-shirt featuring (no kidding!) me! He claimed there are t-shirts with everything from sharks' bicusps to Woody Allen's tonsils, so why not set the whole industry back a few centuries by selling a shirt with my own almost-human features blushing displayed! If nothing else, it might always help to stop some runaway clocks! Well, here's the payoff—we did it as a gag—and they're selling like crazy! So congratulations, America—you're still turned-on to heavy culture! And, speaking of culture, did you hear about Big John Buscema teaching a course in "How to Draw for Comic books"? I sat in on one of his classes recently and I can tell you that ol' J.B. teaches as well as he draws. For more info about his classes, you can reach him at: Box 394, East Setauket, N.Y. 11733. (If that doesn't get me an autographed drawing, I won't bring in my homework next week!) And for more info about the mixed-up world of Marvel, tune in again next month, same place, same hysteria! Till then, I hope you haven't forgotten—Ex nihilo nihil fit!

Excelsior!

*Stan*

**ITEM!** We don't exactly wanna shout out the news, but if you promise to keep it to yourself, and not say a word to anybody, the ever-lovin' House Of Ideas has just given a Christmas present to all you Faithful Ones! Namely, beginning in just a month or three, our mystic master, **DOCTOR STRANGE**; our Hero-For-Hire, **LUKE CAGE**, **POWER MAN**; and every-one's favorite Benjamin J. Grimm (featured in **MARVEL-TWO-IN-ONE!**) will be comin' at you **each and every month!** Yeah, you heard right, Wild One! We've just promoted three more super-stars to a twelve-times-a-year status! So, rush down to your newsstands right away and reserve your copies now! You know how fast our magnificent mags disappear from the racks!

**ITEM!** And, while you're looking through the galavantin' goodies we're always tossin' at you, you've probably seen the Mighty Marvel Value Stamps sensational **second** series that have been appearing these past weeks. Okay then, if you'd like to cut out those sultry stamps and place them in the absolutely new, specially-designed-for-you, stamp book (which is also redeemable for a gigantic grab-bag of goodies), now's the time to take advantage of our omnipresent offer. For just a mere half buck (that's 50¢ to all you Asgardians), we can wing our 16-page booklet-bonanza to you, featuring room for all your prize-winning stamps, and a special secret super-stamp of a shocking Marvel star! If you don't want to be left out in the hinterlands, send you check or money order to: **MARVEL STAMP-BOOK, SUPERHERO MERCHANDISE, PO BOX 777, DOVER, NEW JERSEY, 07801.**

**ITEM!** Wonder where the super-heroes have gone, lately? Well, if you're lookin' for something new, something different, something just a wee bit extra-special, take a gander at The Man Called **NOVA**—a brand-new action-packed superhero from the titanicly-talented typewriter of Marvelous **MARV WOLFMAN**, and the pulsating pencil-power of Big **JOHN BUSCEMA**. We don't wanna say too much about the most spectacular new superhero ever, but we think you'll dig him when he finally does appear. As for when, even we're not sure if we'll start right off with a special-appearance in **MARVEL PREMIERE**, or go right ahead with his own magnificent mag. Either way, keep an eye peeled to these Bullpen pages. We think you'll kinda be glad you did.

**ITEM!** They say that old soldiers never die, they just fade away! But it seems that Nick Fury, one-time Sergeant of the Howling Commandos, and now fighting director of **SHIELD**, not only doesn't fade away, but he doesn't get older either. Well, if that doesn't make sense, it's just our sneaky way of tellin' you that Jumpin' **JIM STARLIN** and Howling **HOWIE CHAYKIN** have gotten together to work on an issue of **MARVEL SPOTLIGHT** givin' you fearless front-facers the inside info on why fightin' Fury looks younger now than he did back in the big war! You won't want to miss this one, True Believers! And, while we're filling you in on some Spotlight plans, Lively **LEN WEIN** and Big **JOHN BUSCEMA** have a wild **WARRIORS THREE** issue planned, featuring Grim Hogun, Dashing Fandral, and Voluminous Volstag! Also, Rascally **ROY THOMAS**, and Garrulous **GIL KANE** are putting their unique artistry to work bringing you **THE WILD BOY**, an adaptation of Rudyard Kipling's **JUNGLE BOOK** stories! You won't want to miss that one!

