HEROQUEST™

he quest to destroy the evil gargoyle Verag is behind you. You wiped out the minions of Ulag the Orc Warlord and recovered Prince Magnus' gold.

Now the Emperor has sent your band on its next quest against the minions of the evil Zargon. Deep beneath Black Fire Crag in the heart of the Black Mountains dwells Balur, a Fire Mage who serves the orcs with his magic.

You descend the steps to the lair. Brave Othgar the Barbarian leads, followed by the Dwarf, Pilix. You're next, with Hadrilor the Wizard close behind.

You open the door to a corridor stretching to the left. An orc attacks Othgar. Othgar chuckles, "What, only one?" With a mighty sweep of his blade, Othgar separates the orc from his head. "Zargon will have

to do better than that," Othgar boasts. Five rooms, 6 orcs and one spear trap later, you find a secret door. You trigger the hidden latch with your tools, and open the

door. The room is filled with skeletons. You hack the nearest to pieces with your Elven blade as Hadrilor is hit by a lightning bolt from the corridor. You shout "Hadrilor is hurt."

Pilix slams his opponent into the wall and throws you the healing potion he picked up in THE QUEST OF MELAR'S MAZE. You pour it down the wizard's throat - he gurgles, coughs, and staggers upright. Just in time: mummies surround the wounded Othgar, ready to finish him off. Hadrilor casts a Veil of Mist

on Othgar, and he passes between the menacing mummies, unseen, into the safety of the corridor.

You take inventory. Othgar's down three hits, Pilix one. You've found 150 gold coins, and the Wand of Magic, but Balur still lives. You look at your companions and they nod, wearily, towards the door ahead. Othgar kicks it open, and you dive into a whirling nightmare. Chaos Warriors and zombies surround you; behind them stands Balur. You race to a safe corner but you're cut off from your friends. Balur casts a Firestorm spell in the room. You feel skin burn from your arms. The flames also destroy Balur's men. He stands alone. Pilix raises the crossbow he bought in the armory for 350 gold. Balur looks at you

and laughs, a hideous laugh that burns its way into your memory and your soul. He casts a spell, and in a flash, he's gone. Your quest is not yet

done. You cast a Water of Healing spell on yourself. The skin magically grows back onto your burnt arms. Balur can be almost anywhere. But to give up now is to face dishonor in the eyes of the Emperor. You all agree. It must be death for Balur. The search continues...

You've just gotten a taste of **HERO QUEST**, the fantasy adventure game from Milton Bradley. 2 to 5 players play heroes and the evil enemy, Zargon, as they battle through 14 quests to find adventure, fortune and glory. Zargon is the Gamesmaster, placing hidden monsters and treasure in accordance with the scenarios. Fast and easy movement and combat rules allow for uninterrupted, exciting play. **HERO QUEST** adventures don't end when you've played all the scenarios. Instructions teach you how to create new scenarios, so the adventures keep coming. Take turns playing Zargon and see who's best at being bad. And when your wounds have healed and you're itching for a new quest to test your skills, try **HERO QUEST Quest Packs.**

10 exciting quests in each, with maps, instructions, and more 3-D monsters. Challenge the Witch Lord in **RETURN OF THE WITCH LORD.** Brave the siege of **KELLAR'S KEEP.** Or explore strange realms in the **ELF** or **BARBARIAN** Quest Packs, our newest adventuring modules.

BULLPEN BULLETINS

STAN'S SOAPBOX

Hi, Heroes!

You know the way our Chinese friends celebrate different years like "The Year of the Pig," or "The Year of the Dragon"? Well, for mighty Marvel, 1992 has most definitely been "The Year of the Spider," and what a great year it's been! Spider-Man's thirtieth anniversary has kept our whole blushing bullpen busy with special Hologram-Cover Issues, Spidey Conventions, Web-Slinger Parties and all sorts of arachnid-inspired fun 'n' games!

Another, more subtle way that we've been celebrating everyone's favorite wall-crawler has been by introducing famous Marvel guest stars in Spidey's syndicated newspaper strip. Those of you who are lucky enough to have Spidey's daily strip in your local newspaper's comic section, have already seen the current episode which is just now zooming to a cataclysmic conclusion, the one featuring the ever dazzling and delightful Dr. Strange!

Well, here's a really sensational fol-

low-up to the Spidey/Dr. Strange adventure. Starting sometime in October, the peripatetic Peter Parker will welcome another guest star to what is arguably the most popular newspaper story-strip in all the world — Daredevil, the Man Without Fear! This will be Matt Murdock's first appearance in any newspaper and I can promise you it'll be a zinger! Can't tell you much without spoiling the surprises for you — but I can clue you in about some new artists coming on board!

