AT A DEMONSTRATION ON RADIATION, HIGH SCHOOL STUDENT PETER PARKER WAS BITTEN BY AN IRRADIATED SPIDER FROM WHICH HE GAINED THE ARACHNID'S INCREDIBLE ABILITIES. WHEN A BURGLAR KILLED HIS BELOVED UNCLE BEN, A GRIEF-STRICKEN PETER VOWED TO USE HIS GREAT POWERS IN THE SERVICE OF HIS FELLOW MAN, BECAUSE HE LEARNED AN INVALUABLE LESSON: WITH GREAT POWER THERE MUST ALSO COME GREAT RESPONSIBILITY.

I WAS PICKED ON TOO - NOT ANYMORE!

That's right fellas, I understand how it feels to be "picked on." I was a skinny "97-pound weakling." I was so ashamed of my scrawny body that I dreaded being seen in a swim suit or going to the gym. I will build you a massive muscular body to impress the girls and stop the bullies! You have my word on that!

I HAVE HELPED MILLIONS OF GUYS LIKE YOU BECOME STRONG HANDSOME MEN WITHOUT WEIGHTS, EXPENSIVE EQUIPMENT OR GADGETS.

I discovered the secrets of "Dynamic-Tension®", which worked wonders on me and developed my body fast. I was then transformed into a dynamo and awarded the title of "The World's Most Perfectly Developed Man."

Send today for information on my complete Atlas' Bodybuilding Course and System on strength, health and nutrition. My course will make you a new man. I'll make you tough, really tough. So don't delay - order today!

I...
I KNEW.

I KNEW.

PETER.

I KNEW
YOU WERE
ALIVE!

This winter, excitement has a new name: Mittens. Here's the mail.

To Howard Mackie and Axel Alonso:
A crazy cat story? Ha ha ha ha ha! And a genetically altered cat with an attitude, like a grumpy Fat Freddy's Cat from the Freak Brothers underground comic.

I see a hint, though, that he's gonna be around a while. I say no! He's drop the cat for a one-issue laugh, but please, drop the cat.

Wilfred D. DeVoe
Salem, MA

Request noted, Wilfred. Though our next letter writer disagrees.

Dear Spider's Web,

Introducing a pet for Peter Parker could be Howard Mackie's greatest moment on AMAZING SPIDER-MAN and a great legacy to leave behind. I can't tell you how excited I was when I finished reading issue #27! Well actually, I wasn't that excited, because it is just a fictional cat in a fictional book, but in those proportions I was excited. Well, not really, really excited...Oh, how can I say it without sounding like a geek?

The cat is just lovely and J.R. did a great job drawing him. I hope other creators on the books will not ignore this wonderful creature. The brave decision here was to give Peter a pet cat with super powers. Maybe the next DC/MARVEL crossover could be Krypto versus whitsname... This cat needs a name. Just don't call him Spider-Cat and dress him in a cute little Spider-Cat costume... Mmm... You don't plan to do that... Do you?

Anyway, I think that having a cat perky smelly cat could be interesting, and automatically make the book more fun. With all the mayhem in Peter's life, he needs all the unconditional love he can get. I hope the cat will stick around.

Nice one.

Michael Bregman
Gan-Yavne, Israel

Michael, the cat has a name. It's Mittens. Mister Mittens. For answers to your pressing questions about the fate of Peter's cat - and, of course, a little someone named Mary Janet - see the AMAZING SPIDER-MAN ANNUAL, out soon. Suffice it to say, Mr. Mittens has got to sleep somewhere.

Dear Spider's Web,

I laughed out loud when Spider-Man was having a difficult time getting "Mr. Mittens" out of the tree. This was one elusive cat. Spider-Man may have not been 100 percent personality-wise, as he mentions that he was not up to his usual snappy banter and witty repartee, but he was 100 percent in the full swing of things as he went after those gangsters Mr. Q and Mr. P.

AMAZING SPIDER-MAN #27 was full of thrills and excitement. This was truly some good entertainment this evening!

Paul Dale Roberts
Production Captain, Jazma Universe
Online
Via Internet

Glad to hear it.