**ITEM!** Now, listen closely, and pay attention to this, Faithful One, 'cause your over-worked, under-staffed Bullpen is being deluged with stories and art by each and every one of you, and strive though we will, when we finish off one stack of stories, two more take its place. So, if you wanna send stories and art to us, please realize that it may take awhile for us to get to your work. Or, better yet, send your art to the **FOOM** art-contest, and maybe you'll be one of the lucky ones who gets to see his or her work printed.

**ITEM!** And, speaking of **FOOM**, right on the tail of our Jocular **JACK KIRBY** ish, we present a special **VISION** issue, featuring everything you would want to know about your favorite android, and more! If you've never been a full-fledged **FOOMer** before, we kinda think you're missing something. And, if you've been a lucky member in the past, wait 'till you see some of the startling changes that we're adding to make comicdom's greatest fan-club even greater. Fill out the cuddly coupon elsewhere in this ish, and send it in right away! You won't be sorry!

# The secret of teaching yourself music

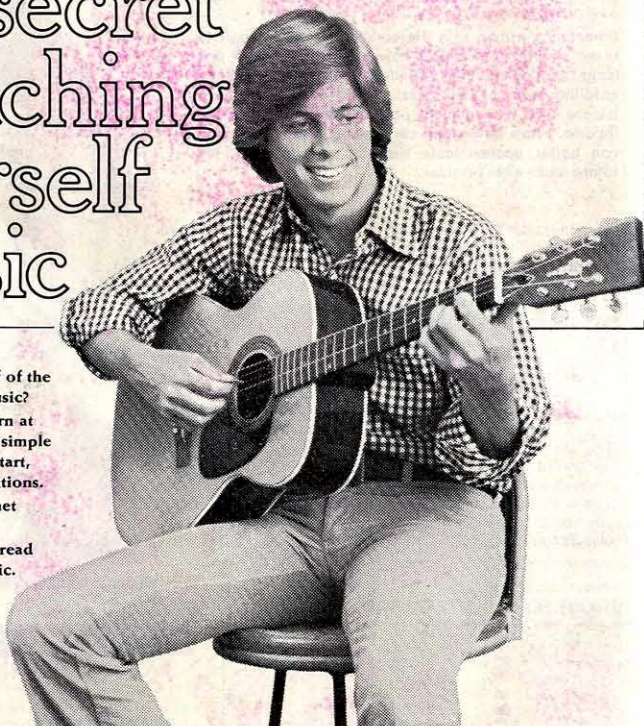

Why keep depriving yourself of the thrill of making your own music?

Here's a pleasant way to learn at home in spare time. You play simple familiar tunes right from the start, then more advanced compositions.

Choose piano, guitar or spinet organ.

No gimmicks—you learn to read notes, play regular sheet music.

It really works! Thousands now play who never could.

It may seem odd at first—the idea of teaching yourself music. You might think you need a private teacher at \$4 to \$10 per hour to stand beside you and explain everything you should do—and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play by using the lessons we give by mail. And you can too.

With our lessons, you learn to play the right way—by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

It's really a marvelous way to learn. In fact, graduate Mrs. Norman Johanson wrote us, "My daughter has taken lessons for 8 years from a private teacher, and now she asks me questions about some of her lessons. How very proud I feel when she says to friends, 'You've just got to hear my Mom play!'"

Others also enjoy her playing. Mrs. Johanson reports, She plays for herself to relax after a trying day, and for her husband when he's tired. She also plays for friends when she goes to parties. "In a sentence," she says, "it's the most soul-satisfying thing that has ever happened to me."

If you've ever dreamed of being able to play the piano, the guitar, or the spinet organ, why not learn more about our convenient, economical way to learn?