Flo Dery, who has so brilliantly illustrated the Spidey Sunday pages for the past decade or so, has been forced to give up his chores because of an increased work load at the animation studio which is his home base. Although I was genuinely sorry to bid Flo adieu, wait'll you hear who his exciting replacements will be!

To pencil Spidey's Sunday pages, we were lucky to grab Rampagin' **Ron Frenz**, the demon illustrator who, together with the scripting of **Titanic Tom DeFalco**, has made MIGHTY THOR one of Marvel's most consistent "must read"

titles issue after issue! And, to ink Ron's awesome panels, we managed to lure one of Marvel's all-time greats out of semi-retirement — which means that the world once again will thrill to the exotic embellishments of the titanically talented **Joltin' Joe Sinnott**!

So, Ron and Joe now join forces with comicdom's own legendary **Larry Lieber**, who has been so pandemoniously penciling and inking Spidey's daily pages for these many years, to form the most spectacular art team on any newspaper page! It's all yours, for free, in your local newspaper! (And if your paper is one of the few that doesn't carry **The Amazing Spider-Man**, never underestimate the power of a letter to the editor!)

Now, until Spidey's next anniversary — Larry, Ron, Joe, and I urge thee most humbly — Keep Thy Webs Untangled!

Excelsior!

Stan Lee

When we think of October, we think of those scary people who put on masks, play tricks, and try to frighten everyone. That's right, we're talking about politicians! This is the time of year when politics are plentiful, frightening even Red Ghosts, Scarlet Witches, and Hobbogoblins! As every Marveloid knows, we're just weeks away from the funniest holiday of the year — **Election Day**!

In his very first appearance, the Amazing Spider-Man learned that with great power must come great responsibility. Well, every Marveloid out there over the age of 18 has great power, too — the power to vote! This is a responsibility many of us take for granted if at all. Think about it — we actually have the opportunity to help decide who will hold the most important position in the nation! Why not exercise some of your great responsibility that comes with the great power to vote? To register, call your municipal government office or the local chapter of the League of Woman Voters.

From the presidential race we move on to a footrace, as we track Marvel's standings in the 1992 Corporate Challenge. The Corporate Challenge is a series of 3 1/2-mile races held every June, in which companies all over New York compete to see who has the fastest workaholics. The big winner for Marvel this year was **Danny "Speedy" Gonzalez**, who finished one of the races in just 21 minutes. Other Marvel Quicksilverers were **Bernadette Ayala** of the Manufacturing Department, **Mary Sprowls** of the Finance Department, and editors **Don (PUNISH-ER) Daley** and **Glenn (NOMAD) Herdling**. The apres-race parties held at the Senior Exec Ed's place were also a runaway success!

The Marvel softball season is also racing to a close as we write this. We all must have had our catcher's masks on in June (not to mention our hitter's masks and our outfielder's masks),

THE BULL'S EYE

by Rick Parker & Barry Dutter

because we had a three-game winning streak, including a victory over *Billboard* magazine — a team which we had never before beaten in Marvel history! We wore the masks of tragedy, however, as DC trick-or-treated us to a loss in our second game against their squadron of all-stars. The DC/Marvel retro-rivalry is now tied at one game apiece, with one more left to play between the two companies.

One thing is for sure — the ultra-athletic DC team sure knows how to get the most out of a bat! (Maybe it would help our chances if we all wore Adam West masks!)

Bullpen neo-cartoonist **Rick Parker** and assistant editor **Barry Dutter** have good reason to throw a masquerade party this month! Ricko the Sicko and "Big" Barry have a hyper-funny book of cartoons coming out. The book is called *Everything I Really Need to Know I Learned from Television*, and is on sale in book-

stores all across America. (By a strange coincidence, that same creative team is also responsible for the cartoon that appears each month on this very page!) It's the perfect reading material for All Hallow's Eve! It will help you laugh away all your fears!

If you really want to treat your neighborhood monsters, don't give them candy this Halloween — give them the all-new Marvel Masterpiece trading cards! This 100 card set features all your favorite heroes and villains, beautifully painted by Joe Jusko. Each card is a true work of art! And if your preference is for pictures that move, we'd also like to mention that the Marvel Video Cassette *Pride of the X-Men* is now available at video retailers everywhere. Get a copy now and receive a \$5 refund on other videos in MCU's catalog. No tricks here — just plenty of treats for everyone!

Till next time, remember, though Halloween comes but once a year, Marvel heroes wear masks and colorful costumes all year long! See you at the polls!
