This is most inconvenient. I had requested a private gate where I could meet with the delegation from Geneva on our way to the conference --

How do you do that?

Do what?

Speak in all capitals like that?

Silence, minion.

This accursed conference would not even be *necessary* if your country's industries were not spewing forth enough particulate matter to cause the planet to warm, melting your own Glacier Park, breaking off whole portions of the Arctic, and causing climate changes in my home country.

Problems that can only be addressed by working in concert with other countries. It is an affront to our dignity. Latveria works alone. Latveria needs no one else to form our destiny.

Yeah, it's just a hard-knock life with you, isn't it?

There's one down, yes.

But if my suspicion is correct, that's a distress signal. Which means we may have more company very soon.

Any chance we can get these people out of here?

I... had access to a security radio. They're digging through on the other side, but it'll take time. And we can't take them out through the hole in the ceiling because some of these people are too injured to be moved.

We just have to stay here until they can dig us out and make sure no one gets hurt.

AAAAAAAAHHHHH!

A full-page comic book illustration showing Spider-Man and Mary Jane Watson in a deeply emotional embrace. Spider-Man, on the left, is shown from the chest up, wearing his iconic red and blue suit. His face is in profile, looking down at Mary Jane with a tearful expression. Mary Jane, on the right, is also shown from the chest up, wearing a red dress. She has her eyes closed and a tearful expression, leaning her head against Spider-Man's chest. The background is a dramatic sky with dark, swirling clouds and a bright light source on the right, creating a high-contrast, emotional atmosphere. The art style is typical of Marvel comic book illustrations, with bold lines and vibrant colors.

So what do you do?

LET THE VOTING BEGIN!

The 10th Annual Wizard Fan Awards are here and it's time for you, the comics fans, to determine what's the bestest of the best in the comics world from the year 2002!

Each little box below represents a different category. Each category contains five nominees determined through a WizardWorld.com poll.

- 1) Vote for one and ONLY ONE entry in each category. Multiple votes in any category disqualify the whole ballot. Please don't make us toss your ballots because of a stupidity factor.
- 2) What if you don't like the nominees listed? Feel free to take matters into your own hands and write in your own choice in the "write-in" category!
- 3) You don't have to vote in every category if you don't wish, and you only get to vote ONCE! All multiple ballots will be disqualified. That means none of your votes count if you try to cheat! And believe us...we'll know if you cheat.

Winners will be announced at the Wizard World Chicago convention which takes place on August 8-10!

Ready? Then grab an implement of writing and GO!
