How did
I--
Yes--

Ezekiel.

Came to me...came to me
in New York, tried to talk
me into coming to South
America...said the super-
natural menaces that had
been coming after me
were coming again, hard--

--but he was lying.
They weren't coming
after me. They were
coming after him. He
used--

--used
me.

And
then--

--then darkness,
and the voice--

--the voice,
old, so old--

--so cold--

--the hunter--

Blood is the milk of the world.

--the truth--

--your only hope, Ezekiel, is to divert the powers you have bargained with, to bring them to attack the chosen, and in so doing eliminate your competition. Or, failing that, to convince him to fight them on your behalf--

And the trap.

"--and bring him here, to the beginning, to this place...that his blood may take the place of your own when the madness, and the death, follows."

And then... here.

It's my life or yours. And I intend to live. But for what's coming, and how you'll go, I am sorry, P.

Honest and true.

Tired or not, confused or not, I should have run the second I opened my eyes--

--stupid--

Ezekiel? I don't want to fight you, I--

I don't either, P.

But I
can't let
that stop
me now!

Fast...he
was so fast--

Ungh!

He was always nearly
as strong as I was...
but now there was the
strength of madness...
determined to survive
at any cost...and I
thought--

--is this how I
looked to those
I came after?

The face of
the hunter.

The spider.

Get...
off me...
get--

FORBIDDEN FRUIT

THE CURIOUSLY STRONG SOURS[®]

TM & © 2006 MARVEL

A move like this, with anybody else, I'd have a four-second window to move...they'd hit the floor, get up, turn--

--off me!

--so for just a second, just a *second*, I let myself forget who--

--no, not who--

--what I was fighting.

Spider-sense doesn't work with him, because he's like me, a child of the spider. Didn't see it coming. Didn't feel it coming. Not until--

AAAAAGGGHHH!

Too late.

A dynamic comic book illustration showing Spider-Man in a fierce battle with Doctor Octopus. Doctor Octopus, with his white hair and blue suit, is in the foreground, lunging forward with a determined expression. Spider-Man, in his iconic red and blue suit, is being pushed back, his face showing strain. In the background, several other Spider-Men are visible, some in similar poses, suggesting a larger conflict. The scene is filled with action and tension.

Someone who would be driven to fight back against the dark forces sent by the world, who would never stop even though they were bigger and more and perhaps even stronger than he was.

Because having once been prey, he would never allow himself to become such again.

Would never surrender.

Would take death before submission.

Death--

--before--

--submission.

That's
it, P...just go

all be over
soon.

A full-page photograph of Tracy McGrady in a blue Orlando Magic jersey with the number 1. He is in mid-air, holding a basketball in his right hand, with his mouth wide open in a shout. He is wearing white sneakers and a white wristband on his left arm. The background is a dark, textured grey.

Great for dunking.