Dear Spider's Web,

I have just finished AMAZING SPIDER-MAN #27 today and it was spectacular. It was very strange that the gangsters were

going after the black cat. I've been reading AMAZING SPIDER-MAN for over six years now, and can't stop.

I have a few questions to ask:

- 1) When is Mary Jane coming back?
 - 2) Is Carnage coming back soon?
 - 3) When will Spider-Man change his costume to black and white again?
 - 4) Will we ever see Toad-Man?
 - 5) Is Peter Parker's daughter alive?
 - 6) Is Spider-Man ever going to time travel?
- Well, until Spider-Man gets new powers, Make Mine Marvel.

Adam Heisey
Via Internet

Some answers, Adam:

- 1) Yes, she is. See pages 1 through 22.
- 2) No, he won't.
- 3) No time soon.
- 4) No time soon.
- 5) Let's just say if she is, she won't be appearing any time soon.
- 6) No time soon.

Dear Spinners of The Web,

You guys never seem to stop surprising me. Spidey with a pet!! Who'da think it? It's touches like this that make me keep reading your mags about the wondrous webspinner. You just gotta do me a favor though: don't let the "moggie" develop super powers!

Now I've been through thick and thin with Pete for the best part of thirty years. Sure, we've had our ups and downs, and at times the road has been a rocky one to tread, but we've stuck it out together (Clone Saga included). But if this feline dons a cape and starts flying over the Manhattan skyline with Spidey, I'm off!!

I loved Misters P and Q, and being British myself the humor was not lost on me. These guys were hunting down the puss in question on the orders of A.I.M. who have no doubt genetically monkeyed around with it, hence they wanted it destroyed. But please, for the love of Stan, don't go down the road of giving Pete a super pet. Story lines like that belong in the pages of your distinguished competition.

All in all, though, the story was witty and inventive, and I actually find myself looking forward to the next issue. No offense, guys, but things were getting stale. The only thing that has kept me with Spidey for some time now is John Jr.'s amazing artwork. And now that the stories are getting better, Mr. Mackie is leaving us. I'd just like to wish Howard all the best in the future and say that good story or bad, we've always been entertained.

Keep up the good work, and just one question: What's happened to Jimmy 6, and any chance he'll be popping up in the future? Sorry, my mistake, that's two questions.

Martin Dallard
Via Internet

Thanks, Martin. Jimmy 6 doesn't figure into the immediate future of AMAZING SPIDER-MAN, but he could pop up elsewhere.

Dear Editor:

Even though I haven't kept up on Spidey in about seven or eight years, he still has a solid place in my heart, and is a constant reminder of my childhood fantasies. His philosophy of this hero, who behind the mask is a regular guy with problems, has always reminded me in my adulthood that I can handle almost anything. I am glad to

see that he is still one of the most popular super heroes of all time.

Keep up the good work. I will try to pass on the word to future Marvelites. Excelsior!

Gary Bennett
Via Internet

That's high praise, Gary. But by all means come on back. Next issue is as good a jumping-on point as there ever will be.

Dear Editor:

I was wondering if it is possible to make a web shooter like the one Peter Parker made, and if it is possible to make web fluid that is strong enough to support a human being? I would greatly appreciate it if you reply back with an answer, thank you very much.

"TMac01"
Via Internet

Tmac, we've decided to conduct an in-house experiment.

Ralf, how's it going over there? Wait, maybe we should do a test first—

Ralf, get down from there! Ralf... this isn't funny...

Ralf - wait!

RAAAAAAAAAAAAAAAAAAAAAAALF!!!

No. Current data shows that, in fact, it is not possible to make a web fluid strong enough to support a human being.

Kids, do not try to do this at home!

Hi, Spidey's Web,

I would like to say goodbye to Howard Mackie. Let's not forget the great stories he wrote — "The Name of the Rose," "Spirits of Venom," or, by the way, AMAZING SPIDER-MAN #27! A story without any tough super-villains, and a big laugh for that "John Woo" reference.

Harza Tamas
Hungary

Thanks, Harza. We couldn't agree more. Howard's run on ASM has been a long and prosperous, and his final issue — AMAZING SPIDER-MAN ANNUAL, which comes out in a couple of weeks — is a fine swan song as there comes. You won't want to miss it. Keep your ear to the ground for future projects by Mr. Mackie.
